Mike Miley

Such Great Heights Chris DeVille, 2025-08-26 The definitive history of twenty-first-century indie rock—from Iron & Wine and Death Cab for Cutie to Phoebe Bridgers and St. Vincent—and how the genre shifted the musical landscape and shaped a generation Maybe you caught a few exhilarating seconds of “Teen Age Riot” on a nearby college radio station while scanning the FM dial in your parents’ car. Maybe your friend invited you to a shabby local rock club and you ended up having a religious experience with Neutral Milk Hotel. Perhaps you were scandalized and tantalized upon sneaking Liz Phair’s Exile in Guyville from an older sibling’s CD collection, or you vowed to download every Radiohead song you could find on LimeWire because they were the favorite band of the guy you had a major crush on. However you found your way into indie rock, once you were a listener, it felt like being part of a secret club of people who had discovered something special, something secret, something superior. In *Such Great Heights*, music journalist Chris DeVille brilliantly captures this cultural moment, from the early aughts and the height of indie rock, until the 2010s as streaming upends the industry and changes music forever. DeVille covers the gamut of bands—like Arcade Fire, TV On The Radio, LCD Soundsystem, Haim, Pavement, and Bon Iver—and in the vein of Chuck Klosterman’s *The Nineties*, touches on staggering pop culture moments, like finding your new favorite band on MySpace and the life-changing O.C. soundtrack. Nerdy, fun, and a time machine for millennials, *Such Great Heights* is about how subculture becomes pop culture, how capitalism consumes what’s “cool,” who gets to define what’s hip and why, and how an “underground” genre shaped our lives.

Top 1200 Great Songs by 100 Artists Bold Rain, 2016-04-04 What are the Top 20 popular songs by Michael Jackson on Youtube Have you heard this beautiful song Mary J. Blige, U2 - One before? Some of them have even more: Top 20 songs or Top 30 songs. Total combined views of 1200 songs is 157,444,346,071. More than 100 millions views per song. As of February 1, 2016.

21st Century Media and Female Mental Health Fredrika Thelandersson, 2022-10-22 This open access book examines the conversations around gendered mental health in contemporary Western media culture. While early 21st century-media was

marked by a distinct focus on happiness, productivity and success, during the 2010s negative feelings and discussions around mental health have become increasingly common in that same media landscape. This book traces this turn to sadness in women's media culture and shows that it emerged indirectly as a result of a culture overtly focused on happiness. By tracing the coverage of mental health issues in magazines, among female celebrities, and on social media this book shows how an increasingly intimate media environment has made way for a profitable vulnerability, that takes the shape of marketable and brand-friendly mental illness awareness that strengthens the authenticity of those who embrace it. But at the same time sad girl cultures are proliferating on social media platforms, creating radically honest spaces where those who suffer get support, and more capacious ways of feeling bad are formed. Using discourse analysis and digital ethnography to study contemporary representations of mental illness and sadness in Western popular media and social media, this book takes a feminist media studies approach to popular discourse, understanding the conversations happening around mental health in these sites to function as scripts for how to think about and experience mental illness and sadness

The Lana Del Rey Quiz Book Chris Cowlin, 2012-08-15 Are you a fan of singer-songwriter Lana Del Rey? Have you followed her rise to fame from YouTube wannabe to award-winning performer? Do you know everything there is to know about the shy American? If you like Lana and want to find out more about her, why not dip into this new quiz book? The Lana Del Ray Quiz Book is a fun way to learn more about your favourite singer and will appeal to anyone who has supported her career to date. If you like Lana, you will love this book.

David Lynch's American Dreamscape Mike Miley, 2025-01-09 How are David Lynch's films as much in dialogue with literary and musical traditions as they are cinematic ones? By interrogating this question, David Lynch's American Dreamscape broadens the interpretive horizons of Lynch's filmography, calling for a new approach to Lynch's films that goes beyond cinema and visual art to explore how Lynch's work engages with literary and musical works that have shaped the American imagination. As much as Lynch stands as a singular artistic voice, his work arises from and taps into the cultural zeitgeist in a way that illuminates not only his approach to creativity but also the way works interact with each other in an age of mass media. From children's literature to teen tragedy ballads, Nathanael West and Cormac McCarthy to folk music and mixtapes, David Lynch's American Dreamscape investigates the cultural frequencies Lynch's films tune into and positions Lynch's work as a conduit for American popular culture, a medium or channel through which the subconscious of American life finds its way into full view. The book expands upon this approach by discussing how artists such as David

Foster Wallace and Lana Del Rey graft Lynch's affiliative, cinematic sensibility onto their own projects. Reading their work as intertextual engagements with Lynch's films further illustrates the versatile interactions among creators and audiences to generate more works, readers, and readings.

The William Howard School Review - Edition 2 ,

Lana Del Rey - Born to Die (Songbook) Lana Del Rey, 2013-02-01 (Music Sales America). Lana Del Rey has her finger on the pulse of pop culture. Brand Hacks Emmanuel Probst, 2021-09-07 economics; consumer behavior; advertising; branding; brand advertising; advertising campaigns; consumer psychology; marketing; market research; digital marketing; fortune 500; business; business development; business analysis; ipsos; dr emmanuel probst; Every year, brands spend over \$560 billion (and counting) to convince us to buy their products. Yet, as consumers we have become insensitive to most advertising. We easily forget brands and may switch to another product on a whim. There are ways for brands to break this cycle. Brands that succeed are the ones that help us find meaning. In this process, the brands become meaningful in and of themselves. Brand Hacks takes you on an exploratory journey, revealing why most advertising campaigns fail and examining the personal, social, and cultural meanings that successful brands bring to consumers' everyday lives. Most importantly, this book will show you how to use simple brand hacks to create and grow brands that deliver meaning even with a limited budget. Brand Hacks is supported by in-depth research in consumer psychology, interviews with industry-leading marketers, and case studies of meaningful brands, both big and small.

Turning the Page Angus Phillips, 2014-02-05 This is an exciting period for the book, a time of innovation, experimentation, and change. It is also a time of considerable fear within the book industry as it adjusts to changes in how books are created and consumed. The movement to digital has been taking place for some time, but with consumer books experiencing the transition, the effects of digitization can be clearly seen to everybody. In *Turning the Page* Angus Phillips analyses the fundamental drivers of the book publishing industry - authorship, readership, and copyright - and examines the effects of digital and other developments on the book itself. Drawing on theory and research across a range of subjects, from business and sociology to neuroscience and psychology, and from interviews with industry professionals, Phillips investigates how the fundamentals of the book industry are changing in a world of ebooks, self-publishing, and emerging business models.

Useful comparisons are also made with other media industries which have undergone rapid change, such as music and newspapers. This book is an ideal companion for anyone wishing to understand the transition of the book, writing and publishing in recent years and will be particularly relevant to students studying publishing, media and communications.

Arrangements in Blue: Notes on Loving and Living Alone Amy Key, 2023-05-09 [*Arrangements in Blue*] reflects on a life spent as a single woman and how that affects friendships, freedom, domesticity, family, sexuality, the psyche, the self. It observes things about being alone that I have never seen or heard articulated before.... beautiful, effortless.... I haven't been so obsessed with a book in a long time. —Dolly Alderton “The poet Amy Key’s first book might be the most hyped memoir of 2023 (or at least a close second to *Spare*)... This raw, gorgeous, pulsing memoir is...the harbinger of a real talent.” —Laura Hackett, *Sunday Times* [UK] Amy Key—a writer “of rare and strange magic” (*Guardian*)—probes the art of living without romance in this soul-stirring debut. When British poet Amy Key was growing up, she envisioned a life shaped by love—and Joni Mitchell’s album *Blue* was her inspiration. “Blue became part of my language of intimacy,” she writes, recalling the dozens of times she played the record as a teen, “an intimacy of disclosure, vulnerability, unadorned feeling that I thought I’d eventually share with a romantic other.” As the years ticked by, she held on to this very specific idea of romance like a bottle of wine saved for a special occasion. But what happens when the romance we are all told will give life meaning never presents itself? Now single in her forties, Key explores the sweeping scales of romantic feeling as she has encountered them, using the album *Blue* as an expressive anchor: from the low notes of loss and unfulfilled desire—punctuated by sharp, discordant feelings of jealousy and regret—to the deep harmony of friendship, and the crescendos of sexual attraction and self-realization. Finding solace in Mitchell’s songs, Key plumbs *Blue*’s track list for themes that resonate with her heart’s seasons. Listening to the song “California,” she explores the mixed emotions that come with traveling alone in a world built for couples; she juxtaposes the lonely lyrics of “My Old Man” with the pleasurable art of curating a perfect apartment for one; and with the utmost tenderness, she parses out her decision to not have children with the eloquent “Little Green.”

Mapping the evolution of her early conceptions of love through her adulthood, Key offers a tender and nakedly candid celebration of the many forms of intimacy that often go unnoticed. An essential work for both the single and the partnered, *Arrangements in Blue* is a bold manual for building a life on your own terms.

Lana Del Rey Primo Scagnetti,2023-03-07 A simple pairing of the alphabet and 26 songs spanning the career of singer/songwriter Lana Del Rey, some as early as from her 2008 EP *KILL KILL*, released under the name Lizzy Grant.

The First Collection of Criticism by a Living Female Rock Critic Jessica Hopper,2021-07-06 Jessica Hopper's criticism is a trenchant and necessary counterpoint not just on music, but on our culture at large. —Annie Clark, *St. Vincent* An acclaimed, career-spanning collection from a fiercely feminist and revered contemporary rock critic, reissued with new material Throughout her career, spanning more than two decades, Jessica Hopper, a revered and pioneering music critic, has examined women recording and producing music, in all genres, through an intersectional feminist lens. *The First Collection of Criticism by a Living Female Rock Critic* features oral histories of bands like Hole and Sleater Kinney, interviews with the women editors of 1970s-era *Rolling Stone*, and intimate conversations with iconic musicians such as Björk, Robyn, and Lido Pimienta. Hopper journeys through the truths of Riot Grrrl's empowering insurgence; decamps to Gary, Indiana, on the eve of Michael Jackson's death; explodes the grunge-era mythologies of Nirvana and Courtney Love; and examines the rise of emo. The collection also includes profiles and reviews of some of the most-loved, and most-loathed, women artists making music today: Fiona Apple, Kacey Musgraves, M.I.A., Miley Cyrus, Lana Del Rey. In order for the music industry to change, Hopper writes, we need “the continual presence of radicalized women . . . being encouraged and given reasons to stay, rather than diminished by the music which glues our communities together.” *The First Collection of Criticism by a Living Female Rock Critic*—published to acclaim in 2015, and reissued now with new material and an introduction by Samantha Irby—is a rallying cry for women-centered history and storytelling, and a groundbreaking, obsessive, razor-sharp panorama of music writing crafted by one of the most influential critics of her generation.

Speak Tunde Oyeneyin,2022-05-03 The Peloton instructor, fitness star, and founder of *Speak* shares her transformative personal journey, during which she learned lessons about loss, love, body image, and self-confidence, offering an accessible blueprint for anyone looking to make a positive change in their lives.

Myface Kevin Landt,2020-10-08 Catfishing can be a deadly business, especially when social media mega-influencer Angela Fox has you in her sights. When Angela Fox's Myface account is selected as Hottest User of the Month, there's only one problem: she isn't real. As the fake Angela takes the world by storm, a group of strangers struggle to escape a twisted web of narcissism, deceit, and revenge. L.A. hotshot Sebastian Shafer is so desperate to get a job, he creates an elaborate plan to convince his future employer that, if hired, Sebastian's association with Hollywood socialite Angela Fox will bring in the sales. The only issue is he needs to convince the world that she actually exists. Angela draws more attention than

Sebastian anticipated when her profile gains millions of followers and fame seekers desperately try to catch her attention. But things really get out of control when a handsome young stage-play director winds up dead. The question is who pulled the trigger? This thrilling novella is sure to have you captivated from page one.

The chart dates are the Saturday of each week and the charts are published on Sunday, 6 days before.

The Last Great American T. A. Pulliam, 2020-09-02 Book Delisted

WILD ROMANCE Kate Bridges, 2024-12-18 Fuck, she moans, her voice breaking as my finger slips between her slick folds, teasing, testing, owning. More, Giana demands, her breathless tone laced with frustration and need. I smirk, tilting my head to meet her fiery gaze. Is that how we play, baby? You know the rules. You don't make demands. I do. Her lips curl into a defiant grin, but the way her thighs quiver tells me everything I need to know. I'm not going to beg you, she whispers, but there's a crack in her voice—a plea buried just beneath her bravado. I pull my hand away, sliding my finger deliberately slow along her sensitive clit, just enough to tease, just enough to make her body tremble with anticipation. Oh, you will, Giana, I murmur, my voice dark and low. Because I know exactly what you need. And I'm the only one who can give it to you. Her hands clutch at my shoulders, nails digging in as her hips buck instinctively, desperate for more of my touch. I'm going to fucking kill you— What was that? I cut her off with a wicked grin, pulling my hand away completely. The sharp inhale she takes is music to my ears. She huffs, realizing just how serious I am. Nico, she mutters, almost too low for me to hear. Please. I pause, letting her word hang in the air between us as my lips graze the curve of her neck. That's a start, I whisper against her skin, sucking softly before biting down, marking her as mine. But you can do better than that. Her resolve crumbles under my hands, her voice trembling as she finally breaks. Fuck—please. Nico, I need you. Touch me. Please. I smile against her neck, savoring the sound of her surrender. My teeth graze her skin one last time before I pull back to admire her. She's breathtaking—hair mussed, lips swollen, her chest heaving with every shaky breath. A desperate, beautiful mess. And all of it is for me. That's my girl, I murmur, my fingers trailing down her body again, this time with purpose. This time, I'll give her everything.

Pandora's Inner Goddess MM Gibbons, 2012-11-04 When youthful graduate rookie journalist Milad Brown meets erotic novelist and publishing sensation Pandora Poste, he is blown off the course of his previously contented life. Sharing a scruffy flat with his mate Sparky in a quiet Sussex town, he loves everything about his life - his gang of mates, his football, his first job on the local newspaper, his local pub, and his family. Relatively unworldly, girls are no immediate priority for Milad...until he is sent to interview Pandora. Sucked into her media and publishing entourage, Milad is twice contractually engaged.

There is a contract of employment and a contract to submit - and they are not so subtly inter-linked. Embracing both with gusto and the pink secrets that Pandora keeps hidden from public view, Milad sets out on an emotional and painful voyage.
