Robert Miller

Ella Fitzgerald J. Wilfred Johnson, 2001-01-01 Ella Fitzgerald was one of America's greatest jazz singers. This volume is as complete a discography of her recorded songs as currently seems possible to compile. This volume also contains a complete discography (1927-1939) for drummer and bandleader Chick Webb, with whom Ella began her recording career in 1935. Part One includes a chronological listing of all known recorded performances of both Chick Webb and Ella. Part Two gives the complete contents of Ella's LPs and CDs, including track listings, titles (with lyricists and composers) and timings. Part Three is an annotated alphabetical listing of all songs contained on all of Fitzgerald's records, with detailed information on each song's composer, lyricist, and history. Reviews of the movies in which Ella appeared and surveys of her career with the Decca, Verve and Pablo music companies are included. The book also has an index of album and CD recordings, and composers, lyricists and musicians.

A Simple Recipe for How to Change the World (And How I Have Tried to Do So) Michael Stevens, 2022-04-05 “A Simple Recipe for How to Change the World” will inspire folks to act on their dreams; will motivate, inspire, encourage, and challenge people to be creative and submit ideas and not be silent and fear rejection, criticism, or ridicule. The book describes a simple recipe for how you can change the world—even if “your world” is just your home, community, or your workplace. If there ever was a time where innovation, new ideas were needed to improve our world, that time is now. Four stages in the evolution of an idea and the eight-step process, “Suggestions Made Easy,” will demonstrate how to get ideas adopted. The book chronicles examples for how, through a 30-year career the author sought to bring about change.

Introducing Philosophy: Knowledge and Reality Jack S. Crumley II, 2016-08-15 This book introduces the central issues of metaphysics and epistemology, from skepticism, justification, and perception to universals, personal identity, and free will. Though topically organized, the book integrates positions and examples from the history of philosophy. Plato, Descartes, and Leibniz are discussed alongside Quine, Kripke, and Haslanger. Peripheral ideas and related historical asides are offered in boxes interspersed within the text, providing further depth without disrupting the author's lucid explanations of central

themes and arguments. Original illustrations by Gillian Wilson are included throughout, giving interesting and clear visual representations of many of the book's examples and thought experiments.

Life, 1969

Reflections from Outside the Margins Robert Miller, 2010-04-08 The book is a collection of reflections of the author about life issues. These reflections are about many of the questions that most of us deal with on a daily basis. The book sometimes deals with these issues in a humorous way, sometimes sarcastic. Central to the book are scriptures that support and give direction to these everyday topics. The book endeavors to give the reader help in dealing with topics that are struggles; it also brings into focus our real place in life and how to arrive at answers to difficult questions. The author intends to reach out to those of us who are living on the fringe of life.

Street Scriptures Alejandro Nava, 2024-05-31 This book explores an important aspect of hip-hop that is rarely considered: its deep entanglement with spiritual life. The world of hip-hop is saturated with religion, but rarely is that element given serious consideration. In *Street Scriptures*, Alejandro Nava focuses our attention on this aspect of the music and culture in a fresh way, combining his profound love of hip-hop, his passion for racial and social justice, and his deep theological knowledge. *Street Scriptures* offers a refreshingly earnest and beautifully written journey through hip-hop's deep entanglement with the sacred. Nava reveals a largely unheard religious heartbeat in hip-hop, exploring crosscurrents of the sacred and profane in rap, reggaeton, and Latinx hip-hop today. Ranging from Kendrick Lamar, Chance the Rapper, Lauryn Hill, Cardi B, and Bad Bunny to St. Augustine and William James, Nava examines the ethical-political, mystical-prophetic, and theological qualities in hip-hop, probing the pure sonic and aesthetic signatures of music, while also diving deep into the voices that invoke the spirit of protest. The result is nothing short of a new liberation theology for our time, what Nava calls a street theology.

From the Heart Sandra Jackson, 2008-10-27 God has truly, poetically enhanced the actual pages of my mind. During the course of writing this book; I asked God as in II Timothy 1:6 to stir up the gift that was inside of me. I can truly say that God has done just that. From the style of my writing to the message and even in my walk with Christ, there has been a spiritual growth. To God be the glory! I pray this book inspires and encourages you greatly; so that this labor of love will not be in vain. Yours in Christ, Sandra Jackson

Man on Purpose David Johnson, 2019-10-11 When the first man Adam heard the voice of God walking through the Garden of Eden, he hid himself. The Bible says that he hid himself because he was naked. To uncover a good application, let's examine the word naked. May I suggest that he hid himself because he was unprepared, misinformed, or simply not ready? He was perhaps (as are many men today) not in place nor proper form. He was not dressed. He was not adorned with a sense of power or purpose. He had no strength or motivation! Perhaps he was in a position of authority, but powerless to perform

the expectations and duties of the position he held. He was supposed to make things better, but he made a mess of almost everything he touched, because he did not understand his purpose! He did not understand his relationship to what he touched, nor did he understand himself. Adam hid himself then, as many men hid themselves today. Adam was not functioning according to his created purpose. What was his created purpose and why did he cover himself with fig leaves? I will answer the question of his created purpose directly in chapter 3 of this book. For now, let's talk about the fig leaves. Today's man covers himself with fig leaves called crime; theft, murder, rape, and domestic violence to name a few. They end up incarcerated, imprisoned, and extricated from the place of purpose! Today's man hides from child support or they hide themselves from the child and family altogether! Some become career criminals, effectively wasting their lives away. All too often, men seem to seek and discover ways to be absent. When he does not fix the problem, the problem fixes him. What he will not control begins to control him. What he refuses to master now masters him, and thus begins the societal reality and the sad plight of fatherless young men. Women are left alone to rear and train and to raise them! God asked the question, Adam, where art thou? So with the same intention of calling men out of obscurity and into accountability and presence, I now also ask, Men, where are you?
