Jane Marie, 2010-07 Her goal is to seek the truth of her life by understanding and accepting the choices she makes. Her feelings and thoughts about the past, present and future are poignantly written and shared in her story. The pitfalls and inconstancy during her childhood ultimately shape who she is, but her choices in adulthood would prove to be more demanding of her best efforts. Her adventurous and courageous spirit is her guiding force as she flounders through life desperately seeking her waters of peace and balance. She is persistently striving for purpose and meaning. Despite a multitude of obstacles, losses, and responsibilities throughout her life; she bravely clings To The hope of true happiness by openly sharing her stories of challenge. She does this with the curiosity to learn not only about life And The people around her, but especially about herself; with optimism, adventure, enthusiasm and rediscovery. She is not unlike many who face adversity in life, but she finds that her final revelation about herself will be the one challenge that will ultimately test her true mettle.

An Unforgettable Salute Col. John R. Gouin, 2010-09-30 It all seemed so picture-perfect. It was a typical fall evening in Woonsocket, Rhode Island, in 1965 when John Gouin, a twelve-year-old boy with big dreams came home from football practice and sat down at the dinner table with his mother. But when the front door slammed loudly shut, John and his mother anticipated the worst. His father was a man lost within his own anger. In his compelling memoir, *An Unforgettable Salute*, Gouin chronicles his lifelong battle to please his alcoholic father, his attempts to stop the physical abuse, and his journey to psychological and spiritual healing that eventually culminated in a heartwarming final exchange with his gravely ill father. After describing a childhood during which he was physically beaten and emotionally scarred, Gouin details his dream of playing in the NFL, which lasted until a devastating injury ended his football career. After struggling to find his calling, Gouin eventually joined the army, where he had a life changing experience with God paving the road for him to leave a life of violence. The military taught him self-discipline and the necessary leadership skills that later guided him to achieve

professional success as a podiatric surgeon, a Colonel in the U.S. Army Reserves and a husband and father. An Unforgettable Salute is the true story of one man who rose from the silent side of abuse to achieve healing, happiness, success, and most of all, peace.

Michael Jackson Shawn Henning, 2010-06-17 Shawn Hennings new book is a powerful and overwhelming tribute and legacy to Michael Jackson. In one book, hes collected love letters, reflections, eulogies, poems, essays and drawings from people throughout the world who have a special appreciation for the King of Pop, Michael Jackson. I was particularly impressed at the diversity of material, from so many different countries and cultures all of it heartfelt and illuminating. In *We Love You More*, we learn about the many different ways that Michael Jackson affected people from all walks of life. The participants talk about how Michaels music, creativity and pubic example affected their lives and helped them to be better people. The contributions are a wonderful cathartic output to help to come to terms with the loss of Michaels huge talent. They will not only comfort those who have written them, but those who read them. People will learn about the experiences they have in common, with people throughout the world, who followed Michaels career, his music, his good deeds and the example he set for this generation and generations to come. The book will also be of comfort to Michaels own family. They will see that the spirit of Michael will continue in people everywhere and in many ways and for many reasons. Its also fascinating to learn what people have to say about different songs and what they meant to their lives. Im impressed by the diverse elements in the book from eulogies, to memories to poems and beautiful drawings and paintings and even photo montages at the end. Mr. Henning youve done a wonderful service to the Michael Jackson fan community and I commend you. Sincerely yours, Larry Nimmer

Nicotine Gregor Hens, 2017-01-10 NAMED A BEST BOOK OF THE YEAR BY THE ECONOMIST By turns philosophical and darkly comic, an ex-smoker's meditation on the nature and consequences of his nearly lifelong addiction. Written with the passion of an obsessive, Nicotine addresses a lifelong addiction, from the thrill of the first drag to the perennial last last cigarette. Reflecting on his experiences as a smoker from a young age, Gregor Hens investigates the irreversible effects of nicotine on thought and patterns of behavior. He extends the conversation with other smokers to meditations on Mark Twain and Italo Svevo, the nature of habit, and the validity of hypnosis. With comic insight and meticulous precision, Hens deconstructs every facet of dependency, offering a brilliant analysis of the psychopathology of addiction. This is a book about the physical, emotional, and psychological power of nicotine as not only an addictive drug, but also a gateway to memory, a

long trail of streetlights in the rearview mirror of a smoker's life. Cigarettes are sometimes a solace, sometimes a weakness, but always a witness and companion. This is a meditation, an ode, and a eulogy, one that will be passed hand-to-hand between close friends.

Being Peace (EasyRead Edition) Nhất Hạnh (Thích.), 2008 This recording offers the rare opportunity to listen to Thich Nhat Hanh deliver the teachings that inspired the creation of his best-selling and perhaps most well-known book *Being Peace*, considered a classic of contemporary religious literature. An assembly of 700 people gathered at Green Gulch Farm in Muir Beach, California, on November 3, 1985 to listen to the wisdom and guidance of this world-renowned Vietnamese Buddhist monk. In this talk, Thich Nhat Hanh shows how our state of mind and body can make the world a peaceful place, and teaches us how to transform the very situations that pressure and antagonize us into opportunities for practicing mindfulness.

Deeper Debbie Alsdorf, 2008-02-01 We often believe things about ourselves that do not line up with God's truth. We think our worth is based on performance or possessions, that we have to be perfect to be loved, or that we're too ordinary to be used by God. *Deeper* tears down these lies and teaches women to replace them with four truths from Psalm 139--God knows me, he protects me, he made me, he values me. Using compelling narrative and Scripture, *Deeper* helps women transform their lives by trusting in the reality of God's love. Instead of striving for perfection and worth, readers can rest in the truth that they are his.

Precious and Fragile Things Debby Kruszewski,2022-11-11 Valerie left someone behind. He was everything to her. She was so in love, so young. Then her life was over. She awoke in a new body, never having a chance to mourn the previous one. She struggled with understanding relationships and the roles people played in her life. She never let go of the face of her love from the prior, nor did she let go of the desire for him. She spent years searching and yearning for him. Then she found him. But, it was too late. Valerie discovered an outlet into the afterlife. She bonded with her grandparents in heaven; on earth, she had no relationship with her own mother, brother or sister. She spoke to her grandparents through signs and symbols that got her through life's traumatic twists and turns. She came to understand they all followed the same path of struggling with love, relationships, and the secrets they kept in search of these answers. Valerie went from relationship to relationship, never finding peace, until she broke the cycle. As with life, this novel is about the journey, not the destination.
