Bullsh*t Comparisons Andrew Brooks,2024-03-28 Life is complicated, comparisons are easy. We consume enormous quantities of information every day from sources that are reliable, and those less trustworthy, including journalists, politicians, friends and social media. One of the most common tools we use to communicate is comparison. Are we suffering a 'hurricane' of migrants? Do dogs look like their owners? Is Oxford better than Harvard? Metaphors, models and metrics are used to compare anything from schools, to wars, to iconic people. But how helpful are they? What truths do they hide and

what bullsh*t do comparisons propagate? Looking across a fascinating range of situations both familiar and unfamiliar, serious and light-hearted, Bullsh*t Comparisons is a ground-breaking guide to the role of could-be-true but misleading comparisons. It is illuminated by examples spanning the globe from university league tables, to childhood rivalries, politicians' tawdry analogies, the FIFA World Footballer of the year award and Chinese neo-colonialism in Africa. Ideal for anyone interested in critical thinking or who simply wants to be able to spot bullsh*t at twenty paces, this thought-provoking, intelligent and often amusing book will challenge you to think critically about the use of comparison.

Summary of Rick Steves's Rick Steves Portugal Everest Media, 2022-04-09T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 Portugal is a hidden gem in Western Europe that is less touristed than other countries. Its traditional culture is preserved in the fishing town of Porto and the culturally rich capital of Lisbon. While it has experienced some economic success due to its membership in the European Union, it is still a good budget option compared to the tourist-mobbed destinations of Northern Europe. #2 Portugal and Spain use the 24-hour clock for schedules. For anything over 12, subtract 12 and add p. m. (14:00 is 2:00 p.). When giving opening times, include both peak season and off-season hours. #3 Portugal: Past and Present gives you a quick overview of Portugal, from its prehistoric beginnings to the issues it faces today. The appendix is a traveler's tool kit, with telephone tips, useful phone numbers, transportation basics, recommended books and films, a festival list, a climate chart, and Portuguese survival phrases. #4 A smart trip is a puzzle that is doable and worthwhile. It is a fun and worthwhile challenge. It is worth mixing intense and relaxed periods in your itinerary. Assume you will return.
