Always a Home Game Josh Miller, Shawn Allen, 2014 The Pittsburgh Steelers hold the #1 away-game attendance record in the NFL, with a diehard fan base from coast to coast. TV announcers sometimes jokingly ask if this is a home game for the black-and-gold because there are so many fans in the stands. Pittsburgh natives are spread out across the country. On game days, you'll find these avid fans at their local watering holes, in cities big and small, cheering on their home team. For example, Harold's Corral, outside of Phoenix, actually sells season tickets for a seat at the bar or a table during Steelers games. There were 5000 people at Harold's for the 2010 Super Bowl between Pittsburgh and Green Bay. There are 766 dedicated Steelers bars across America. During the 2013 football season, former Steelers punter Josh Miller and everyday fan Shawn Allen will visit Steelers bars in the 32 NFL cities, documenting the unique personalities that define one of the largest and most passionate fan bases in the world - Steelers Nation. Meanwhile, back in Pittsburgh, 65,000-plus fans at sold-out Heinz Field, will see live feeds of their visits on the scoreboard. Filled with photographs and interviews, *Always a Home Game* features game-day celebrations, a look at former players and their post-Steelers lives, and the shared journeys of fans from across Steelers Nation

Honoring the Call Neari Francois Warner,2016-03-04 This work evolved from the personal and professional experiences of Grambling State University's first female president, albeit acting. The story occurs during troubled times, recounting the activities of the team she assembled to combat the foreboding issue of the university losing its regional accreditation. Ultimately, the book is designed to document the hard work, dedicated service, and committed spirit that the Grambling State University constituencies demonstrated to ensure that the University remained an outstanding academic

institution, attracting students from throughout the United States and many foreign countries and that it continued to be the place where everybody is somebody.

Huskerville Roger C. Aden,2007-10-29 This work reveals the storied love affair that has long existed between native Nebraskans and the University of Nebraska football team. The author draws upon his experiences as a devoted Huskerviller, and the insights of more than 500 other Husker fans who shared their ideas through interviews, questionnaires, and Internet communication, to compose a story that highlights how the culture, history, and geography of Nebraska are intimately embedded in fans' devotion to the Cornhuskers. Curveball Barry Zito,Robert Noland,2019-09-17 The painfully honest and personal story of one of baseball's most intriguing players. In *Curveball*, Zito shares his story with honesty and transparency. The ups and the downs. The wins and losses. By sharing his experiences as a man who had everything except happiness, Zito offers readers a path through adversity and toward a life defined by true success. Despite achieving the kind of fame and fortune that most people only dream about, Barry Zito was plagued by both internal forces and external circumstances that robbed him of any sense of peace—until he finally found a purpose worth living for. Barry explores the twists and turns of his own journey, including: his dad's constant push and pursuit for excellence, which translated into a toxic father-son relationship, how achieving superstardom in the major leagues created crippling fear, the personal destruction brought on by fame and fortune, and the disastrous seasons with the San Francisco Giants, including being benched for the 2010 playoffs and World Series. Zito comes face-to-face with the destructiveness of his own ego—his need to be viewed as the best. He also comes face-to-face with God and with the truth that he was loved no matter what he achieved.

Chicago Hoops Calvin Davis,2023-04-26 During the 1950s, the great migration from the South led many Black families to the city of Chicago. As African American families took up residency all around the city, the talent in the Chicago Public League's high schools took a huge leap. Many of the schools that were previously predominantly White became Black. Neighborhoods throughout the city changed as well. Many White families moved to suburban areas outside of Chicago. Since that time, basketball has created thousands of scholarship opportunities for Black student athletes, including myself. My version of the Top 100 Players of All Time will not only be similar to many but also different from what other writers would put together. The arguments about who belongs will always be present when the conversation centers on Chicago high school basketball. My story is something I hope will be educational and inspirational to others who take the path I took as an inner-city resident who put in the extra effort in the classroom, on the court, and in the community to find success. I am a student of the human condition, wielding the written craft to enrapture the mind much like an artist wields a brush. The pages are a blank canvas on which to draw from a talent heralded by many but matched only by an imagination that rises to

the task and delivers positivity.

Pro Football's Most Passionate Fans Harvey " Steeler" Aronson,2012 Professional football is the most popular sport in the United States today. With so many famous players from the past and present, some of whom achieved notoriety because of a persona they created, there are fans who have also made a name for themselves by either their work and loyalty for their team, or by creating an alter ego with respect to how they cheer or support their team. Some have incredibly wild and outrageous outfits. On game days, some of these diehard fans take longer to get themselves ready for games than the players they cheer for! The face paint, the outrageous outfits, the chants and cheers, and the attention to detail are what make these fans unique. During football season, these diehard fans can be seen each weekend as they showcase themselves in support of their team in front of hundreds of thousands of viewers worldwide. In 1998, Visa sponsored a national contest to find the wildest, most loyal, and most intriguing fans for each team in the league. The award was entitled, The Visa Hall of Fans Award as fans were chosen from each team based on their submitted essays and photos. Contestants had to explain why they should represent their respective team in the Pro Football Hall of Fame in Canton, Ohio. At the time, a special wing in the Hall was created to honor these diehard fans. Visa awarded plaques to the winners -- originally at the Hall, and later in front of the hometown fans at each team s stadium. The Hall of Fame displayed the plaques for a year until the new class of fans was selected and their plaques were displayed. At that point, the prior year s winners had their names placed on a permanent wall plaque in the Hall of Fans wing of the Pro Football Hall of Fame. Since the days of the original Visa promotion, this group of honorees has carried on the tradition of recognizing ultimate fans each year. Some of the fans are easily recognizable by their outfits and their nicknames. Sadly, some have passed on. This book profiles and showcases many of those fans who were honored by Visa at the Pro Football Hall of Fame. As you read through the book, you will undoubtedly recognize many of these famous fans. But for those fans who are not so easily recognized as some, this book s aim is to illustrate that all of the fans who were honored by Visa possess as much passion, loyalty and enthusiasm as the next. So when you watch Pro Football this season and always, keep this book handy and when the cameras pan the NFL stadiums, see how many faces you can spot from the group that calls themselves .. Pro Football s Most Passionate Fans!

Hank Thompson's Blues Theodore Hamm,2009-05-15 Based on the true story of how one man rose to the heights of baseball glory only to fall into the depths of prison, Hank Thompson's Blues recounts the life of the third black player in the major leagues. Hank Thompson (1925-1969) starred for the New York Giants in the 1954 World Series before his drinking problems ruined his promising baseball career. Out of a job only two seasons after the '54 Series, within a decade Thompson found himself in the Texas prison system. Hank Thompson's Blues follows Thompson from his ascent through the Negro Leagues and winter ball in Cuba, to his rising stardom with the New York Giants, to his downward slide in Harlem and beyond. Along the way, Thompson vividly recalls his encounters with many baseball legends, including Satchel Paige, Jackie

Robinson, and Leo (Nice Guys Finish Last) Durocher. And he provides plenty of seedy details of his many forays into Harlem's sordid criminal underworld of the late 1950s. Speaking throughout the novel in the first person, Thompson now must reckon with his dizzying rise and embarrassing fall. His story is in many ways a cautionary tale, especially in an age when many athletes seem intent on destroying their own careers. For Hank Thompson, the good times were really good, and the bad times really bad-which is why he is now here to sing the blues.

Savage! Janine Self, Robbie Savage, 2011-01-18 Robbie Savage could have been just another Manchester United reject. Instead, he used the Old Trafford scrapheap as a springboard to become one of the most instantly recognisable footballers in the Premier League, despite being told by Sir Alex Ferguson he was not good enough to stay in the class of '92 alongside David Beckham, Paul Scholes, Ryan Giggs, Nicky Butt and Gary Neville. For the last 16 years, Savage has carved out a reputation as a hard man and wind-up merchant with an unerring ability to grab a headline. From deliberately getting Tottenham's Justin Edinburgh sent off in a Wembley Cup final to the 'Jobbiegate' row with referee Graham Poll and the bust-ups with John Toshack, Rio Ferdinand, Graeme Souness and Paul Jewell, the list is endless. Yet numerous footballing legends will testify to the skill of the midfielder, who has starred for Crewe, Leicester, Birmingham, Blackburn and Derby and won 39 international caps for Wales. Behind the long blond hair, the Armani tattoo and the flamboyant cars, Savage has always been the heartbeat of his team. *Savage!* provides a unique insight into the extraordinary life of an elite sportsman, a colourful character and loving family man. Love him or loathe him, Robbie Savage's story is a remarkable one.

Best Life ,2008-11 *Best Life* magazine empowers men to continually improve their physical, emotional and financial well-being to better enjoy the most rewarding years of their life.
