

Midnight Is The Darkest Hour

Ashley Winstead

Midnight is the Darkest Hour Ashley Winstead, 2023-10-03 From the critically acclaimed author of *In My Dreams I Hold A Knife* and *The Last Housewife* comes *Midnight is the Darkest Hour*, a gothic Southern thriller about a killer haunting a small Louisiana town, where two outcasts—the preacher's daughter and the boy from the wrong side of the tracks—hold the key to uncovering the truth. For fans of *Verity* and *A Flicker in the Dark*, *Midnight is the Darkest Hour* is a twisted tale of murder, obsessive love, and the beastly urges that lie dormant within us all...even the God-fearing folk of Bottom Springs, Louisiana. In her small hometown, librarian Ruth Cornier has always felt like an outsider, even as her beloved father rains fire-and-brimstone warnings from the pulpit at Holy Fire Baptist. Unfortunately for Ruth, the only things the townspeople fear more than the God and the Devil are the myths that haunt the area, like the story of the Low Man, a vampiric figure said to steal into sinners' bedrooms and kill them on moonless nights. When a skull is found deep in the swamp next to mysterious carved symbols, Bottom Springs is thrown into uproar—and Ruth realizes only she and Everett, an old friend with a dark past, have the power to comb the town's secret underbelly in search of true evil. A dark and powerful novel like fans have come to expect from Ashley Winstead, *Midnight is the Darkest Hour* is an examination of the ways we've come to expect love, religion, and stories to save us, the lengths we have to go to in order to take back power, and the monstrous work of being a girl in this world. Where *The Crawdads* Sing meets *Twilight* meets *Thelma and Louise* in this brilliantly realized, totally original thriller. Absolutely sensational—I couldn't put it down. —Clare Mackintosh, New York Times bestselling author

The Whimsical Tales Rohit Bhatia, "She was wrapped in stardust, With twinkling eyes, And magic potions, Flying in her gleaming attire, She wasn't an angel from above, But a fairy in the wonderland." Do you know what magical tales are? Fantasy, legendary heroes, and the supernatural are all featured in magical tales adapted from world classics. Many of the most notable began as folktales or extensive oral pieces, but were eventually written down for future generations' benefit. *Magical Tales* inspires individuals all over the world to be more imaginative. Magical tales, like old age, has its advantages: it has the fantasy, joy, and distinct story line that most adult fiction today avoids in favour of the deeply psycho-analytic and introspective. There are also joyful endings! "The Whimsical Tales" is a book of magic and enchantment, where every story, poem or microtale will take you to a different world. Each work is as whimsical as the sorcery of Hogwarts and definitely gives you the pleasure of reading something mystical. It's a book with contributions from 44 authors from all over the world. "The Whimsical Tales" is a free anthology launched by The Little Booktique Publication in which none of the co-authors are charged a single penny throughout the publishing process.
