Understanding the End Times Bob Yandian, 2013-05-13 A Last Days Play-by-Play for the Christian Countless books have been written that link current events to end-time scriptures predicting the soon return of Jesus. But too often Christians have devalued the Bible message by predicting an Antichrist who dies, or by predicting dates that come and go with no Jesus. Bob Yandian, Bible scholar and veteran pastor of more than 30 years, says the whole point is to focus on God's unchanging plan—not news headlines. In *Understanding the End Times*, Bob points out that while we have every reason to believe Jesus' coming is imminent, we need to focus on understanding God's plan for the ages by weaving together biblical prophecies and interpreting world events in light of it. With straightforward, scriptural teaching, Bob outlines: The Rapture of the Church * The Judgment Seat of Christ * The Tribulation Daniel's 70th week * The Second Coming * Dispensational truths The Millennial Reign * FAQs Don't be concerned or confused about what's coming in the world. This teaching will make it clear that the Bible does not line up with the world—the world must line up with the Bible. Christian, look up to see that your redemption is closer than ever!

A New Testament commentary for English readers, by various writers, ed. by C.J. Ellicott Charles John Ellicott, 1896

Our Sufficiency in Christ John MacArthur, 1998-07-10 Christ's divine power has granted to us everything pertaining to life and godliness. —2 Peter 1:3 Pure Christianity needs no embellishment whatsoever. We find complete sufficiency in Christ and His provision for our needs. But too many Christians have bought in to the notion that all the spiritual resources we gain at the moment of salvation are not adequate to meet the real needs in today's complex world. So they look for something more—an emotionally exciting and self-edifying experience not found in God's Word. This failure to understand the sufficiency of Christ has opened the door to all kinds of worldly influences, causing many modern believers to mix biblical truths with seemingly helpful man-made methods such as mysticism and psychology. As a result, they wallow in a watered-down, pseudo-Christianity that has been drained of its vitality, effectiveness, and security. In this book John MacArthur exposes the main ways Christians have displaced their spiritual resources and explains how to avoid making the same error. It will make you newly aware of how completely God provides—and give you a renewed understanding of what it means to be complete in Christ.

Angels: True Encounters John Hill, 2017-01-12 The thought of angels brings about a variety of images. From imaginative cute little flying things that shoot arrows of love into the hearts of the forlorned romantic to the reality of mighty warriors

protecting God's glory and holiness, angels have been discussed, described, illustrated and mostly misunderstood. In this volume, the author offers short devotionals which are true to God's Word and descriptive of these mostly unseen attendants. While it is not an exhaustive study, it does cover many of the more frequently asked questions. It is my desire to give biblical evidence for the reality of angels, of their work, and of their true nature.

The Deliverer Linda Rios Brook,2011-08-29 Ancient language expert Samantha Yale returns to translate a new batch of scrolls written by the fallen angel from Lucifer's Flood. Samantha Yale has taken on a daunting translation project. A set of scrolls, delivered by a man she knows nothing about, tells a fascinating and frightening tale of what went on behind the scenes of biblical history. What is even more incredible is who is telling the tale, a fallen angel who immediately regretted his decision to side with Lucifer.

"Revelation" the Patmos Vision Unveiled Rev. Gerald F. McPeters,2015-03-16 In the days of Daniel, this book was a mystery as it concerned the future. This book was sealed with seven seals; however, it is now the Revelation, as Jesus himself broke the seven seals (Rev. 5:1-7) to show John the future. John then sends this revelation to the seven churches to be interpreted.

The Making of a Martyr David Allan Campbell,2022-01-12 This is both a work of fiction and nonfiction. The work of fiction concerns the journal of one man's journey through the maze of a dystopian world, written subsequent to the rapture of the church during the rise of the new world order along with the prophesied coming of the Antichrist. It is written as a testimony to others that will be following in his footsteps to both warn and to encourage those now living in a world where to be known as a believer is an immediate death sentence. The non-fiction portion of the book is based upon over forty years of extensive study of the Word of God and will illuminate my reasoning behind the events and their timeline as depicted in this tale with extensive scriptural support. I am one who believes in Sola Scriptura--the Word alone defines and interprets itself. This book is a testimony to the sovereignty of God and as witness to those who find themselves living during these soon

coming perilous days. For those who are longing for our Lord's return, may this book encourage the reader to delve deeper into his Word. Book Two The Journey of a Martyr's Companion (coming soon).
