

You Majored In What

Michele Tracy Berger, Cheryl Radeloff

You Majored in What? Katharine Brooks, EdD, 2009-04-30 Fully revised and updated in 2017, the revolutionary career guide for a new generation of job-seekers, from one of the U.S.'s top career counselors "So what are you going to do with your major?" It's an innocent question that can haunt students from high school to graduate school and beyond. Relax. Your major is just the starting point for designing a meaningful future. In this indispensable guide, Dr. Katharine Brooks shows you a creative, fun, and intelligent way to figure out what you want to do and how to get it—no matter what you studied in college. You will learn to map your experiences for insights into your strengths and passions, design possible lives, and create goals destined to take you wherever you want to go. Using techniques and ideas that have guided thousands of college students to successful careers, Dr. Brooks will teach you to outsmart and outperform your competition, with more Wisdom Builders and an easily applied career development process. No matter what career you aspire to, You Majored in What? offers a practical, creative, and successful approach to finding your path to career fulfillment.

Summary of Katharine Brooks's You Majored in What? Everest Media, 2022-09-17T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 You're doing it wrong. But here's the thing: you can't go back. You can't change your major. You can't change your mind. This degree is a done deal and there's no going back. I'm not going to tell you never to lie about your college plans, because it's perfectly safe to do so. But don't do it for the reaction,

because you'll only make yourself feel worse when the real truth comes out. If you are absolutely certain you want to go to law school, then go for it! But know that there will come a day when you look at this degree and think, I didn't even enjoy being in college for this. You may regret this decision later—a lot. And if you are TRULY undecided, then it's best to be honest. What if you change your mind. What if you decide to take a different major. Here's what we can be sure of: we always regret something we didn't do instead of something we did do. #2 The linear path still exists. The problem is that it's the wrong path. It's the path of the past, not the future. And if you want to be successful in the future, you have to be willing to think beyond the linear career path. -> The linear path between your major and career is an illusion. The real path is channeling the deep value of your academic and life experiences and taking them beyond traditional thinking. #3 The linear career path still exists. The problem is that it's the wrong path. It's the path of the past, not the future. And if you want to be successful in the future, you have to be willing to think beyond it. #4 Don't lie about your college plans, because you'll only make yourself feel worse when the real truth comes out.

Major in Success, 5th Ed Patrick Combs, 2007-08-01 With so much at stake during college, students need smart and inspiring advice to help them excel. Now in its fifth edition, MAJOR IN SUCCESS reaches out to undecided freshmen and sophomores in search of a major that suits their interests and career ambitions; shows near-graduation students how to bolster their résumé and ace the interview to land their first real job; and presents innovative strategies for tackling the six biggest fears that hold students back. Revised edition of the best-selling guide for college students looking to discover their passion and make the most of their college years. Includes updated resources and websites, the latest job market research, and new student success stories. Named a Best Book by the New York Public Library. Previous editions have sold more than 120,000 copies.

Major in Happiness Michael Edmondson, 2015-12-16 This book examines a variety of assumptions prevalent in the mental models of undergraduates, parents, educators, higher education leaders, administrators, and policymakers that cause people to fall into a series of mental traps when selecting a major. Divided into three parts, this publication presents a situational analysis on choosing a college major, dissects the mental models and traps people rely on, and offers a variety of assessments that can help increase one's self-awareness prior to declaring a major.

Making the Most of Your College Education Marianne Ragins, 2014-09-23 Making the Most of Your College Education demonstrates that in order to be more competitive and marketable in the workplace, it is necessary to partake of the myriad opportunities the college/university environment holds. This invaluable guide, rich with anecdotes from students across the nation, presents the many overlooked and underutilized resources that college campuses offer. It illustrates how learning

begins in, and extends far beyond, the classroom. This indispensable book shows you how to pack your college years with career-building experiences that can lead to graduate and professional schools clamoring to admit you; how to write an impressive professional resume; and how to gain keen entrepreneurial skills, an investment portfolio, and multiple job offers.

What Can You Do with a Major in Education? Bruce E Walker, Jennifer A Horowitz, 2007-08-13 Your guide to glide from campus to career Ready to proceed beyond lesson plans to a career plan? This book analyzes college curriculum and employment options for you! Whether you're considering majoring in education, have your degree and want to get a job, or want to change careers, this is your definitive guide to opportunities that capitalize on an education degree. It includes: * Advice on college and curriculum choices--courses, internships, and more * Tips to energize and expand your job search * Profiles of real graduates, their jobs, and how they got them * Real-world input from an assistant principal, rabbi, curriculum designer, museum educator, tutoring center owner, and textbook author * Overviews of typical salary levels, hours, and work environments * Extensive additional resources, including Web sites, professional organizations, periodicals, and more *What Can You Do with a Major in Education?* answers your questions about everything from the skills and licenses required to the perks, peeves, and pay you can expect. It alerts you to career opportunities outside the classroom. It helps you make the grade and land the job you want.

What Can You Do with a Major in English? Shelley O'Hara, 2007-08-13 Your guide to glide from campus to career You've probably never seen a help wanted ad seeking an English major. But if you're considering majoring in English or have an English degree, don't let that discourage you. Many interesting and exciting positions are available for people with your skills--including some that will surprise you. This book gives you what you need to seize those opportunities. It goes beyond basic, generic job primers to include: * Advice on college and curriculum choices--courses, internships, and more * Tips to energize your job search * Profiles of real graduates, their jobs, and how they got them * Up-close and professional input from a publisher, journalist, speech writer, librarian, and literary agent * Overviews of typical salary levels, hours, and work environments * Extensive additional resources including Web sites, professional organizations, periodicals, and more With practical information plus enlightening perspectives from professionals who have already put their English degrees to work, *What Can You Do with a Major in English?* helps you determine the type of job you really want. Then, whether you're just starting college, close to graduation, or already in the workforce and looking for a more rewarding position, you can make decisions that will speed you toward your career goals.

What Can You Do with a Major in Business? Kate Shoup, 2007-08-13 Your guide to glide from campus to career Make sure you get a good ROI (Return on Investment) from your college courses and career choices. Whether you're a student pounding the books or a graduate pounding the pavement, *What Can You Do with a Major in Business?* alerts you to diverse job options, some of which you probably haven't considered. It addresses specific concerns of business majors with valuable

information, including: * Advice on college and curriculum choices--courses, internships, advanced degrees, and more * Tips to energize and expand your job search * Profiles of real graduates, their jobs, and how they got them * Objective audits of their careers from the manager of a recreational facility, a city/county administrator, a marketing field representative, a public relations specialist, and an import/export broker * Overviews of typical salary levels, hours, and work environments * Extensive additional resources, including Web sites, professional organizations, periodicals, and more With practical information and enlightening insight from your peers in business careers, this book helps you analyze opportunities and choose a career that lets you make the most of your assets. Bottom line, that's the key to success.

I'm an English Major - Now What? Timothy Lemire, 2006-03-11 Find a Job You Love With Your English Degree What do Steven Spielberg, Alan Alda, Barbara Walters, Clarence Thomas, Diane Sawyer, and Stephen King have in common? That's right--they were English majors who now have successful careers. *I'm an English Major - Now What?* helps English majors and graduates understand their skills and talents so they can find satisfying jobs across a diversity of fields and dispels common fears and misconceptions that English majors will never make good money. In this book, you'll learn: • How an English major background can be very marketable • How an English major's skills can be applied to an array of jobs and careers (beyond teaching and writing) • How an English major can develop valuable skills and experience through school and extracurricular activities You'll also find answers to common questions such as: • Should I go to graduate school? Should I wait? • How do I begin a freelancing career? • Would I do well in a corporate setting? Authored by a former English major with professional experience across many areas, including corporate communications, journalism, publishing, teaching, and writing, this guide also features more than a dozen interviews with English majors who were able to translate their skills into satisfying careers.

Why Study History? John Fea, 2024-03-26 What is the purpose of studying history? How do we reflect on contemporary life from a historical perspective, and can such reflection help us better understand ourselves, the world around us, and the God we worship and serve? Written by an accomplished historian, award-winning author, public evangelical spokesman, and respected teacher, this introductory textbook shows why Christians should study history, how faith is brought to bear on our understanding of the past, and how studying the past can help us more effectively love God and others. John Fea shows that deep historical thinking can relieve us of our narcissism; cultivate humility, hospitality, and love; and transform our lives more fully into the image of Jesus Christ. The first edition of this book has been used widely in Christian colleges across the country. The second edition contains updates throughout.

Transforming Scholarship Michele Tracy Berger, Cheryl Radeloff, 2014-08-13 *Transforming Scholarship* is a user-friendly work of practical guidance and inspiration for supporting a student's interest in a Women's Studies degree. Berger and Radeloff use empirical evidence to help students with the major barriers they face when exploring Women's Studies: the

negative response a student often faces when announcing to the world that he or she is interested in Women's Studies; and the perceived lack of employment and career options that supposedly comes with graduating with a Women's Studies degree. This book will support students to think critically about what they know, how to demonstrate what they know, and how to prepare for life both personally and professionally after the degree. *Transforming Scholarship* is a practical guide for students interested in women's and gender studies that targets advanced undergraduates who have a firm connection to the discipline. This book is ideal for women's and gender capstone courses, and for those who have finished their degree and need a resource to assist in conceptualizing the answers to the question What's next? This second edition of *Transforming Scholarship* focuses on areas that undergraduates might want integrate into their women's and gender studies education: study abroad, civic engagement projects, internships, independent studies, and honors theses. It includes exercises to help flesh out talents, passions, and skills, and how to link them to employment, information about the diversity of employment opportunities (and further professional training) available, and a plan to help prepare for graduation. It also delves into how to live a feminist life after graduation, including activism after college, building and sustaining feminist communities, and feminist parenting. The authors have also added new Point of View boxes throughout the book, where scholars focus on contemporary issues and deepen a student's understanding of the organizations and individuals fighting to end sexist oppression.

Binks Manufacturing Company V. Ransburg Electro-Coating Corporation ,1960

What Do I Do with My Major in Psychology Kathy Sexton-Radek,2003-08 This book provides the reader with useful information for pursuing the major of Psychology. Each step for meaningfully studying the major of Psychology is explained. Steps from deciding on the major to where to look for career and graduate school information are explained.

Strategic Copywriting Edd Applegate,2015-11-05 When it comes to attracting consumers through advertising, which words, phrases, and techniques are most effective? *Strategic Copywriting*, a detailed how-to guide, introduces students to time-tested strategies for writing and designing successful ads. In this second edition, Edd Applegate explains the core principles that have guided advertising for decades, from knowing the audience to crafting a compelling message. Next, proven techniques for producing specific kinds of advertising—whether for newspapers, magazines, or other print media, for broadcast radio or television, or for social media and online/mobile platforms—are addressed in step-by-step detail. Throughout, Applegate walks readers through real advertisements from advertising agencies of all sizes across the United States to illustrate what works—or not—and why.

Starting Your Career and Earning Money BEFORE You Get Your Degree Horace Batson,2018-05-16 Career books on the market have typically provided students information on how to: select schools and chose a major. They have all stopped far short of teaching students how to actually earn a living in their profession.Batson and Batson, both professors

and entrepreneurs, have challenged our conventional wisdom by positing that students can earn money in their career while and before they actually complete their degree. Their book guides students, step-by-step, to success. This book is a GPS empowering students to take charge of their lives to harness their hidden potential to jump start their careers and start earning money all while in school.

You Majored In What Introduction

In this digital age, the convenience of accessing information at our fingertips

has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading You Majored In What free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The

website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading You Majored In What free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading

experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading You Majored In What free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading You Majored In What . In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu,

provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading You Majored In What any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About You Majored In What Books

What is a You Majored In What PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a You Majored In What PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file

instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a You Majored In What PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a You Majored In What PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a You Majored In What PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat

for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
