Secrets of a Marine's Wife Shanna Hogan, 2019-02-26 **Now a TV Movie** In *Secrets of a Marine's Wife*, award-winning journalist and New York Times bestselling author Shanna Hogan tells the true story of a young Marine wife whose illicit affair ended in tragedy. In June 2014, 19-year-old Erin Corwin was living a quiet life in Twentynine Palms, California, expecting her first child with her husband, U.S. Marine Corporal Jon Corwin—until the day she drove off into the desert and never returned. As temperatures climbed into the hundreds, friends and family teamed up with local law enforcement in a grueling search of Joshua Tree National Park. Nearly two months after her disappearance, Corwin's body was found at the bottom of an abandoned mine shaft, a homemade garrote wrapped around her throat. Suspicions mounted within the tight-knit Marine community as residents questioned if the killer was one of their own. Fellow Marine Christopher Lee and his wife lived next door to the Corwins, and the two young couples had leaned on each other for support. But detectives soon discovered that Chris and Erin's relationship had developed into a whirlwind romance that consumed them both and called the paternity of Corwin's baby into question. Lee told investigators he'd been out hunting the day of Corwin's disappearance, but his claims of innocence soon began to crumble. And while Erin was researching baby names, Lee was reportedly searching the internet for ways to dispose of a human body. Through interviews, court records, and extensive research, bestselling true-crime author Shanna Hogan constructs a chilling story of betrayal, deception, and tragedy.

Summary of Shanna Hogan's *Secrets of a Marine's Wife* Everest Media, 2022-07-30T23:00:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 For the past seven weeks, a group of volunteer cavers had been searching for the remains of a missing 19-year-old girl named Erin Corwin, the wife of a Marine. They had narrowed down the search to a group of abandoned mines just outside of Joshua Tree National Park. #2 The last location on the list was a 140-foot deep hole in the shadows of a sheer cliff. The search team had to rig a climbing rope to drop down the center of the mine and avoid touching the walls. #3 Another volunteer, Justin Wheaton, went down the mine another time to get a closer look at the body. He saw what looked like a head and feet, and when he shone the light from his bucket cam down, he saw Erin's body. #4 The recovery began at sunrise on Sunday, as sheriff's detectives, deputies, volunteer rescuers, and five firefighters from the elite San Bernardino County Fire Department's Urban Search and Rescue team made their way to the Mojave.

Secrets of a Gay Marine Porn Star Rich Merritt, 2017-05-31 YES, IT ALL REALLY HAPPENED JUST LIKE THIS... Here's the story of Rich Merritt—the good son, teacher's pet, Southern gentleman, model Christian student at Bob Jones University, Marine officer, and the not-so-anonymous poster boy for a New York Times Magazine article on gays in the military—whose complicated sexual past caused an international scandal when The Advocate “outed” him as “The Marine Who Did Gay Porn,” putting his life in a tailspin. It's the compelling, poignant story of how a boy who never listened to pop music, never cursed, and didn't have his first drink until he was eighteen exploded into a life of drugs, alcohol, promiscuity, prostitution, and pornography. And above all, it's a triumphant story of self-forgiveness and identity, of a man who refused to allow himself to be defined by the standards of anyone else—gay or straight. Along the way, Rich Merritt writes with humor, compassion, insight and naked truth about: • What it's really like growing up behind the “Fortress of Fundamentalism” and how he ultimately came to despise their views • The harsh realities of military life under the “Don't ask, don't tell” Clinton policy • A real insider's experience of working in the male porn industry—the good, the bad, and the extremely hot • Why he chose not to reveal his porn past to the New York Times journalist • What it felt like to be the most notorious marine in the world and what it took to come through the fire By turns harrowing and heartbreaking, angry and affirming, *Secrets of a Gay Marine Porn Star* is that rarest of memoirs—a fascinating slice of life that reads like the most absorbing fiction, but is all true.

Montana Secrets Charlotte Douglas, 2012-05-15 BITTERSWEET REUNION Five years ago, Catherine Erickson's world shattered the day she learned her fiancé, Lieutenant Ryan Christopher, had been killed in an embassy explosion. She'd lost the man she loved—and the father of her unborn child. And it wasn't until the mysterious Trace Gallagher showed up on her ranch with his hauntingly familiar eyes and gentle touch, that she even dared to think about long-forgotten desires.... Seeing Cat again was like coming home. And learning he had a daughter made hiding his identity pure torture. But as a soldier he had a job to do: protect the Ericksons from a man hell-bent on revenge—at all costs. That meant keeping his feelings locked away, no matter how much they begged for release. Or how badly he ached to love Cat once again....

This remarkable story follows the careers of three generations of the Wagner family, from Belleau Woods, to Iwo Jima, to the landing at Incheon to the brutal battles in the Central Highlands of Vietnam. Secrets of the Golden Hourglass William H. Christ Jr.,2017-09-08 Legend has it that Aztec Indians used gold from

their El Dorado claim to build their seven cities of gold. When the Spanish conquistadores came to the Western hemisphere in the 1520s, the Indians flooded their mine. Its location remained a secret until the days of the California Gold Rush, when the Dutchman Mining Company may have rediscovered it. After a short time, a powerful earthquake caused the mine to become lost again. Suddenly, on March 6, 1989, a new entrance to that mine was revealed once more when two construction workers who were excavating a foundation fell into a pit and were killed. The accident occurred on the grounds of the naval training base of Fort Warren, outside of San Diego, along the beautiful Pacific coast. Secret mining operations resumed with government money stolen from the construction project. Shortly thereafter, the discovery of an antique golden hourglass unlocks an adventure tale of cover-ups, greed, kidnapping, and murder. Both naval and civilian personnel face unusual challenges and must make an ultimate sacrifice to appease an ancient Aztec curse.
