**The Ghost of You and Me** Colin Blunstone,

**The Ghost Of You** Heather Jayne, 2020-11-02 The Ghost Of You, opens up the complex mystery of love and its associated emotions in poetic justice. Explore feelings both shallow and deep, as you enter a journey of love and deceit and uncover innermost secrets and desires.

**The Ghost of You** H. E. Lewis, 2017-08-15 The story of two brothers, Gray and Mike. They are thrown into a war, as ground soldiers for the US Army. Gray has always been introverted and quiet, which is probably what his cheery, talkative girlfriend likes about dating him. Mike, also quiet, is childish and extroverted. What happens when these two brothers get thrown into battle with their best friends and fellow soldiers?

**The Ghost in You** Shawna Galvin, 2016-05-26 Medical Examiner Paul O'Brien, is called to the scene of Lillith Messinger's suspicious death, he finds her diaries and takes them without anyone knowing. As he gets to know Lillith through her writing, her ghost begins talking to him, and the secrets of her death unfold. **The Ghost of You and Me** Kelly Oram, 2019 A year after his death, Spencer Schott's girlfriend Bailey and his best friend Wes still can't move on with their lives, so it's up to Spencer to return and help them do just that.

*The Ghost in You* Katrina Mountfort, 2018-02-16 What do you do if you're dead but haven't 'moved on'? You keep finding

yourself back where you died, with very little control over when; sometimes you can be away for days, weeks or even months, and then you're back. Between times, when you're 'away', where do you go, what do you do? You've seen some other ghosts asleep at their graves, but you don't even know where your own grave is. The living shiver if they walk through you, but they can neither see nor hear you. With practice you can pass through walls and doors, but curiously you can sit on a park bench without falling through it, climb stairs, even lie on a bed. You're stuck in the clothes you were wearing when you died, at the age you died. Waiting. Then, after years of this intermittent existence, you realise what you have been waiting for, what it is that you have to do in order to finally move on. Just as you have found the best reason to stay. That's what happened to Rowena... A ghost story told from the perspective of the ghost herself, *The Ghost in You* is a first-hand account, from beyond the grave, by an innocent girl who dies before her time and tries to make sense of what is happening to her, while helping her friends and discovering her purpose. **The Ghost of You** Kristen Darling, 2015-08-05 Kaitlyn Vandere just wants to feel safe; safe from the panic attacks she suffers on a regular basis, safe from the ghosts of her troubled childhood, and safe from her damaged heart. When she meets Luke Denevan, the new company IT Director with the dark eyes and the hypnotic smile, she finally understands the meaning of 'love at first sight'. There's only one problem: he's married. Fueled by mutual attraction and undeniable passion, Luke and Kaitlyn embark on a secret affair, until Chris Anderson, a handsome coworker who's madly in love with Kaitlyn, offers her a real chance at love. When tragedy strikes without warning, Kaitlyn realizes the importance of taking a chance and following her heart, but discovers a secret that forces her to make the most difficult decision of her life; a decision that will both alter her future and keep her trapped by her past. Lost love is a tragedy from which many people never recover. The memories that haunt will taint a heart forever, as the constant thoughts of if only... weave their dark magic through thoughts and dreams. But what if you had a chance to reclaim your lost love? Would you take it, despite the obstacles you may face? Would you risk everything for the one that got away?

*The Ghost of You and Me* Joanna Lambert, 2010-09 1972 With baby Lucy's arrival, Ella believes her troubled marriage to Andy Macayne may now stand a chance. However, when he learns that Nina Taylor - his ex-girlfriend and the original cause of their problems - is about to marry one of the richest men in Abbotsbridge, his continuing obsession with her sets in motion a chain of events which will go much farther than merely disrupting her wedding. 1973 June: Matt Benedict, now living and working in New York, arrives to open Zeffirellis his father's latest club and tour the UK with his new star Marcie Maguire. On the opening night Matt and Ella meet unexpectedly - a raw and painful encounter which reopens old wounds. However, later that evening Ella accidentally runs into an old friend from the past and finally learns the truth about the summer of '71. Anxious to see Matt and clear up a whole lot of misunderstanding, Ella's efforts to contact him are successfully frustrated by Marcie - a woman jealously guarding a man she wants for herself. As Marcie and Matt leave for Scotland to start the UK tour,

Ella puts thoughts of him on hold as she confronts the power of the Macaynes and a battle she cannot afford to lose. August: Events at a family christening bring Ella's unscrupulous mother Mel's schemes to a successful conclusion, sending shockwaves through the rest of the family. What she plans to do also threatens to bring dramatic and unwanted changes to the peaceful village of Meridan Cross. September: With the tour finally over, Matt returns home to unexpected news and despite an ultimatum from Marcie that they return to New York immediately, knows he has to stay and find Ella. For Mel everything has gone wrong; her plans are in ruins and she has been abandoned by those she thought she could depend on. Mad with rage and blaming her daughter for all her problems, she is about to take horrific revenge- unless Matt can reach Ella first. *The Ghost of You and Me* is the conclusion of the BEHIND BLUE EYES TRILOGY. Matt and Ella's journey is almost over. Hold your breath.....

*Ghost of You* Dakota Ash, 2018-08-21 Tara had three friends Mary a delicate rich girl, daughter of business tycoons who were never around. Jake a born leader who lives with his mother and kept them all together. Ayden a lonely quiet kid who's shadow loomed further and larger each day.. At a young age Tara knew Ayden was special, as time went by it seemed less and less apparent just how special he was. They were just a group of friends growing up taking in all life had to offer. It was a jumbled hazy mess, you never knew what was lurking in the darkened corners. Communication was hard even between them, growing up together was even harder. Growing up we tend to lose focus of what's important and sometimes we don't realize until the unthinkable happens. We lose touch with ourselves and those around us, delving deeper and deeper into our own strife. We become a ghost of our former selves. Through loss, alcohol, and maybe a cigarette or two we find a journey. Because you're never able to fully enjoy the sunshine without a little rain.

**The Ghost You Deserve** Alicia Sarah Dennis, 2018

**Ghosts of You** Hani'machi -, Independently Published, 2019-08-09 Mix it up love and hate Why don't you choose one? So I can find my self-worth. To those on hands and nails against guilt. Inah is fighting against ghosts she couldn't win without. Four wicked sisters and a pair of lonesome shoulders leave... Can she resurface on the murky water of past and guilt, and the hunting motion? ...the black lake which reminds her the smell of tube color mixed in water... Will she let go of the red hand of destiny or hold on? Publisher comments This book is not what you think it is. This is not another ghost story nor a crime story. It is love and hate mixed up between sisters! My fingers are curling and my heart is breaking! This is the best book you can buy today. It offers a compact, short story without missing all the juicy details. A book for all ages. 'Entertainment and escapism' into a world dark blue-lit guilt and scratching of brown ground in heap to the lake, but gloom with real and dripping tangibleness. Raw feeling of need yearning through the cracks of each characters' hearts. Every turn there's a heart-wrenching drama, twisting and turning and churning the reader's heart. Choose wisely before you decide to turn the page and find out what's in it. It's more close to reality in different version than you know. You'll be hit before you

know it. Do away with common sisters or sibling rivalry book. Delve deeper into the starking reality of a complicated human relationship. Mix it up, love and hate. The author says in the end; all answer is in the book...now, think. When her whole world is tipping on her sisters and threatened to fall apart and crumble, the fight against guilt and shame that tries to swallow Inah up in the dark of night, the way you do you in the light of day, just do you, her sisters sing. Will Inah survive? The main character doesn't feel like a character, she feels too real. The story feels too real. Are you sure this isn't based on real-life event? Inspired maybe? No? Then whoever the next reader will be, here's me saying fall into the story right ahead, head in first, heart second, and discuss the complicated characters, emotion, and feelings. Decipher through each connecting words and sentences. And find out what is not spoken. It's kinda like a puzzle being put together. Not like any sisters drama, nobody gets to be the queen. Dramatic though quiet. But the shame blatant, the denial loud. Little sister is delicate and soft. Intimidating sharp big sister, cold and ignorant, posh and fancy older sisters, reliable-strong-deadly eldest sister. Can it get any more exciting? Running, screaming, crying. Mud splattered girl vs polished building. Shiny present vs a past. Forgiveness, betrayal, scheme, strategy, truth, justice... or burying the hatchet? I didn't see this coming when I got Ghosts of you. There's a certain trend of clarity and tangible reality. I'm Asian by the way, and I think I really like this. We need more Asian literature in here for diversity. But I'm sure the feeling of guilt as best described by the author can be universally felt no matter where you are in the world and what environment you live in or grew up in. **I See You So Close** M Dressler,2020-03-17 The dead and their secrets refuse to stay buried in this thrilling sequel to M. Dressler's award-winning *The Last to See Me*, for fans of Lauren Oliver and Kazuo Ishiguro Emma Rose Finnis has never made peace with her death . . . or with her ghostly afterlife. Finally free from the mansion she haunted for more than a hundred years, she takes on a new, daring form, one that allows her to pass for living among the citizens of the remote Sierra Nevada town of White Bar. But the town is hiding its own deadly truth, buried in its Gold Rush past. As the sleepy town's secrets come to life, they inevitably bring Emma Rose's past back to haunt her. In this second book in M Dressler's Last Ghost Series, Emma Rose must unlock the secrets of the living, the dead, and even of time itself, if she hopes to be more than an endless fugitive and outlast the ghost hunter who relentlessly stalks her.

*Eyes on You* Steven Jenkins,2017

**"My Ghost Would Haunt You"** Prince Ewemade Konkons Author,2024-12-28 In the tapestry of existence, where shadows dance and whispers linger, there lies a tale spun by *My Ghost Will Haunt You*. A tragedy unfolds, the threads of an innocent soul abruptly severed by the blades of authority. Undeterred, this spirit refuses to succumb to the eternal silence. With unyielding spirit, it challenges the shackles of power, echoing through the annals of history. Its whispers, once silenced,

now pierce the veil, igniting a flame that burns brighter than the fires of resistance. Embracing its ethereal existence, the ghost becomes a guardian of untold stories, a scribe for the voiceless. It roams the realms of the forgotten, documenting the horrors that others dare not speak. With unwavering passion, it advocates for authenticity, urging each mortal to pen their own unique narrative. Throughout this poignant tapestry, the ghost's presence serves as a constant whisper, reminding us of the fragility of our time on Earth. It underscores the ephemeral nature of life, a tapestry woven with both virtue and vice. For in the end, all deeds, both righteous and malevolent, shall be judged. The specter of this extraordinary being haunts those who played a part in its untimely departure. Their souls carry the weight of guilt, a relentless torment until they confront their transgressions and seek redemption. It serves as a stark reminder that there are obstacles that cannot be overcome, actions that bear the burden of irreversible consequences. And so, the ghost of this fallen soul will forever linger, a haunting presence that will not rest until justice prevails. In the realm of shadows, where the living and the dead intertwine, its story echoes, a testament to the indomitable spirit that resides within us all.
