The Holy War ,1724

Holy War Jacques G. Ruelland,2007-01-01 Though the wise know that history will inevitably repeat itself, mankind keeps on making the same mistakes. It is never an easy task to write about war and religion, and Dr. Jacques G. Ruelland has managed to do so clearly and without prejudice. Through his expose of the holy wars, this philosopher-historian traces a not-so-holy picture of civilization by analyzing the semantics of sacredness inherent to monotheistic religions. With the compassionate eye of the humanist, he helps us understand the origins of the justifications of wars waged in the name of the Almighty. Will we ever learn to eradicate this ancient practice? Not really, the historian believes, unless humanity can succeed in redefining the very notion of peace by assigning a new mission to science which would, ultimately, be dedicated to its real and ever-lasting pursuit.

The Holy War John Bunyan,1837

God of Battles Peter Partner,1998

Holy War Raymond Davenport,2012-12 The book was named Holy War because that is what's going on in our society and this is the struggle humanity is facing to survive. Humanity is in danger and I would like to go into deeper detail on how and why I have come to the conclusion that mankind threatened. This book or series will expose the danger, lies and deceit that kept me and still a lot of other people in a trance for so long. This book will explain the real definition of Holy War, why the world as we know it is called and considered The Matrix and how that translates to The System. And this new truth that I have discovered, I would like to share with the rest of any and everyone who is like me tired of living in fear and the nonsense and find some peace in knowing the truth.

The History of the Holy War Thomas Fuller,2012-08-01 Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.
