The Housewife Assassin's Recipes for Disaster Josie Brown, 2013-12-03 Donna must stop the assassinations of both US political parties' presidential candidates. But when she discovers she has a long-term vendetta with one of the targets, can she put aside her animosity long enough to save the candidate's life?

ADORABLE YOU: Totlandia - Book 1 Josie Brown, 2014-08-17 THIS IS BOOK 1 IN AN 8-PART EPISODIC SERIES. Each book completes a story arc, but it includes a series cliffhanger that connects Books 1-4; And then Books 5-8. In ADORABLE YOU... The Pacific Heights Moms & Tots Club is the most exclusive children's playgroup in all of San Francisco. For the city's ultra-competitive elite, the club's ten annual spots are the ultimate parenting prize. But not everyone is PHM&TC material. The club's founder, Bettina Connaught Cross, adheres to strict membership rules: Moms only. No single parents or working mothers are allowed. Membership is an arduous commitment. And there's no room in the club for scandal, bad behavior, or imperfection...from tots or their moms. In a world of power and prestige, no one has more than Bettina. And as every mom in Pacific Heights knows, you simply cannot cross her. But this year's admissions process is more rigorous than ever, pitting prospective members against each other to prove their mettle. But four of the six candidates vying for the remaining four slots have a secret that would knock them out of the running. Jade is a former stripper and porn actress, who has been absent for most of her son's life. Jillian's husband cleaned out their joint accounts and left her for his pregnant assistant. Ally never even had a husband—just a sperm donor—and she's hiding a high-ranking corporate job. And Lorna fears that her son may have special needs... just the excuse her sister-in-law, Bettina, needs to deny her entry to the club. Can these hopeful moms keep up appearances long enough to outlast the competition? Or will their chances—and their private lives—go up in flames? Friendship. Lies. Seduction. Betrayal. Welcome to the Pacific Heights Moms & Tots Club. THE REVIEWS ARE ECSTATIC "With affairs, pending divorces, secret jobs, and unsavory pasts, each wannabe member hides something that could blow her chances for good. The women in Pacific Heights might be over-the-top, but in the end, the best interests of

their kids are (almost) always at heart. Laugh-out-loud funny and sometimes touching, the Totlandia novellas serve as the perfect quick read for busy moms or anyone looking to escape with some gossipy fun.” — Examiner.com “This book is wonderfully written and has more than just drama. There are touching moments, parts that made me laugh out loud, and as I read the story I felt like I was reading a television show!” Divine Secrets of a Domestic Goddess “Josie Brown writes with her usual storytelling flair. The dialogue is smooth and flowing. The characters are easy to side with or become angry with, depending on each situation. The scenery is easy to visualize. And we mustn't forget all the sex (blush-worthy, at that) and scandal that is a staple of a true Josie Brown novel. It shows that there are mothers who are human and sometimes screw up even with the best intentions at hand. It's like a soap opera for mommies. Guilty pleasure, anyone?” Melissa Amster, ChickLitCentral.com

Wicked Naughty Love Jennifer Bernard, 2021-07-05 From USA TODAY BESTSELLING AUTHOR Jennifer Bernard comes the next three standalone small-town romances in the Lost Harbor, Alaska series! This charming harbor town is bursting with stories filled with laughter, danger, and lots of sexy sizzle. Each of the books in this box set is a standalone romance, but you'll encounter familiar settings and characters (and I do mean characters!) along the way. This is Alaska, after all, where life on the edge of the wilderness makes for unforgettable romance. *Wicked* in Winter Former party girl Gretel Morrison has vowed to rely on herself instead of her wealthy and controlling family. If she can survive the winter in Lost Harbor, Alaska, she can survive anything—although maybe not the lethally sexy and attractive next-door neighbor, Zander Ross, and the two little brothers he's raising on his own. When a threat to the Ross family surfaces, Zander gets the shock of his life when Gretel steps up with an outrageous idea that might help them both. *Naughty All Night* Lawyer Kate Robinson is lying low at her grandmother's Lost Harbor peony farm, where she used to spend summers. She's always had a knack for trouble, but nothing has prepared her for the likes of “hottie fire chief” Darius Boone. Why not have some harmless naughty fun while she figures out her next move? She never expected the heat the two of them would generate—or to fall so hard. The next time trouble strikes, everything she loves is on the line. *Love at First Light* Private investigator Ethan James' newest case should be simple—it's just a birth-parents search in stunning Lost Harbor. But now he has a sidekick he never expected—the super sexy, endlessly quirky local baker, Jessica Dixon. When these two opposites attract, Jessica may come down to Earth long enough to find love, while Ethan might learn to trust his heart instead of his head...if they make it out of the wilderness alive.

*Fluffy (Do-Over Series #1)* Julia Kent, 2019-04-30 It all started with the wrong Help Wanted ad. Of course it did. I'm a professional fluffer. It's NOT what you think. I stage homes for a living. Real estate agents love me, and my work stands on its own merits. Sigh. Get your mind out of the gutter. Go ahead. Laugh. I'll wait. See? That's the problem. My career has used the term "fluffer" for decades. I didn't even know there was a more... lascivious definition of the term. Until it was too late. The ad for a "professional fluffer" on Craigslist seemed like divine intervention. My last unemployment check was in the bank. I was desperate. Rent was due. The ad said cash paid at the end of the day. The perfect job! Staging homes means showing your best angle. The same principle applies in making a certain kind of movie. Turns out a "fluffer" doesn't arrange decorative pillows on a couch. They arrange other soft, round-ish objects. The job isn't hard. Er, I mean, it is — it's about being hard. Or, well... helping other people to be hard. Oh, man... And that's the other problem. A man. No, not one of the stars on the movie set. Will Lotham - my high school crush. The owner of the house where we're filming. Illegally. In a vacation rental. By the time the cops show up, what I thought was just a great house staging gig turned into a nightmare involving pictures of me with an undressed star, Will rescuing me from an arrest, and a humiliating lesson in my own naivete. My job turned out to be so much harder than I expected. But you know what's easier than I ever imagined? Having all my dreams come true. Read the whole series: Little Miss Perfect (FREE!) *Wicked in Winter* Jennifer Bernard,2020-03-31 Everyone needs a fresh start sometime. For Gretel Morrison, that time is now, and the place is tiny, snowbound Lost Harbor, Alaska. It's about time she learned how to rely on herself instead of her wealthy, controlling family. If she can survive the winter here, she can survive anything—although maybe not the lethally sexy and attractive next-door neighbor, Zander Ross. Zander has his hands full raising his two younger brothers. The last thing he needs is distraction in the form of a spoiled rich girl who has no idea what she's in for. He'd bet anything she won't make it past the next blizzard—although he might not either, not with his sanity intact. With her dazzling smile and lighthearted style, she's everything he's not. And everything he longs for. When a threat to the Ross family surfaces, Zander gets the shock of his life when Gretel steps up with an outrageous idea that might help them both. Can he trust her enough to take a chance? Or will Gretel's mega-millionaire father find a way to ruin their amazing-but-fragile new bond? Alaska winters are always wild, but this one is about to get wicked.

**Ay-Inversion in Tagalog** Patrick Nuhn, 2021-10-11 Tagalog, an Austronesian language, is widely spoken and understood throughout the Philippine archipelago where it served as the basis for the national language Filipino. The language is often cited for its many unusual linguistic properties. Drawing on both spoken fieldwork data and written data from novels, this study investigates several phenomena at Tagalog's interface of information structure and morphosyntax. Aside from the default predicate-initial word order, the Tagalog language has several information-structurally marked constructions that allow other constituents to appear in the sentence initial position. One of these constructions is ay-inversion. Although it is often labeled a topic-marking construction, it is actually far more versatile. This book aims to explore some of its many facets. The investigation of ay-inversion begins with a survey of its various uses that appear in the data, including some that have to date received very little if any attention in the literature, such as reversed ang-inversion, which combines two of the language's inversion constructions. Selected observations are then modeled in Role and Reference Grammar and their implications for Tagalog syntax are explored. Finally, the role of ay-inversion in anaphora resolution is investigated and selected processes are modeled in a frame-based account.

**The Do-Over Boxed Set** Julia Kent, 2022-02-28 Mallory (Fluffy), Persephone (Perky), Fiona (Feisty), and Hastings (Hasty) come from the small town of Anderhill, Massachusetts, with lives that take sudden turns as they get surprise "do-overs" when it comes to love. This boxed set features New York Times bestselling author Julia Kent's first three books in the series, starting with the prequel, *Little Miss Perfect*, which takes place ten years before Book 1, when Mallory Monahan and Will Lotham competed for valedictorian in high school. The nerd and the quarterback have a tantalizing encounter, but what happens when they meet ten years later is unbelievable... Which brings us to *Fluffy* — how Will and Mallory reconnect is a tale of mishaps, misunderstandings, and Mallory's innocent mistake in thinking a job on Craigslist for a "fluffer" meant a house designer. Oops. This boxed set continues with *Perky*, another second-chance "do-over" for Persephone and Parker. Five years ago, he released very, very private photos that turned Perky into a social media sensation in the worst way possible. Hurt and betrayed, she's blocked him from her life and her heart. But what if he didn't do it? And surprise! He's a member of Mallory and Will's wedding party, too. Second chances and do-overs never felt so good... *The Do-Over Boxed Set*
