Benjamin (fict. name.)

Elson Grammar School Reader, Book 4 William Harris Elson, Christine M. Keck, 1909

Mark Twain's Letters, Volume 4 Mark Twain, 1988 You ought to see Livy & me, now-a-days—you never saw such a serenely satisfied couple of doves in all your life. I spent Jan 1, 2, 3 & 5 there, & left at 8 last night. With my vile temper & variable moods, it seems an incomprehensible miracle that we two have been right together in the same house half the time for a year & a half, & yet have never had a cross word, or a lover's 'tiff,' or a pouting spell, or a misunderstanding, or the faintest shadow of a jealous suspicion. Now isn't that absolutely wonderful? Could I have had such an experience with any other girl on earth? I am perfectly certain I could not. . . . We are to be married on Feb. 2d. So begins Volume 4 of the letters, with Samuel Clemens anticipating his wedding to Olivia L. Langdon. The 338 letters in this volume document the first two years of a loving marriage that would last more than thirty years. They recount, in Clemens's own inimitable voice, a tumultuous time: a growing international fame, the birth of a sickly first child, and the near-fatal illness of his wife. At the beginning of 1870, fresh from the success of *The Innocents Abroad*, Clemens is on the long agony of a lecture tour and planning to settle in Buffalo as editor of the *Express*. By the end of 1871, he has moved to Hartford and is again on tour, anticipating the publication of *Roughing It* and the birth of his second child. The intervening letters show Clemens bursting with literary ideas, business schemes, and inventions, and they show him erupting with frustration, anger, and grief, but more often with dazzling humor and surprising self-revelation. In addition to *Roughing It*, Clemens wrote some enduringly popular short pieces during this period, but he saved some of his best writing for private letters, many of which are published here for the first time.

The Gil Cunningham Omnibus (Books 1-4) Pat McIntosh, 2014-02-14 The Harper's Quine At the May Day dancing at Glasgow Cross, Gil Cunningham sees not only the woman who is going to be murdered, but her murderer as well. Gil is a recently qualified lawyer whose family still expect him to enter the priesthood. When he finds the body of a young woman in the new building at Glasgow Cathedral he is asked to investigate, and identifies the corpse as the runaway wife of cruel, unpleasant nobleman John Semphill. With the help of Maistre Pierre, the French master-mason, Gil must ask questions and seek a murderer in the heart of the city. The Nicholas Feast Glasgow 1492. Gil Cunningham remarked later that if he had

known he would find a corpse in the university coalhouse, he would never have gone to the Arts Faculty feast. In this mysterious adventure Gil Cunningham returns to his old university for the Nicholas Feast, where he and his colleagues are entertained by a play presented by some of the students. One of the actors, William Irvine, is later found murdered and Gil assisted by Alys, begins to disentangle a complex web of espionage and blackmail involving William's tutors and fellow students. Matters are further complicated by the arrival of Gil's formidable mother who is determined to inspect his betrothed. Little do Alys and Gil realise that it will be she who provides the final, vital key to unmask the murderer and lay his motives clear. The Merchant's Mark The barrel should have contained books - instead it held treasure and a severed head... Gil Cunningham and his old acquaintance, Glasgow merchant Augie Morison, expecting a delivery of books from the Low Countries, report the gruesome substitute to the Provost, and at the inquest the next morning Morison is accused of the murder and imprisoned. He appeals to Gil, who sets out with his friend and future father in law Maistre Pierre, the French master-mason, to find the treasure's owner, trace the barrel and identify the dead man. The trail they follow leads them from the court of James IV at Stirling via a cooper's yard in Linlithgow, to another death on the bare slopes of the Pentland Hills. St Mungo's Robin The warden of St Serf's has been found dead in the almshouse garden. He appears to have been killed on the previous night but there are those who are convinced he was present at that morning's service, The elderly residents, the almshouse nurse and Humphrey, her deranged favourite, have all been set against one another by the dead man's scheming - and then there is the discarded mistress and almshouse ghost to consider. Tracing the dead man's last movements between the Cathedral precinct and the shores of the Clyde, Gil Cunningham is both helped and hindered by his two sisters who have come to Glasgow for his wedding to Alys. An uncanny event followed by the arrival of Gil's godfather, precipitates the crisis. Finally, it is Alys who helps Gil identify the warden's killer.

Fool's Gold Mark Y. Herring, 2015-01-09 This work skeptically explores the notion that the internet will soon obviate any need for traditional print-based academic libraries. It makes a case for the library's staying power in the face of technological advancements (television, microfilm, and CD-ROM's were all once predicted as the contemporary library's heir-apparent), and devotes individual chapters to the pitfalls and prevarications of popular search engines, e-books, and the mass digitization of traditional print material.
