

Passages By Gail Sheehy

Gail Sheehy

Passages Gail Sheehy, 1977 When *Passages* was first published in 1976, Gail Sheehy's groundbreaking and brilliant insights into the predictable crises of adult life spoke to millions of readers worldwide. More relevant than ever, this timeless landmark book makes sense of the universal and inevitable passages we experience in our twenties, thirties, forties, and beyond. By illuminating these normal trials of adult life, Sheehy demonstrates how to use each challenge as an opportunity for creative change and growth toward one's full potential. Sheehy plots the inevitable personality and sexual changes with her clearly marked road map of adult life, including Through vivid life stories, eye-opening research, and wise analysis, Sheehy shows a whole new generation how to embrace change and achieve productivity and fulfillment at any stage in life. Book jacket.

New Passages Gail Sheehy, 2011-09-28 THE #1 NEW YORK TIMES BESTSELLER Millions of readers literally defined their lives through Gail Sheehy's landmark bestseller *Passages*. Seven years ago she set out to write a sequel, but instead she discovered a historic revolution in the adult life cycle. . . People are taking longer to grow up and much longer to die. A fifty-year-old woman--who remains free of cancer and heart disease-- can expect to see her ninety-second birthday. Men, too, can expect a dramatically lengthened life span. The old demarcations and descriptions of adulthood--beginning at twenty-one and ending at sixty-five--are hopelessly out of date. In *New Passages*, Gail Sheehy discovers and maps out a completely new frontier--a Second Adulthood in middle life. Stop and recalculate, Sheehy writes. Imagine the day you turn forty-five as the infancy of another life. Instead of declining, men and women who embrace a Second Adulthood are progressing through entirely new passages into lives of deeper meaning, renewed playfulness, and creativity--beyond both male and female menopause. Through hundreds of personal and group interviews, national surveys of professionals and working-class people, and fresh findings extracted from fifty years of U.S. Census reports, Sheehy vividly dramatizes these newly developing stages. Combining the scholar's ability to synthesize data with the novelist's gift for storytelling, she allows us to make sense of our own lives by understanding others like us. *New Passages* tells us we have the ability to customize our own life cycle. This groundbreaking work is certain to awaken and permanently alter the way we think about ourselves. SHEEHY CLEARLY STATES IDEAS ABOUT LIFE THAT HAVE NEVER BEFORE BEEN AS CLEARLY STATED. --Los Angeles Times Book Review AN OPTIMISTIC ANALYSIS OF ADULT DEVELOPMENT IN PESSIMISTIC TIMES. . . It is grounded in the economic and

psychological realities that make adult life so complex today. --The New York Times Book Review

Passages Gail Sheehy, 1976 Identifies patterns of age-related change and compares the developmental rhythms of men and women, deepening understanding of the stresses experienced by couples during the various stages of adult life.

Understanding Men's Passages Gail Sheehy, 1999-05-04 Her stunning bestsellers *Passages* and *New Passages* brilliantly mapped the changes we live through from youth to maturity. Now Gail Sheehy guides contemporary men through the turbulent challenges and surprising pleasures that begin at forty. As a man crosses that threshold, he is bound to ask midlife's most troubling question: Now what? Work anxieties, concerns over sexual potency, marital and family stress, issues of power, all take on new urgency as men contemplate the decades ahead. But as Gail Sheehy reveals in this major new book, midlife is precisely the period when men are most likely to reinvent themselves and become masters of their fate. In *Understanding Men's Passages*, Sheehy offers all men--and the women in their lives--an essential guide to self-discovery. Hundreds of bold, imaginative men--celebrities as well as everyday heroes--share here their most intimate desires, deepest fears, and most fervent cravings for renewal. Decade by decade, Sheehy uncovers the real issues facing men today: finding new passion and purpose to invigorate the second half of their lives, dealing with menopause, surviving job change, enjoying post-nesting zest, defeating depression, and learning what keeps a man young. Informative and inspiring, grounded in fact and full of fascinating life stories, *Understanding Men's Passages* is a landmark that will take its place beside Gail Sheehy's epoch-making *Passages* and *New Passages*.

Passages in Caregiving Gail Sheehy, 2011-05-24 This book is enhanced with content such as audio or video, resulting in a large file that may take longer to download than expected. With 15 videos and text focused on strategies one needs to bear the responsibility of caring for someone close to them, the enhanced e-book of *Passages In Caregiving* takes you by the hand and shows you that you will get through this — and you will do the right things. With empathy and intelligence, backed by formidable research, and interspersed with poignant stories of her experience and that of successful care givers, *Passages in Caregiving* examines the arc of caregiving from the very first signs of trouble — providing invaluable advice and guidance to help turn a stressful, life-altering situation into a journey that can be safely navigated and from which everyone can benefit.

The Silent Passage Gail Sheehy, 2010-06-01 Gail Sheehy's landmark bestseller has become the bible for women concerned about menopause. Since *The Silent Passage* was originally published in the early 1990s, Gail Sheehy, a member of the board of the New York Menopause Research Foundation, has been at the forefront of the newest research on menopause. She has also continued to interview countless women throughout the country on the subject. In this updated and expanded edition, she presents essential new data in chapters on *The Perimenopause Panic*, *Menopause in the Workplace*, *Estrogen and Brainpower*, and *New Frontiers in Treatment*. Candid, enlightening, inspiring, and witty, with the latest information on everything from early menopause to Chinese medicine and natural remedies, *The Silent Passage* is an indispensable

reference for every woman.

Daring Gail Sheehy, 2014-09-02 The author of the classic New York Times bestseller *Passages* returns with her inspiring memoir—a chronicle of her trials and triumphs as a groundbreaking “girl” journalist in the 1960s, to iconic guide for women and men seeking to have it all, to one of the premier political profilers of modern times. Candid, insightful, and powerful, *Daring: My Passages* is the story of the unconventional life of a writer who dared . . . to walk New York City streets with hookers and pimps to expose violent prostitution; to march with civil rights protesters in Northern Ireland as British paratroopers opened fire; to seek out Egypt’s president Anwar Sadat when he was targeted for death after making peace with Israel. Always on the cutting edge of social issues, Gail Sheehy reveals the obstacles and opportunities encountered when she dared to blaze a trail in a “man’s world.” *Daring* is also a beguiling love story of Sheehy’s tempestuous romance with and eventual happy marriage to Clay Felker, the charismatic creator of New York magazine. As well, Sheehy recounts her audacious pursuit and intimate portraits of many twentieth-century leaders, including Hillary Clinton, Presidents George H. W. and George W. Bush, and the world-altering attraction between Margaret Thatcher and Mikhail Gorbachev. Sheehy reflects on desire, ambition, and wanting it all—career, love, children, friends, social significance—and lays bare her major life passages: false starts and surprise successes, the shock of failures and inner crises; betrayal in a first marriage; life as a single mother; flings of an ardent, liberated young woman; her adoption of a second daughter from a refugee camp; marriage to the love of her life and their ensuing years of happiness, even in the shadow of illness. Now stronger than ever, Sheehy speaks from hard-won experience to today’s young women. Her fascinating, no-holds-barred story is a testament to guts, resilience, smarts, and daring, and offers a bold perspective on all of life’s passages.

Hillary's Choice Gail Sheehy, 2000-02-28 Why does she stay with him? Where does she go from here? The author who revealed a generation's *Passages* now answers all the questions about the most talked-about First Lady in American history. In *Hillary's Choice*, Hillary Clinton is rendered fully human for the first time. Here is the life of a woman that is also the story of a marriage--and the drama of a presidency. From her childhood with a demanding father and frustrated mother to her life as a professional wife determined to elect her husband president . . . from the sexual betrayals that nearly broke her to the national scandal that remade her . . . this is the epic journey of a modern American woman, a saga that begins in passivity, moves through self-punishment, and ends in power. Who was the one other woman who posed a serious threat to their marriage? What was the real reason for the health care failure? How did Hillary escape the snare of Kenneth Starr? How has she managed, through it all, to be a good mother? No matter what her future, the mysteries about Hillary Clinton's past have been fully resolved by *Hillary's Choice*, a stunning achievement from a master chronicler of our times.

Spirit of Survival Gail Sheehy, 1986-06-01

Pathfinders Gail Sheehy, 1982 No book in the last decade has changed more lives than Gail Sheehy's groundbreaking

Passages. Now, going beyond Passages in purpose and scope, Gail Sheehy's landmark best-seller explains why some of us overcome life's crises while others do not. Through interviews with hundreds of people of all ages and backgrounds, she has found the true pathfinders - men and women who have discovered uncommon solutions to the predictable crises and unexpected accidents of adult life. In vivid, unforgettable portraits, Gail Sheehy tells their life stories and analyzes the process by which they accumulated confidence, control and courage in their lives. Pathfinders is that rare book which sets you on your own unique path to well-being. No matter what age or which sex you are, you are likely to face many of the following crossroads: Leaving home, choosing a mate, starting a career, turning thirty, considering divorce, deciding whether or not to become a parent, mourning the death of a parent, turning fifty, facing financial disasters, learning how to retire without joining the walking dead - Pathfinders will show you how to turn these life obstacles into opportunities.

Passages in Caregiving Gail Sheehy, 2011-05-24 No one really expects it, but at some time or another, just about everyone has been—or will be—responsible for giving care for a sustained period to someone close to them. Gail Sheehy, who has chronicled every major turning point for modern Americans, knows firsthand the trials, fears, and rare joys of caregiving. Now she takes you by the hand and shows you that you will get through this—and you will do the right things. With empathy and intelligence, backed by formidable research, and interspersed with poignant stories of her experience and that of other successful caregivers, *Passages in Caregiving* examines the arc of caregiving from the very first signs of trouble—providing invaluable advice and guidance to help turn a stressful, life-altering situation into a journey that can be safely navigated and from which everyone can benefit.

Middletown, America Gail Sheehy, 2003-09-02 The single event that we know as 9/11 is over, but the shock waves continue to radiate outward, generated by orange alerts, terrorism lockdowns, and the shrinking of personal liberties we once took for granted. The stories in this book, of real people faced with extraordinary trauma and gradually transcending it, are the best antidote to our fears. *Middletown, America* is a book of hope. All Americans were hit with some degree of trauma on September 11, 2001, but no place was hit harder than Middletown, New Jersey. Gail Sheehy spent the better part of two years walking the journey from grief toward renewal with fifty members of the community that lost more people in the World Trade Center than any other outside New York City. Her subjects are the women, men, and children who remained after the devastation and who are putting their lives back together. Sheehy tells the story of four widowed moms from New Jersey who started out scarcely knowing the difference between the House and the Senate, yet turned their sorrow and anger into action and became formidable witnesses to the failures of the country's leadership to connect the dots before September 11. Sheehy follows the four moms as they fight White House attempts to thwart the independent commission investigating 9/11 and expose efforts at a cover-up. What would become of the young wives carrying children their husbands would never see, wives who had watched their dreams literally go up in smoke in that amphitheater of death across the river? Amazingly, each

finds her own door to the light. Here, too, is the story of the widow and widower who met in the waiting room of a mental-health agency and brought each other back from the brink of despair across a bridge of love. Sheehy also reveals how bereft mothers who will never have another son or daughter found reasons to recommit to life. And she follows in the footsteps of the robbed children, documenting the incredible resilience of four-year-olds, the anger of teenagers, the courage of sisters and brothers. Sheehy follows survivors who escaped the burning towers only to find themselves trapped inside a tower of inner torment, from which it took love, family, and faith to free themselves. She is taken into the confidence of the night crew at Ground Zero, police officers who worked in that pit for eight months straight and then faced the “returning home” phenomenon. She recounts the confessions of religious leaders who struggled to explain the inexplicable to their flocks. Mental-health professionals confide in her, as do corporate chiefs, educators, friends and neighbors, town officials, and volunteers who rose to the occasion and committed themselves to healing their wounded community. As a journalist who conducted more than nine hundred interviews, Gail Sheehy is an impeccable researcher. As a writer with a novelistic gift, she weaves the individual stories into a compelling narrative. Middletown, America illuminates every stage of a tumultuous passage—from shock, passivity, and panic attacks, to rising anger and deep grieving, and on to the secret romances and startling relapses, the realignment of faith, the return of a capacity to love and be loved, and, finally, the commitment to constructing new lives.

The Silent Passage Gail Sheehy, 2001-01-01 Gail Sheehy's landmark bestseller offers women the latest information on everything from early menopause to Chinese medicine and natural remedies, including four new chapters on The Perimenopause Panic, Menopause in the Workplace, Estrogen and Brainpower, and New Frontiers in Treatment.

The Middle Passage James Hollis, 1993 Title #59. Why do so many go through so much disruption in their middle years? Why then? Why do we consider it to be a crisis? What does the pattern mean and how can we survive it? The Middle Passage shows how we may pass through midlife consciously, rendering our lives more meaningful and the second half of life immeasurably richer.

Sex and the Seasoned Woman Gail Sheehy, 2007-01-30 A seasoned woman is spicy. She has been marinated in life experience. . . . She can be alternately sweet, tart, bubbly, mellow. She can be maternal and playful. Bossy and submissive. Strong and soft. . . . The seasoned woman knows who she is. She could be any one of us, as long as she is committed to living fully and passionately in the second half of life. In her most groundbreaking work since *Passages* and *The Silent Passage*, bestselling author Gail Sheehy reveals a hidden cultural phenomenon—increased vitality in women's sex and love lives after fifty. *Sex and the Seasoned Woman* is the story of an intimate revolution taking place under our very noses. Boomer generation women in midlife are open to sex, love, dating, new dreams, exploring spirituality, and revitalizing their marriages as never before. This is a new universe of passionate, liberated women—married and single—who are unwilling to settle for the

stereotypical roles of middle age and are now realizing they don't have to. As life spans grow longer and as societal constraints continue to loosen, older women—once free of the exhausting demands of young children, needy husbands, and demanding careers—find themselves ready to pursue the passionate life. They embrace their “second adulthood” as a period of reawakening. Written in Sheehy's singularly compelling style, combining interviews and research, this book gives voice to more than a hundred fascinating and colorful women. The inspiring stories tell of wives who reinvigorate their marriages after their children leave the nest as well as divorced, widowed, and long-single women who find new dreams and new loves. Sheehy delineates a crucial link between cultivating a new dream and reopening the pathway to intimacy and sexual pleasure. She also examines the latest medical breakthroughs addressing symptoms that have unnecessarily curtailed women's sex lives. From women who find their sexuality reawakened by a younger lover, to couples whose marriages survive health crises and grow stronger, to women who finally find a soulmate in their sixties, to stories from seasoned sirens in their seventies, eighties, and even nineties, these portraits cover an enormous range of experience. In them, Sheehy locates the universal patterns that enable us all to recognize and understand our own lives.

Passages in Caregiving (Enhanced Edition) Gail Sheehy, 2011-05-24 This book is enhanced with content such as audio or video, resulting in a large file that may take longer to download than expected. With 15 videos and text focused on strategies one needs to bear the responsibility of caring for someone close to them, the enhanced e-book of *Passages In Caregiving* takes you by the hand and shows you that you will get through this — and you will do the right things. With empathy and intelligence, backed by formidable research, and interspersed with poignant stories of her experience and that of successful care givers, *Passages in Caregiving* examines the arc of caregiving from the very first signs of trouble — providing invaluable advice and guidance to help turn a stressful, life-altering situation into a journey that can be safely navigated and from which everyone can benefit.

Broken Dreams Mark Jackson, 2021-06-10 The midlife crisis has become a cliché in modern society. Since the mid-twentieth century, the term has been used to explain infidelity in middle-aged men, disillusionment with personal achievements, the pain and sadness associated with separation and divorce, and the fear of approaching death. This book provides a meticulously researched account of the social and cultural conditions in which middle-aged men and women began to reevaluate their hopes and dreams, reassess their relationships, and seek new forms of identity and fresh pathways to self-satisfaction. Drawing on a rich seam of literary, medical, media, and cinematic sources, as well as personal accounts, *Broken Dreams* explores how the crises of middle-aged men and women were shaped by increased life expectancy, changing family structures, shifting patterns of work, and the rise of individualism.

New Dimensions In Women's Health Linda Alexander, 2009-10-09 *New Dimensions in Women's Health*, Fifth Edition, offers a practical approach to understanding the health of women—all races, ethnicities, socioeconomic status, cultures, and

orientations. Objective and data-driven, the Fifth Edition provides solid guidance for women to optimize their well-being and prevent illness and impairment. Each chapter of this book comprehensively reviews an important dimension of a woman's general health and examines the contributing epidemiological, historical, psychosocial, cultural/ethical, legal, political, and economic influences.

Imperfect Passage Michael Cosgrove, 2015-03-03 Turning sixty isn't the end; it's only the beginning. Michael Cosgrove had a beautiful family, a successful career, and a lovely Southern California home overlooking the Pacific Ocean. At age sixty, he decided to leave all that behind to sail around the world. With the vision of rugged individualism and salty tales to share with his grandchildren, Cosgrove quickly realized that sailing around the world wasn't as easy as he had imagined. From a psychotic crewmate, to sleep deprivation and mental breakdowns, to constant storms and hallucinations, Cosgrove rode the waves, trying to keep his idea of "doing something grand" alive. Alone, and thousands of miles away from everyone he loved, he was forced to ask himself one question: What in God's name am I doing here? In his attempt to avoid the inevitable (growing old, weak, frail), Cosgrove runs amok. He breaks his budget to outfit the boat and then refuses to read the manuals. He enters unfamiliar harbors in the dead of night, hires a violent first mate, and sails headlong into ferocious storms. At the same time, he longs for the simpler days when his four daughters were still children, when his first marriage was still intact, and when his dreams were still within reach. Though driven by scenes of sheer terror, absurd folly, and deep inner searching, the tone is always buoyant and laugh-out-loud funny. *Imperfect Passage* is the story of one man's perseverance against Father Time and Mother Nature, proving that with enough will, one can indeed conquer the unconquerable.

A New Look at Love Elaine Hatfield, G. William Walster, 1985 This fascinating review of what social psychologists know about love, sex and intimacy puts to rest some tired clichés on the subject. Begins by asking What is this thing called love? and finds that people distinguish between two kinds of love, passionate love and companionate love. This study answers a variety of questions about love such as: Where is the best place to find someone to love? Do men and women want different things from love? How can couples make love last? Originally published by Addison-Wesley in 1978, it won the American Psychological Foundation National Media Award in 1979.

Passages By Gail Sheehy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Passages By

Gail Sheehy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Passages By Gail Sheehy has opened up a world of possibilities. Downloading Passages By Gail Sheehy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Passages By Gail Sheehy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit

from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Passages By Gail Sheehy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Passages By Gail Sheehy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of

content. When downloading Passages By Gail Sheehy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Passages By Gail Sheehy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
