Wiley's Refrain Lono Waiwaiiole, 2005-11-29 Wiley is a professional poker player in Portland Oregon who walks the seedy streets of the city's darker side. He's a man who knows how to use violence to get what he wants, but he's got a good heart and a noble streak that his friends and family know is a mile long. His enemies often see a streak of a different sort, though, and so Wiley is simultaneously beloved and feared among those who know him. Wiley is also a man who solves problems for friends. The murder of a young musician who is close to his extended family puts Wiley in a vengeful frame of mind. He follows the evidence through the darkest corners of the city. When the trail points to Hawaii, a place Wiley has never set foot but which seems lately to be calling him home, he reluctantly agrees to head for the land of his ancestors in the hopes of finding justice for his young friend. Reminiscent of the classic noir masters James M. Cain, Dashiell Hammett, and even the early novels of George Pelecanos, Lono Waiwaiiole's Wiley series has already garnered a cult following that's won him a dedicated audience among crime readers and a palpable buzz in the mystery world.

Belonging to God William Carl Placher, 1992-01-01 A section-by-section, line-by-line commentary that reflects on the meaning of A Brief Statement that will help Presbyterians think about who they are and what they believe, and will interest others concerned with the relationship of the Christian tradition and contemporary issues. Appendix. Bibliography. Indexes.

Grace and Law in Galatians Dennis Ngien, 2023-01-19 The author does not aim to defend Luther's and Calvin's reading of Galatians against modern biblical scholarship but to read and hear them in their own contexts. He grapples with major theological themes underlying their approach: law and gospel, active and passive righteousness, faith alone yet not alone, attribution of contraries between Christ and the justified saints, human love and God's love, Christ as gift and example, the creative power of God's word, union with Christ, the economic action of the Son, the role of Holy Spirit in the justified life,

faith in Christ and the faith of Christ, the uses of the law, true identity as God's gift, flesh and Spirit, and radical discontinuity of the old existence and the re-creation of the new. Readers will learn from the Reformers how they apply a text or theological theme homiletically in a pastoral context and appreciate how their understanding of the gospel can spiritually nurture the life of faith.

?????? ????? Michael Carasik,2015-04-01 For the first time, Miqra'ot Gedolot is available in an accessible English edition. First published 500 years ago as the Rabbinic Bible, the biblical commentaries known as the Miqra'ot Gedolot have inspired and educated generations of Hebrew readers. With this edition, the voices of Rashi, Ibn Ezra, Nahmanides, Rashbam, and other medieval commentators come alive once more, speaking in a contemporary English translation annotated and explicated for lay readers. Each page of The Commentators' Bible contains several Hebrew verses from the book of Exodus, surrounded by both the 1917 and 1985 JPS translations and new English translations of the major commentators. This large-format volume is beautifully designed for ease of navigation among the many elements on each page, including explanatory notes and selected additional comments from the works of Bekhor Shor, Hizkuni, Abarbanel, Sforno, Gersonides, and others. - Publisher.

Lectures or Tractates on the Gospel According to Saint John Saint Augustine of Hippo,Aeterna Press, When I give heed to what we have just read from the apostolic lesson, that "the natural man perceiveth not the things which are of the Spirit of God," and consider that in the present assembly, my beloved, there must of necessity be among you many natural men, who know only according to the flesh, and cannot yet raise themselves to spiritual understanding, I am in great difficulty how, as the Lord shall grant, I may be able to express, or in my small measure to explain, what has been read from the Gospel, "In the beginning was the Word, and the Word was with God, and the Word was God;" for this the natural man does not perceive.

Don't let the devil win, because the devil is a liar, and, the blood still works Ollie Fobbs_,2016-05-10 This is a writing concerning the challenges of the things of faith that we go through each and every single day, listen, there is not one place in scripture that says, that we will not go through stuff, however, there are tons of scripture that tells us, this is how to deal with certain things, now, this is not a writing on the full context of how to do everything, that would take well over four thousand pages, however, this is a writing to reveal to you that you do have the full ability to overcome if you so choose to do so.

The Institutes Of The Christian Religion, Books First and Second John Calvin, The Institutes of the Christian Religion, in Latin “Institutio Christianae religionis”, is Calvin's most known work on Protestant theology. It was first published in 1536. The book was written as an introductory textbook on the Protestant faith for those with some previous knowledge of theology and covered a broad range of theological topics from the doctrines of church and sacraments to justification by faith alone and Christian liberty. The whole text consists of four books, this volume including the first and second
