One Buddha is Not Enough Thich Nhat Hanh,2006-07-14 This is the ebook version of One Buddha Is Not Enough. How do we learn to believe in ourselves and not just rely on our spiritual teachers? Based on a retreat that Zen Master Thich Nhat Hanh organized but then couldn't attend, One Buddha Is Not Enough is a book on how to become your own teacher and create your own community where you might least expect it. It offers fresh and original insight from emerging Buddhist teachers on topics such as how to handle grief, strengthen our relationships with family and friends, deal with anger and other strong emotions, and find happiness in the present moment. Through letters, stories, poems, calligraphies, and photographs, Thich Nhat Hanh shares his unique insights on illness, health, and different healing modalities. One Buddha Is

Not Enough is a true expression of American Buddhism. We already contain all the insight and wisdom we need--and we're surrounded by the people who can help us on our journey. Sometimes all it takes is a wake-up call to remind us of what we are capable.

The Rescuers Nancy Moses, 2025-02-04 This book profiles some of the handful of people who rescued significant cultural treasures that would or may have been otherwise lost to humankind. Some, like Dr. Assad, were on a noble mission, but that is not always the case. Some are motivated by profit, fame, gratitude, or personal advancement. The act of rescue may not be straightforward: even the most heroic ones can be tainted, suspect, illegal, or ethically equivocal. The ten stories in *The Rescuers* include a variety of objects, motivations, locations and historic periods. They include a Scottish prehistoric site; Soviet-era seed banking; mid-20th century photographic masterworks; African American and immigrant folk music; Alaskan Native ceremonial and cultural objects; and a German language, Czech author whose manuscripts now reside in an Israeli archive. While each is a unique story, it is also representative of similar cases. Chapters explore some of the most controversial issues facing society today: appropriation, repatriation, indigenous rights, copyright law, racism, and the impact of tourism on fragile cultural sites. What does the act of rescue mean? What is the psychology of those who commit these acts? Should the imperatives of society trump the rights of individuals to control their own legacy? Is more ethical for a museum to preserve cultural treasures or to return them to a tribe that might destroy them? What are the trade offs between economic development and historic preservation? These are the conundrums of today, the challenges of the future. The stories included cover: The Monuments Officers' recovery of cultural treasures stolen by Nazis; The saving of Skara Brae in Scotland by the Laird of Breckness; The rescue of the Iraqi Jewish Archive by Harold Rhode and Doris Hamburg; Tom Cade's preservation of Peregrine falcons; Louis Shotridge and George B. Gordon's saving of Alaska's Tlingit culture; The preservation of American folk songs by John Lomax.

Acoustic Music Source Book Richard L. Matteson, Jr., 2012-03-01 Bill Bay asked me to write a follow up book to my last book, The Bluegrass Pickers Tune Book (20233). If you like Bluegrass music (232 songs) I'd recommend getting that book to add to your collection. the focus of this book, the Acoustic Source Book is on roots and old-time music. the book is focused on the time period from late 1800's until 1940's. There are a few songs from the Bluegrass Book that were too important to be left out. I decided not to use any patriotic and Christmas songs and came up with a list of about 400 songs which eventually was cut down to over 200. During the late 1800's and early 1900's there was an important evolution in American music; the birth of jazz, ragtime, and blues. This was also the period of the phonograph and early commercial recordings. Music from the Minstrel period as well as traditional songs were used as staple for the roots musicians. In the early 1900's there were rags, blues, gospel, Tin-Pan Alley, jug band, spiritual, old-time country and popular songs. I've tried to include some of the well-known songs from every genre to give you a big slice of Americana. There are some great songs that are popular roots, bluegrass and old-time songs today that have never been published. There are also great songs that are not well known that should be played and enjoyed. Evangelical Worship Melanie C. Ross, 2021 Say the words evangelical worship to anyone in the United States -- even if they are not particularly religious -- and a picture will likely spring to mind unbidden: a mass of white, middle-class worshippers with eyes closed, faces tilted upward, and hands raised to the sky. Yet despite the centrality of this image, many scholars have underestimated evangelical worship as little more than a manipulative effort to arouse devotional exhilaration. It is frequently dismissed as a reiteration of nineteenth-century revivalism or a derivative imitation of secular entertainment -

- three Christian rock songs and a spiritual TED talk. But by failing to engage this worship seriously, we miss vital insights into a form of Protestantism that exerts widespread influence in the United States and around the world. Evangelical Worship offers a new way forward in the study of American evangelical Christianity. Weaving together insights from American religious history and liturgical studies, and drawing on extensive fieldwork in seven congregations, Melanie C. Ross brings contemporary evangelical worship to life. She argues that corporate worship is not a peripheral extra tacked on to a fully-formed spiritual, political, and cultural movement, but rather the crucible through which congregations forge, argue over, and enact their unique contributions to the American mosaic known as evangelicalism.

King of Ice Z.J. Galos, 2019-12-16 Zorko the Bard, has lost Zina, his beloved, in a brutal abduction. He is extremely unhappy and utterly destroyed. In his pain and sorrow about Zina's loss, he is adamant to get her back. He plays his guitar and composes his love-ballad with which he intends to move heaven and earth to get his love, Zina, back again. A shepherd points his way to the caves of the Dark Mountain, where he may find the kingdom of Iceland. Zorko plays and sings his love ballad and the mountain lets him access the magical world of Queen Nora and King Noro. His heart-tearing song had moved the subjects of Iceland, the King, and the Queen. Having received sympathy for his course of action, the Queen's personal gift will help the Bard to get Zina back. Zorko's journey along the winding road to the Netherland will be tough and dangerous. He is tenacious, driven by hope and the only goal, to get Zina back again. Through help from the Queen of Amazons, Zorko will be again on his way to the Tyrant Hinod, where Zina is kept as a prisoner. His final performance at the Tyrant has to be his best. Will the poet be successful?

Powers John B. Olson, 2009-12-01 "Bury me standing. I must be buried standing." Powers, the follow-up to John Olson's *Shade* ("a must-read for those who enjoy Ted Dekker and Frank Peretti" —Publishers Weekly), introduces a sheltered Gypsy girl named Mariutza. Her grandfather utters a mysterious last request before dying in her arms after being shot by ten cloaked men. Those same men die before her eyes, but strange powers continue to pursue Mari through the swamps of southern Louisiana where she has always hidden from "the Badness." The whole world seems to join in the chase—helicopters, soldiers, government agents, and the police are all trying to kill her. Mari's only hope of survival is to find Jaazaniah the Prophet, the mythical hero of her grandfather's bedtime stories. But she has never been outside the swamp or known other humans besides her grandfather and one teacher. How can this lone girl survive the bewildering world of men long enough to find a prophet who might not even exist?

A Short Story Luke Mesham, 2011-11-04 Studying abroad in Germany embarks Paul Welch on an adventure he will never forget. From the rigors and joys of learning a new language and set of friends to traveling in his free time, the experiences of the year both open his eyes and confirm his deepest held beliefs. The biggest adventure and reward of all, though, proves to be love. A month before classes start, Welch arrives in the Bavarian town of Erlangen to take an intensive language course at

the Friedrich-Alexander Universitt. Here, he makes quick friends with many other students throughout Europe. One of with whom, Maria, he hits it off amazingly well. But just as he is about to ask her out, he learns that she is dating one of the other guys in the course, Tommy. Despite the odds against it, Luke has the conviction that he and Maria will have their chance together. Before everyone from the language course goes their separate ways, Maria invites Paul to come to Sardinia during his spring break to visit her and another friend from the course. He decides not to say anything to her at the time but makes a commitment to himself to follow through and go visit her in the spring. Paul moves on to Darmstadt, where he will be studying for the next year and slowly adapts to his new life. Months pass, friends are made, new adventures are had. While his zeal for visiting Maria has been tempered by the question of how a short visit can lead to something lasting, he follows through on the commitment to himself to go and visit her.
