Famous Trees Of India London Swaminathan, 2022-08-10 'FAMOUS TREES OF INDIA' is my first book in English. It is a collection of articles written by me in the past 11 years. I have covered the trees as described in the Vedas, Upanishads, classical Sanskrit and Tamil literature, folk tales and temple Sthala Puranas. I have got more articles in my blog which would be published as second part. I have lifted some parts from some books for adding my comments, particularly to compare them with the available materials in Tamil and Sanskrit. I thank those original contributors. Hindus considered plants as Gods or the divine representatives on earth. The emphasis is on optimum use of them without destroying them completely. It is also insisted that it is our duty to raise and preserve them for posterity.

Brahmins In Tamil And Sanskrit Literature London Swaminathan,2024-01-21 This book contains my essays on Brahmins written over a period of ten years. I have given proof for my views from Tamil and Sanskrit literature and other sources. The reason Brahmins were held in high esteem in olden days was their spotless character and honesty. But in course of time, it decreased or disappeared completely in some areas. And they lost the original credibility.

Looking Back Prof. V. Krishnamurthy,2024-04-11 Precious few have lived so complete a life as to encompass so many integral parts of our identity as Indians. Fewer still have had the foresight and generosity to document this journey for future generations to learn from. V. Krishnamurthy is such a unique soul. Hailing from South India, he absorbed the vital essences of the Vedas, Upanishads and sacred Hindu texts from his father at a very young age. This faith and spirituality was foundational in later life as he navigated raising a family, pursuing a PhD with limited means, travelling to- and working in America in the 1960's and playing a pivotal role in the herculean task of creating a world-class educational institution for a burgeoning India as the nation started to come into its own. For those who find this world fascinating, Krishnamurthy's

narrative will give form and colour to what life was like over the last century. A veteran author, his latest work will give the reader a snapshot of his life, trials and time well spent on this earth.

The path to enlightenment can be beautiful and simple when you chant Om Namah Shivaya. All your troubles will simply melt away and you will find His love. You will be blissful beyond words.

THIRTHA YATRA RAMESH GANGASHETTY, 2019-10-30 India will just be a mere geography without its religious and spiritual ethos combined with moral values and civilization. If Bharat is known for its spiritual accomplishments and philosophical roots, one has to gratefully acknowledge the role played by its hallowed places of worship, holy rivers and magnificent mountain ranges which have inspired people for thousands of years. In particular, temples contributed in no small measure to Bharat's spiritual enlightenment, serving as a beacon to the rest of humanity. Every temple in this holy land has a story to tell, a legend to elevate our spirits and is a sacred space for all of us to experience inner joy. One can find the contribution of so many saints and rishis who devoted their entire life to many places of worship. In olden days, temples served as a great center for enriching all facets of human life—be it spiritual training or yoga; be it education; be it poetry and literature; be it fine arts and sculpture. There are thousands of fascinating temples, with great historical and spiritual backgrounds, spread all over the country. These temples can be divided into many groups, finding mention in innumerable scriptures. Which are they? Where are they located? This book is an attempt to collect and curate and tabulate information in brief which will certainly answer some of the queries a prospective yatri may have. All the information in the book was collated after personal visits to these places by author.

The Unusual Essays of an Unknown Sri Vaishnava M. K. Sudarshan, 2025-06-24 The author brings to bear a refreshingly new focus on various traditional concepts and scriptures while taking care to toe the traditional (Sri Vaishnava) line mostly, . . . With an impeccable language and excellent narrative style . . . this book impresses one with its nice turn of phrases, the facile rendering of even difficult ideas in comprehensible terms . . . This book would form a welcome addition to anyone's library . . . especially useful to expatriate youth of today—it would help them find their traditional spiritual moorings despite being cast adrift in the ocean of international commerce with no polestar to guide them.

Pilgrimage to Temple Heritage 2019 Infokerala Communications Pvt. Ltd.,2019-09-01 The verdant and beautiful Kerala, well known for its flora and fauna and for its rich tradition of temples, has today become one of the must see destinations in the world. Temples have always been an integral part of the culture and tradition of Kerala. This small state has become famous for its efforts to preserve the ancient culture of the big temples as well as the small family shrines, keeping their rich variety and tradition intact. These temples play an important role in spreading the greatness of Kerala in countries all over the world. Temples of Kerala have never been mere places of worship; they have played a pivotal role in the social, financial, cultural and educational fields of the state. For the rehabilitation of the poor and the deprived many schemes have been implemented by the temples like providing food and shelter to the needy. Today, if there is a great progress in the field of tourism, the temples have certainly contributed much to it. A large number of foreigners come to the state to study and understand Kerala's traditional temple arts like Kathakali, Chakiarkoothu, Ottamthullal etc. On the happy occasion of bringing out this book, we have endeavored to include details of the prominent Ayyappan temples outside Kerala, along with those of the great temples within the state. The intention is to make this a comprehensive reference book for all well-known temples in India. May all our readers be blessed by the Almighty with peace, prosperity and good health.

Laugh And Learn Moral Values Dr. Hare Krishna Chandrasekaran,2022-07-01 It is really important that all children learn them early in their schools, as they say, "Catch them young!". Along with the modern education, children should be taught values from scriptures in parallel. This will help the children develop an all round personality, which will help them in their life. A 'must read' for every child.
