The Letter to the Ephesians Peter Thomas O'Brien, 1999 From a foremost authority on the New Testament comes a major new commentary on Ephesians -- a letter of truth, love, and unity to our superficial world. This newest volume in the Pillar New Testament Commentary series provides a rich exposition of Ephesians, one of the most significant documents ever written. Using the fruits of recent biblical research, Peter O'Brien shows how Ephesians sums up God's magnificent plan of salvation in Christ and spells out his divine purpose for believers today. A model of the scholarly excellence characteristic of the entire PNTC series (which now features a striking new jacket design), O'Brien's Ephesians will become the standard work on this profoundly influential book. - Publisher.

Constructing Paul Luke Timothy Johnson, 2020-03-05 First of a two-volume work providing a framework for understanding the life and thought of the apostle Paul In this methodological tour de force, Luke Timothy Johnson offers an articulate, clear, and thought-provoking portrait of the life and thought of the apostle Paul. Drawing upon recent developments in the study of Paul, Johnson offers readers an invitation to the Apostle Paul. Rather than focusing on a few of Paul's letters, Johnson lays out the materials necessary to envision the apostle from the thirteen canonical letters of Paul and the Acts of the Apostles. Constructing Paul thus provides a framework within which an engagement with Paul's letters can take place. Johnson demonstrates the possibility of doing responsible and creative work across the canonical collection without sacrificing literary or historical integrity. By bringing out the facets of the apostle from the canonical evidence, Johnson shows the possibilities for further and better inquiry into the life and thought of Paul. This first volume imagines a plausible biography for Paul and serves as an introduction to the studies in the second volume. Constructing Paul addresses all the pertinent questions related to the study of Paul. Johnson uses the canonical material as building blocks to make a case for why Paul ought to be heard today as a liberating rather than oppressing voice.

Wealth in Ancient Ephesus and the First Letter to Timothy Gary G. Hoag, 2015-10-16 Scholars are divided in their

views about the teachings on riches in 1 Timothy. Evidence that has been largely overlooked in NT scholarship appears in Ephesiaca by Xenophon of Ephesus and suggests that the topic be revisited. Recently dated to the mid-first century C.E., Ephesiaca brings to life what is known from ancient sources about the social setting and cultural rules of the wealthy in Ephesus and provides details that enhance our knowledge of life and society in that place and time. In this volume, Hoag introduces Ephesiaca and employs a socio-rhetorical methodology to explore it alongside other ancient evidence and five passages in 1 Timothy (2:9-15; 3:1-13; 6:1-2a; 6:2b-10; and 6:17-19). His findings augment our modern conception of the *Sitz im Leben* of the wealthy in Ephesus. Additionally, because Ephesiaca contains some rare terms and themes that are found in 1 Timothy, this groundbreaking research offers fresh insight for biblical reading and interpretation.

ENGLISH FOR SOCIAL WELFARE TIM LC UMM,2020-08-10 English for Social Welfare is written to fulfill students' needs to learn English for Specific Purposes. This book is designed to provide an opportunity for the students to develop their English skills more communicatively and meaningfully. It consists of twenty eight units. Each unit presents reading, writing, and speaking section. Reading section consists of pre-reading, reading comprehension, and vocabulary exercises related to the topic of the text. In writing section, some structure and sentence patterns are completed with guided writing exercises. Meanwhile, in speaking section students are provided with models and examples followed by practical activities which are presented in various ways. The materials have been arranged and graded in accordance with their language levels. Above all, to improve the quality of this textbook, criticisms and suggestions for better editions are highly appreciated.

The Letter to the Ephesians Constantine R. Campbell,2023-05-04 A clear and comprehensive commentary on Paul's Letter to the Ephesians. In the latest Pillar New Testament Commentary, Constantine R. Campbell illuminates the Letter to the Ephesians with scholarly precision and pastoral warmth. In line with the christological concerns of the letter, Campbell calls special attention to its theme of union with Christ. His thorough analysis covers a breadth of topics, including salvation and grace, the glory of God, and the church and its mission. Aimed at students and scholars of the Pauline letters, Campbell's commentary carefully explains each verse of Ephesians with attention to historical and linguistic context. Yet the commentary prioritizes imminent theological concerns and remains accessible to any serious reader of the New Testament.

From a "Race of Masters" to a "Master Race": 1948 to 1948 A.E. Samaan,2020-11-09 Nazism remains an enigma.

Historians do not know whether to slot Nazism as a phenomenon of the political “right” or “left,” largely because of a misunderstanding of how central eugenics was to the regime. Eugenics, or “racial hygiene,” was at the core of National Socialism’s domestic policy, foreign policy, culture wars, and even Hitler’s obsession with cars, highways, and city planning. Thus, no coherent understanding of the regime is possible without first grasping the nature of eugenics. Eugenics did not originate with Nazi Germany. It was the culmination of a worldwide movement that was widely accepted by the global scientific and academic community. This book traces the origins of the Nazi eugenics state, working backward down the timeline, tracing from leaf down to the root. We investigate this 100-year trajectory from its beginnings in British and American Academia, delving into the conveniently forgotten inner-workings of a scientific era, uncovering previously unpublished manuscripts, professional correspondence, and conveniently forgotten publications. With the centenary of The Holocaust looming, uprooting the web of professional connections that engendered this movement is in order. The seeds of Holocaust denial take root and prosper with misinformation. Clarity and transparency are imperative, as they leave no room for denial theories that would deprive the victims of justice, or rob the living of a future. FOR MORE INFORMATION ON THE EUGENICS ANTHOLOGY BOOK SERIES, PLEASE VISIT: <https://EugenicsAnthology.com> FOR MORE INFORMATION ON THIS SPECIFIC VOLUME, PLEASE VISIT: <https://RaceOfMasters.com> NOTE: A preliminary version of this book was circulated amongst academic circles and other interested parties as an Advanced Readers Copy (A.R.C.) in 2015. This version is a part the Eugenics Anthology seven-book series that is currently being completed by A.E. Samaan. Hardbound versions of the books will not be released until the series is complete, and all the puzzle pieces in place.

The Letter to Philemon Markus Barth, Helmut Blanke, 2000 Although sometimes regarded as trivial because of its brevity or its treatment of issues distant from the modern world, the letter to Philemon remains valuable both for its insight into the social setting of the New Testament and for its reiteration of a central component of the gospel -- brotherly love. This superb commentary by Markus Barth and Helmut Blanke is unique for its exhaustive study of the ancient world at the time Philemon was written. The volume examines the institution of slavery in Paul's day, drawing from secular Greco-Roman sources and from other Christian writers of the time. The references to slavery found in Ephesians, Colossians, and 1 Timothy are also compared and contrasted with Paul's statements in Philemon. In addition, the verse-by-verse commentary focuses on important themes in Pauline theology, including love, faith and faithfulness, church unity, providence, free will, and human responsibility. Finally, Barth makes his exposition even more useful by surveying the history of the interpretation of Philemon, from the patristic age to modern liberation theologians. The product of Markus Barth's lifelong research, this volume was completed by Helmut Blanke.

Motivating Primary-grade Students Michael Pressley, 2003-07-17 What is that intangible force that makes some classrooms positively buzz with interest, attention, and excitement about learning? While motivation can't easily be quantified, few would dispute its essential role in promoting academic engagement and achievement. This uniquely practical book is the first how-to guide on motivating students in grades K-3. Presented are research-based strategies and techniques that are brought to life in three extended case studies of highly successful motivators. Vividly demonstrating how these exemplary teachers flood their classrooms with motivation, the book provides inspiration and practical ideas that readers can implement in their own work. It also guides teachers in recognizing and avoiding key pitfalls--the attitudes, instructional methods, and classroom management approaches that may inadvertently undermine student motivation. Key Features: The first how-to book on this important topic Senior author Michael Pressley is a popular, visible figure with a stellar reputation. Practical, realistic classroom suggestions are illustrated by case material. Appendix provides checklists of what works (and what doesn't) in promoting academic motivation.

Station Master on the Underground Railroad James A. McGowan, 2005-01-01 Thomas Garrett, a Quaker from Wilmington, Delaware, had a genial disposition unless provoked to defend his strong anti-slavery beliefs. Unlike most other white abolitionists who viewed slavery in more abstract and constitutional terms, Garrett, like free black abolitionists and the slaves themselves, saw slavery in very personal terms. He believed so strongly in the Underground Railroad and in helping slaves escape that he chafed under the Quaker belief in non-violence when force seemed to be the only way to win freedom for the slaves he was trying to help. When he died in 1871, Wilmington's black community saluted him as their Moses. *Station Master on the Underground Railroad: The Life and Letters of Thomas Garrett* was an important work in antebellum reform when it was first published in 1977. Author James McGowan disputed earlier arguments that white abolitionists were unified in their opposition to slavery and that they were largely responsible for the success of the Underground Railroad while the escaped slaves were helpless and frightened passengers who took advantage of a well-organized network. The present volume has been revised to include new information on Garrett's relationship with Harriet Tubman and the abolitionist newspaper editor William Lloyd Garrison. It also gives readers a new perspective on Thomas Garrett, recognizing his shortcomings as well as the uncompromising nature of his Quaker faith.

Sacra Pagina: Colossians and Ephesians Margaret Y. MacDonald, 2023-05-30 No two works in the Pauline Epistles resemble each other as closely as Colossians and Ephesians. Often recognized for their majestic tone and powerful theological statement, Colossians and Ephesians also present many challenges of interpretation. Most commentaries on these letters seem preoccupied with the same few issues, particularly the question of authorship. As MacDonald addresses these classic questions, she offers a fresh perspective on Colossians and Ephesians by making use of insights from the social sciences. Moreover, by paying attention to subtle differences between the two letters, she brings their distinct perspectives

into sharp relief. MacDonald highlights the interplay between Colossians and Ephesians and the social life of New Testament communities. She illustrates how the texts reflect ancient cultural values and are influenced by particular aspects of community life such as worship and household existence. In particular, she reflects on the issues faced by these communities as they formed institutions and interacted with the society around them. She shows the struggles of the New Testament communities to survive and maintain a distinct identity in first-century society. Chapters under Colossians are Greeting (1:1-2), Thanksgiving for the Colossians (1:3-8), Prayer on Behalf of the Colossians (1:9-14,) The Christ-Hymn (1:15-20), Application of Hymn to the Situation in Colossae (1:21-23), Paul's Authority in Colossae and Laodicea (1:24-2:7), Debate with the Opponents: The Power of the Risen Christ (2:8-15), Debate with the Opponents: Warnings Against Ascetic Practices (2:16-23), New Life in Light of the Resurrection (3:1-4), Ethical Guidelines for a New Life (3:5-17), The Households of Believers (3:18-4:1), Prayer, Mission, and Contact with Outsiders (4:2-6), Conclusion: Personal Notes and Greetings (4:7-18). Chapters under Ephesians are Greeting (1:1-2), Blessing (1:3-14), Thanksgiving and Prayer (1:15-23), The Consequences of Life Together with Christ (2:1-10), The Unity of Jews and Gentiles Created by Christ (2:11-22), The Apostle as Interpreter of the Divine Mystery (3:1-13), Prayer and Doxology (3:14-21), The Unity of the Spirit (4:1-16), The Sons of Disobedience and the Children of Light (4:17-5:20), The Households of Believers (5:21-6:9), Doing Battle with Evil (6:10-20), Conclusion: Personal Matters and Final Blessing (6:21-24).

"The Concept of the 'Master' in Art Education in Britain and Ireland, 1770 to the Present " Matthew C. Potter, 2017-07-05
A novel investigation into art pedagogy and constructions of national identities in Britain and Ireland, this collection explores the student-master relationship in case studies ranging chronologically from 1770 to 2013, and geographically over the national art schools of England, Ireland, Scotland and Wales. Essays explore the manner in which the Old Masters were deployed in education; fuelled the individual creativity of art teachers and students; were used as a rhetorical tool for promoting cultural projects in the core and periphery of the British Isles; and united as well as divided opinions in response to changing expectations in discourse on art and education. Case studies examined in this book include the sophisticated tradition of 'academic' inquiry of establishment figures, like Joshua Reynolds and Frederic Leighton, as well as examples of radical reform undertaken by key individuals in the history of art education, such as Edward Poynter and William Coldstream. The role of 'Modern Masters' (like William Orpen, Augustus John, Gwen John and Jeff Wall) is also discussed along with the need for students and teachers to master the realm of art theory in their studio-based learning environments, and the ultimate pedagogical repercussions of postmodern assaults on the academic bastions of the Old Masters.

Crusade and Mission Benjamin Z. Kedar, 2014-07-14 This wide-ranging study of medieval Europe's response to the challenge of Islam examines the relationship between ideas of crusade and mission, between European projects for military conquest and those for the conversion of Muslims to Christianity. Covering the years from the emergence of Islam to the

fourteenth century, Benjamin Z. Kedar discusses not only the crusades and the Crusading Kingdom of Jerusalem but also the confrontation of Catholics and Muslims in Sicily and Spain. Originally published in 1984. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Women in the New Testament Bonnie Bowman Thurston, 2004-02-18 Bonnie Thurston examines the personalities, place, and power of women in the New Testament. She provides a cultural and religious context for them by briefly outlining the position of women in the Greco-Roman world. The aim is to reveal the ways in which early Christianity attempted to liberate people from oppression (particularly patriarchy), as well as to point out the places and ways in which the early Christian community compromised with the dominant society.
