The Art of Aesthetic Surgery Foad Nahai, M.D., 2015-05-05 Seldom does a book achieve status as a classic in its first edition, but *The Art of Aesthetic Surgery* by Foad Nahai has been hailed as a masterpiece since its inception. Reviews have been universally laudatory, and residents and experienced practitioners alike have embraced this work as the ultimate resource on all things aesthetic. Now, this landmark work has been totally revised and updated with over 40 new chapters (many with new authors) and every chapter has been revised to reflect the latest trends, techniques, and information. This three-volume set also includes seven DVDs with 24 operative videos. Comprehensive Coverage 93 chapters in three volumes cover the full range of cosmetic medical treatments and aesthetic operations. Topics include: Hair transplantation and brow lift Eyelid surgery Laser resurfacing and chemical peels Tissue fillers and fat grafting Rhytidectomy and face and neck lift Facial implants Rhinoplasty and ptoplasty Lip rejuvenation Breast augmentation, reduction, and mastopexy Surgical, noninvasive, and minimally invasive body contouring Liposuction To address the modern physician's need for business acumen as well as surgical skill, three chapters focus on practice management, ranging from practice model options, staff and financial management, marketing and communications, and legal issues. World-Renowned Authors Dr. Foad Nahai is an acknowledged leader in aesthetic surgery. He has personally written a third of the chapters for this three-volume work. His contributors, representing the who's who of aesthetic surgery, provide detailed accounts of their techniques for the different operations, as well as the planning process so crucial to producing excellent results. Help with Decision-Making Of particular note are the clinical decision-making chapters authored by Dr. Nahai. This invaluable insight provides readers with a unique overview of the various options for each problem, along with his preferred solutions. Complete with algorithms and case studies, this problem-solving feature offers the expert guidance necessary to sort through options, understand their advantages and limitations, and make the best choice for each patient. Necessary Anatomy Key chapters introducing each major anatomic region or topic area focus on applied anatomy and provide essential information that the surgeon needs to know to execute these surgical maneuvers safely and effectively. Reliable Format This new edition maintains the same features that made the previous edition so popular, including beautiful medical illustrations, large type for readability, and a consistent, comprehensive approach. The semi-atlas format features the applicable images located next to legend text for enhanced clarity.

Blackhearts Richard Symanski,2000-01-01 This fascinating book is a firsthand account of the adventures of an ornithological field team studying long-tailed finches in outback Australia. In 1991, Nancy Burley, a noted behavioral ecologist, and her husband, Richard Symanski, went to Australia with their one-year-old son and four American students hired as field assistants and babysitter. The social relationships and problems that developed among these individuals in confined and exotic settings and the scientific discoveries that did—and did not—take place form the heart of the book. Symanski begins by telling how he and his wife set up this elaborate field expedition—including the hiring of what seemed to be qualified, compatible, and knowledgeable field assistants. He then describes the harsh realities of their circumstances in Australia: primitive living conditions on an outback cattle station; field sites and subjects for study that were not as expected; and students who were not prepared for the rigors of field life and who became unenthusiastic about the work for which they had been hired. And he tells how he and his wife strove to overcome all the different challenges with which they were confronted. The book provides insight into the demands of professor-student-based fieldwork, particularly when generational conflicts, differing expectations, and culture shock complicate the “business” of doing science.

The Game of Seduction: how to become a modern-day "Casanova" and take beautiful women to bed. John Lougan, 2023-09-15 Have you ever wondered how the most confident and seductive men manage to attract women so easily? What makes a man irresistible in their eyes? Get ready to discover the secrets behind seduction and become a true master in the game of attraction. In *The game of seduction: how to become a modern Casanova and take beautiful women to bed*, by John Lougan, you will learn how to develop true masculinity, self-confidence, charisma, and presence—qualities that make any man irresistible to women. Written by one of the most influential Brazilian experts in seduction and social dynamics, with over fifteen years of hands-on experience, *The game of seduction* delves into the deep roots of attraction, from its origins, spanning through Don Juan and Giacomo Casanova, and reveals the principles used by the greatest modern masters of attraction, known as Pickup Artists (PUAs), to attract beautiful women and stand out in life, social interactions, and careers. With a practical and direct approach, this book will teach you how to become an Alpha Male, invest in your personal and professional development, achieve financial independence, take care of your health, improve your self-image, body language, style, and even your tone of voice, so you become the kind of man all women notice. You will master the art of interacting with women in any situation, whether at a party, a bar, or even on the phone, day or night. You will learn powerful strategies to create real connections and become a truly irresistible man. This book also includes references to experts on the topics covered, such as Giacomo Casanova, Robert Greene, Eric Weber, Stephen Covey, Maxwell Maltz, Dale Carnegie, James Clear, Neil Strauss, Tom Ford, Albert Mehrabian, Tony Robbins, Erik Von Markovik, among others. The game of seduction is not a book about conquest techniques—it's a true journey of personal transformation. With it, you'll become the kind of man who attracts, seduces, and keeps women in your life. Ready to master the game and make a turnaround in your love life? This book is your passport to real personal change. Transform into the powerful man you've always wanted to be and attract the women you've always desired. Get ready to dominate the game and become a master in the art of seduction through this

fascinating, holistic, and revolutionary book.

Sandwich, With a Side of Romance Krista Phillips, 2012-09-01 Sandwich represents hope for twenty-year-old Maddie

Buckner and Kyle, the eleven-year-old brother Maddie wants to spring out of foster care. Then she loses her new job after less than an hour on the clock. It's all Reuben-the-Jerk's fault, and she's determined to make him right the wrong. He does so, reluctantly, by giving her a job at his restaurant, The Sandwich Shop. Then crazy things start happening at the restaurant, and Kyle's foster parents apply to adopt him. To stop it all, Maddie must learn the art of humbling herself and accepting the help God has arranged, risking her heart to Reuben in the process. And she'd rather eat a million corned-beef on rye sandwiches than do that.

Sweep with Me Ilona Andrews,2020-01-14 A charming, short novella in the Innkeeper Chronicles, from #1 New York Times bestselling author, Ilona Andrews. Thank you for joining us at Gertrude Hunt, the nicest Bed and Breakfast in Red Deer, Texas, during the Treaty Stay. As you know, we are honor-bound to accept all guests during this oldest of innkeeper holidays and we are expecting a dangerous guest. Or several. But have no fear. Your safety and comfort is our first priority. The inn and your hosts, Dina Demille and Sean Evans, will defend you at all costs. [But we hope we don't have to.] Every winter, Innkeepers look forward to celebrating their own special holiday, which commemorates the ancient treaty that united the very first Inns and established the rules that protect them, their intergalactic guests, and the very unaware/oblivious people of [planet] Earth. By tradition, the Innkeepers welcomed three guests: a warrior, a sage, and a pilgrim, but during the holiday, Innkeepers must open their doors to anyone who seeks lodging. Anyone. All Dina hopes is that the guests and conduct themselves in a polite manner. But what's a holiday without at least one disaster?

Murdering Chris-boy Nerissa Hyde, 2019-04-30 Could the police really want to take you into custody for a murder when the murder victim was you? Well, they could if you were Christine, because Christine's life is complicated. In fact she has been living two lives, one as Chris-girl, the other as Chris-boy. Now the police think that Chris-girl has murdered Chris-boy and they have all the CCTV evidence, witnesses, her gun, a knife and forensics to prove it. As prosecutions go, this one should be a slam dunk! And Christine can't produce her own body to prove that she isn't dead because if she does Jade will die. Jade is Chris-boy's girlfriend's daughter and she has been kidnapped by the real murderer, her grandfather, who also happens to be her father. He has also murdered his daughter, who is also Jade's mother, and is busily trying to get Christine framed for this murder too. It's a murder, it's a kidnapping and it's a romance, but above all, it's an adventure.

100 Things to Do in Portland, ME Before You Die, Second Edition Robert Witkowski, 2019-03-11 The original, the authentic, the real Portland is in Maine. Settled in 1633 and officially named in 1788, Maine's largest city is unexpectedly influential in many key events in America's history (including Oregon's city being named after Maine's Portland on a coin flip), but it has managed to remain one of the great American seaport cities on the East Coast. First-time visitors are delighted to discover a "lovely city" when expecting a small fishing town, or to discover a "charming town" when expecting to encounter a overwhelming city . . . but no one ever seems disappointed! Noted as a "U.S. Destination on the Rise" by Trip Advisor for consecutive years, then one better on National Geographic's Best Small City list as the "Most Instagrammed City" the eclectic mix of cosmopolitan city, working waterfront, creative economy, and historical and cultural center appeals to the millions that flock here. What makes this city of only 66,000 so surprising to so many is the number of restaurants, theaters, museums, galleries, and performing arts venues available—rivaling urban areas more than ten times its size. This second edition of 100 Things to Do in Portland, Maine Before You Die gives you life beyond the guidebooks—the real Portland. It's a glimpse into the amazing events, food, activities, and secrets that even locals may not know.
