100 Answers to Questions from the Neighborhoods Tim Wallingford, 2016-12-29 100 Answers to Questions from the Neighborhoods: Personal Evangelism Done Jesus Style Companion Study Guide is a modern-day application of Jesus and the apostles strategy to fulfill the Great Commission. In just 30 years their evangelistic method was bearing fruit and growing

throughout the whole world (Colossians 1:6)! Did you know Jesus walked over 3,000 miles through neighborhoods throughout Palestine? In Matthew 10, Jesus commanded his disciples to go into a neighborhood, find a worthy person and stay at their home. From there they went out and met the neighbors. The disciples then showed love to those they met by meeting any physical need(s). Only then would they share God's love story, the gospel of Christ. This was also Jesus' personal strategy. Today most evangelistic plans involve attracting the neighbors into the church. Churches do this with events, dynamic worship services, and quality programs for every member of the family. Many churches do this well but sadly the American church is in decline. Less than 20% of Americans now regularly attend church. In 1990, 20.4% attended church. In 2000, the percentage dropped to 18.7%. By the year 2050 if the church doesn't change, it is estimated church attendance will drop to 11.7%. This can be reversed if we adopt the evangelistic strategy used by Jesus and the apostles. This book gives you a detailed breakdown of the gospel the apostle Peter presented on the Day of Pentecost that ended with 3,000 baptisms in one day! The book will also show you how Luke, the author of Acts, packaged the never-changing gospel to ten different types of neighbors: the hurting, religious, spiritualist, seeker, fanatic, good person, abuser, skeptic, misinformed and pleasure seeker. This book and its training manual identify over one hundred questions about spiritual matters and help you have the answers your neighbors need to hear!

**Pouring In** Kim Kurtz, 2018-03-13 The world had changed. Families had changed. Values had changed. The meaning of religion had changed. After author Kim Kurtz graduated from high school twenty five years ago, the world was not what she expected. The moral landscape of college and life thereafter was hostile and foreign. She struggled when the faith of her childhood didn't translate smoothly into adulthood. She was disillusioned when the formulas of faith and church that she had always known no longer worked. The messiness of life, the difficulty of marriage and relationships, and the many ups and downs she experienced were overwhelming. Her faith couldn't handle it, and she walked away. According to research, Kim wasn't alone. 75% of young people raised in a Christian home leave the church after they leave the home. Numerous studies show that Christian families are losing their kids and have been for decades. A majority of church youth aren't developing a personal, powerful, and passionate faith in Jesus Christ. And a passive faith quickly fades to no faith at all. We can no longer afford as Christian parents, as the church, or as a nation to ignore this problem. *Pouring In* addresses the profoundly difficult task of passing on a lasting faith to future generations. Effectively passing on the baton of faith allows our kids to experience the love, peace, and hope that can only come from a genuine relationship with Jesus Christ. Make no mistake, YOU have the power to greatly affect the trajectory of your child's faith.

*Short, direct and addictive: the complete guide to vertical micro-novels* Reginaldo Osnildo, We live in an age of fragmented attention. We scroll through screens at high speed, searching for content that makes us stop—and feel. It's in this context that one of the most addictive formats of the new digital narrative emerges: the vertical microsoap opera. In short,

just-a-few-seconds videos with condensed plots and intense emotions, this new storytelling model has been garnering millions of views on social media. But what makes a microsoap opera so captivating? How do you build characters, plots, twists, and climaxes in such a short amount of time? This book, *Short, Direct, and Addictive: The Complete Guide to Vertical Micronovelas*, was created for those who want to master this language. Whether you're a screenwriter, content creator, director, actor, or simply curious about new forms of storytelling, here you'll find a clear and comprehensive map to immerse yourself in this universe. Structured in six parts, this guide begins with the fundamentals of the format, introducing the roots and dynamics that make vertical microsoap operas such an engaging powerhouse. Then, we dive into season planning, teaching you how to bring original ideas to life, build memorable characters, and design narrative arcs that fit seamlessly within the constraints of time and screen. We move on to practical scriptwriting, where you'll learn how to condense emotion, humor, suspense, and romance in seconds. Next, we explore the secrets of production with accessible resources, demonstrating that you can create high-impact videos using only a smartphone, creativity, and aesthetic sensitivity. We also offer strategies for promotion, engagement, and monetization, so your work not only reaches more people but also generates revenue. Finally, we present case studies, narrative styles, and reflections on the future of this format that is shaping a new generation of digital playwrights. This is not a theoretical book. It's practical, straightforward, and meant to be consulted, crossed out, and marked. Here, each chapter is a tool—and each tool, a possibility. You don't need big productions or million-dollar budgets. What you need is a good idea, a camera (which you probably already have), and this book. Let's create short, direct, and addictive stories. Let's write soap operas that fit in the palm of your hand—and that stay with viewers. Welcome to the future of storytelling. Yours sincerely Reginaldo Osnildo

**¡Cantemos!** Keith Getty, Kristyn Getty, 2018-06-01 ¡Cantemos! Ha sido creado por la pasión del canto congregacional de Keith y Kristyn Getty y ha sido formado a través de viajes y presentaciones al escuchar, discutir, aprender y enseñar a través de todo el mundo. Con la creación de este material ellos tienen cinco objetivos clave: Descubrir por qué cantamos y la abrumadora dicha y el santo privilegio que proviene de cantar. Considerar que cantar impacta nuestras vidas, corazones y mentes. Cultivar una cultura de familia que canta, en nuestra vida familiar diaria. Equipar a nuestras iglesias para cantar con sinceridad al Señor y a los demás en una expresión de unidad. Inspirarnos para ver el canto congregacional como un testigo radical para el mundo. También se han incluido «pistas adicionales» al final, con sugerencias prácticas para usarlas con grupos que están más profundamente relacionados con el canto en la iglesia. El propósito de Dios a través de esta irresistible visión de ver a Su pueblo cantando (personas que alegremente se unen a cantar, hermanos y hermanas alrededor del mundo y alrededor de Su trono) es incluirte. Él quiere que todos nosotros cantemos. Sing! has grown from Keith and Kristyn Getty's passion for congregational singing; it's been formed by their traveling and playing and listening and discussing and learning and teaching all over the world. And in writing it, they have five key aims: • to discover why we sing and the overwhelming joy and holy privilege that comes with singing • to consider how singing impacts our hearts and minds and all of our lives • to cultivate a culture of family singing in our daily home life • to equip our churches for wholeheartedly singing to the Lord and one another as an expression of unity • to inspire us to see congregational singing as a radical witness to the world They have also added a few "bonus tracks" at the end with some more practical suggestions for different groups who are more deeply involved with church singing. God intends for this compelling vision of His people singing—a people joyfully joining together in song with brothers and sisters around the world and around His heavenly throne—to include you. He wants you, He wants us, to sing.

Harvard College required that each student believe that the main

end of his life and studies is to know God and Jesus Christ which is eternal life. In 1892, the Supreme Court of the United States declared, this is a Christian nation. This volume has been put together to help you learn the truth about this uncommon nation and encourage you understand what caused it to be created. We must all stand in awe of the many incredible people who founded our exceptional country.
