Equal Katia Adams,2019-09-01 In Equal, Church and ministry leader Katia Adams argues that the church has too often misrepresented the heart of Jesus to release and empower women and men. With sensitivity to both sides of the argument, Adams draws on the wisdom of Scripture, theology, and the Holy Spirit. Blending them with her own personal experiences, she asserts that both women and men are equally called to serve and lead in the church and in the world—and that, by restricting the roles of women, we are missing God’s design for the church and for the gospel’s impact on the earth.

Systematic Theology Wayne A. Grudem,1994 An introduction to theology that provides information on the scriptural basis for religious doctrines and their applications to the modern world.

Biblical Inspiration and the Authority of Scripture Carlos R. Bovell,2015-07-24 It has been some time since Catholic and liberal Protestant theologians stopped writing seriously on bibliology. Meanwhile, conservative evangelical theologians guard against the introduction of new ideas. In an effort to make headway through this gridlock, Carlos Bovell has commissioned a roundtable discussion on the prospect of whether the inspiration of Scripture might extend beyond authors and texts, and if so, what this might entail for the authority of Scripture. Taken together, the essays in this volume make an invaluable contribution to contemporary literature on the inspiration and authority of the Bible.

Scripture and the People of God John DelHousaye,Jeff T. Purswell,John J. Hughes,2018-10-15 Scripture is the foundation for all of Christian life and ministry, but in our current age it is being challenged, doubted, and, in many cases, simply ignored. Wayne Grudem, one of evangelicalism's best-known theologians and authors, has worked tirelessly throughout his life to demonstrate the necessity, sufficiency, and centrality of Scripture. In his honor, Grudem's friends and colleagues, including John Piper, Thomas R. Schreiner, Sam Storms, Vern S. Poythress, John M. Frame, Gregg R. Allison, Erik Thoennes, and John DelHousaye, have compiled a series of essays on various topics central to Grudem's life and teaching. Exploring topics such as the nature of Scripture, the relationship between Scripture and doctrine, and the role of Scripture in life and ministry, this volume stands as a testimony to the enduring worth of God's Word.

Breakthrough - Women's Bible Study Participant Workbook Barb Roose, 2021-04-06 Let go of feeling like you are not a “good enough” Christian and find freedom in Christ by studying Paul’s letter to the Galatians in *Breakthrough* by Barb Roose. Have you ever felt that being a good Christian means you’ve got to follow a bunch of rules and measure up? If so, you aren’t alone! In this six-week Bible study of Galatians, Barb Roose shows us that even the believers in the early church struggled to let go of rule-keeping and performance in order to embrace God’s free gift of grace. In his letter to the Galatians, Paul pours out his heart and faith to set them straight, addressing so many of the same questions and problems we still face today, such as... - Who has led you to believe you have to follow rules and “measure up”? - Why do you think you have to be perfect for God? - Does God only show up or love you when you “get it right”? If you’ve ever struggled with these questions or felt trapped by rules or religion, this study will provide a path to discover your freedom in Christ. Through this study women will learn to: - Stop trying to measure up and embrace God’s grace - Distinguish between lies and truth - Embrace God’s promise of freedom Components for this six-week Bible study, each available separately, include a Participant Workbook, a Leader Guide, and video sessions with six 25-minute segments (with closed captioning).

Christian Ethics (Revised Edition) Wayne Grudem, 2024-09-18 What Does the Bible Teach about How to Live in Today's World? How should Christians live when the surrounding culture is increasingly hostile to Christian moral values? Granted, the Bible is our guide—but how can we know if we are interpreting it rightly with regard to ethical questions about wealth and poverty, marriage and divorce, birth control, abortion, euthanasia, homosexuality, ethical business practices, environmental stewardship, and dozens of other issues? And on a very practical level, how can we know God's will in the ordinary decisions of life? To address questions like these, Wayne Grudem, author of the bestselling book *Systematic Theology*, draws on 40 years of teaching classes in ethics to write this wide-ranging introduction to biblical moral reasoning, organized according to the structure of the Ten Commandments. He issues a challenging call for Christians to live lives of personal holiness and offers a vision of the Christian life that is full of joy and blessing through living each day in a way that is pleasing to God. Written by Wayne Grudem: Bestselling author of *Systematic Theology* and the *What the Bible Says About* series *Biblical and Applicable*: Teaches readers how to protect 7 central tenets of God's law: God's honor, human authority,

life, marriage, property, truth, and purity of heart Accessible: An ideal textbook for Christian college and seminary ethics classes, with straightforward language and a bibliography for the topic at the end of each chapter Replaces ISBN 978-1-4335-4965-6

Systematic Theology, Second Edition Wayne A. Grudem, 2020-12-08 This new edition of Systematic Theology by Wayne Grudem is one of the most important resources for helping you understand Scripture and grow as a Christian. The most widely used resource of the last 25 years in its area, Systematic Theology has been thoroughly revised and expanded for the first time while retaining the features that have made it the standard in its field: clear explanations, an emphasis on each doctrine's scriptural basis, and practical applications to daily life. With nearly 250 pages of new content and revisions, this new edition now includes the following distinctive features: Updated analysis of recent controversies within evangelical theology, including the eternal relationship between the Father and the Son in the Trinity, the role of women in the church, miraculous gifts of the Holy Spirit, and contemporary worship music. New discussion and critiques of recent theological controversies situated outside of traditional evangelical theology, such as open theism, the new perspective on Paul, Molinism (or middle knowledge), Free Grace theology, and the preterist view of Christ's second coming. Completely revised chapter on the clarity of Scripture. Completely revised chapter on creation and evolution, including a longer critique of theistic evolution and an extensive discussion on the age of the earth. New discussion of how biblical inerrancy applies to some specific problem verses in the Gospels. Additional material explaining evangelical Protestant differences with Roman Catholicism, Protestant liberalism, and Mormonism. Completely updated bibliographies. All Scripture quotations updated from RSV to ESV. Updated section on contemporary worship music. Numerous other updates and corrections. Part of the brilliance of Systematic Theology has been its simplicity and ease of use. Each chapter follows the same structure: discussion of the doctrine being considered, an explanation of that doctrine's biblical support and possible objections, followed by personal application and key terms to know for personal growth. Chapters also include a Scripture memory passage, references to other literature on the topic, and suggested hymns and worship songs. If you think theology is hard to understand or boring, then this new edition of Systematic Theology will change your mind.

Essays on Revelation Gerald L. Stevens, 2011-01-01 The book of Revelation perennially provokes outlandish futurist predictions proven patently false over time. Such prophecy failures leave the inquiring mind with a strong sense that the book of Revelation is nothing but a hoax, safely ignored and without contemporary relevance. The inevitable practical result, not only for church members, but for their ministers as well, is a canonical book stripped bare of canonical authority. In this volume, six contributors collectively attempt to provide a path toward recanonizing Revelation, reclaiming its authority and relevance through christological foundations. The result is a book not only useful in the collegiate and seminary classroom, but also for serious small-group Bible studies wanting to glean from Revelation something deeper than a fear of being left

behind.

Jesus "The Way, The Truth and The Life" Thd Bish, 2011 Jesus - The Way, The Truth and The Life will prove that Jesus is the only Way to God, the very embodiment of all Truth and the very essence of Life, just as He declared of Himself in the fourteenth chapter and sixth verse of the gospel of John by saying, I am the way, the truth, and the life and that no one comes to the Father except through Me. This book will show using systematic theology, proofs and truth arguments that Jesus is exactly who He says He is, confirmed by God the Father, the Holy Spirit and by Christ Himself. Jesus said in Mark 8; 27 of scripture Who do you say I Am. This book will make it obvious why you must answer this pointed question just as Peter did in claiming to Jesus that You are the Christ, the Son of the Living God. Time is getting short and Jesus is on His way back to earth. It's not a time to be confused or wrong on issues having eternal consequences. Though the book reads as a college textbook it forces you to think and study the word of God. The book is most valuable in a curriculum setting or for those interested in Christian apologetics. Jesus is compared to a myriad of other secular philosophies both past and present and as a result it is conclusively obvious that Jesus is the way, truth and the life and all others are false. This book stands on the foundation that a relationship with God thru Christ is by faith alone (Sola Fide), by grace alone (Sola Gratia), by Christ alone (Solus Christus), by scripture alone (Sola Scriptura) and with glory to God alone (Soli Deo Gloria). Dr. Ronald N Bish, ThD. received his Doctorate from Freedom Bible College in Systematic Theology and Apologetics and also holds a Master Degree in Mechanical Engineering. Gospel Theology John Kuyper Liberty, 2021-05-07 The gospel of Jesus Christ is not one theory of the world's origin and purpose standing behind or alongside other competing viewpoints. Neither is it one of many components of the Christian religion. It is the central purpose, heartbeat, and jewel of the entire universe. It is the power of God Almighty. It is the set of glasses we must wear to rightly understand all of God's Word and all of God's world. Whether we acknowledge it or not, Jesus Christ is the Lord, Savior, and Treasure. This gospel of Jesus Christ is God's grace for individuals, and God's grace for all of creation. John Kuyper Liberty explains from Scripture that the gospel transforms how we understand and relate to God and his revelation (upward theology), how we understand and relate to ourselves and other Christians (inward theology), and how we understand and relate to God's broader creation, our communities, our cultures, and those who are not Christians (outward theology). This monumental resource written for all people includes chapter titles like The Good News of God's Word, Gospel Worship, Gospel Joy, The Gospel and Money, The Gospel-Centered Home, The Gospel and Work, and Gospel Society. Jesus Christ, by his perfect life, bloody cross, resurrection in power, and ascension into Kingship, is reconciling all things to himself.

All Authority Joey Shaw, 2016-02-01 Everybody who follows Jesus will encounter a myriad of "authorities" that directly challenge the authority of Christ. These other "authorities" may be parents, teachers, bosses, presidents, institutions,

religions, or ideologies. In order to stay firm in devotion to Jesus, we must believe that He has supreme authority over all. Not partial authority, not most authority—all authority. On the basis of his authority, he commissioned his people to go and make disciples among every people group on earth. This is an impossible commission if it were not for the promise that he is with them forever. The doctrine of the supreme authority of Christ not only upholds the work of the church, it is the central message that the church preaches. “Jesus is Lord” is good news! Joey Shaw is the International Field Office Director for the Austin Stone Community Church and a regular contributor at Verge. Joey and his family live outside the United States where they serve unreached peoples for the glory of Christ.

Kinship in the Household of God Cynthia Tam, 2021-10-07 This unique volume contributes a profound-autism perspective to the ongoing discussion of belonging in the church. By taking readers into two church communities, the author explores the issues of belonging from those least welcomed by the church and consider what the church should do differently. Adopting a “we” approach, she emphasizes the unity of different members in Christ. As one body in Christ, all believers share Christ’s sonship and become children of God. The household concept invites readers to reconceptualize Christian relationships as covenantal kinship. The kinship relationship is established by God’s covenantal commitment fulfilled in Christ. With or without autism, any person who obeys God’s summons is incorporated into Christ’s body by the Spirit to become God’s child. Believers are thus siblings to one another. Viewing each person this way enables us to see beyond human differences and welcome one another as God’s gifts and indispensable members of the community.

Biblical Eschatology Jeong Koo Jeon, 2021-10-01 Jeon's Biblical Eschatology explores the pattern of covenant eschatology, demonstrated and revealed in the Bible throughout redemptive history. In a sense, it is a revolutionary method to freshly examine and look at the entire redemptive history from the perspective of covenant eschatology because the Bible itself is the covenantal canon. Readers will marvel at how the author unpacks the pictorial pattern of covenant eschatology progressively revealed in the Bible. As we live in the Global Mission Age under the grace of God, it is vitally important and necessary to have a proper view of eschatology. Jeon's book will guide believers to a biblically balanced understanding of eschatology and properly equip them with a biblical, covenantal, and eschatological worldview to live their lives for the glory of God, actively participating in the Global Mission under the guidance of the Holy Spirit as we eagerly wait for the second coming of Jesus Christ.

Christianity and Suffering Rodney L. Reed, 2017-12-14 We often hear these days that the centre of Christianity is moving toward the Global South and Africa is a key player in that movement. This makes the study of African Christianity and African realities important – even more so when it is being done by Africans themselves in their own context. The Africa Society of Evangelical Theology (ASET) was created to encourage research and sustained theological reflection on key issues facing Africa by and for African Christians and those working within African contexts. The volumes in the ASET series

constitute the best papers presented at the annual conferences of ASET and together they seek to fill this important gap in the literature of Christianity. Africa is all too familiar with suffering. Yet there is a dearth of sustained theological reflection on suffering by Africans, or for Africans. *Christianity and Suffering: African Perspectives* addresses this need and is the fruit of the 5th Annual Conference of the Africa Society of Evangelical Theology. The contributions address age-old issues like why God does not prevent or relieve human suffering; they wrestle with causes of suffering including witchcraft, poverty, curses, and war; and they also explore appropriate Christian responses to suffering, all from within the African context. The Africa Society of Evangelical Theology (ASET) is a professional society, founded in 2009 for the purpose of fostering evangelical theological scholarship and to facilitate collegial relationships among scholars and practitioners of the Christian religion in Africa. Its core values are: (1) Faithfulness to the Bible, (2) Professional ethics, (3) Creative and critical thinking, (4) Christ-like humility, (5) Community of scholars encouraging, respecting, and learning from one another, and (6) Development and inspiration of young scholars. Embracing Vulnerability Roberto Sirvent, 2017-04-27 Arguments in favour of divine impassibility take many forms, one of which is moral. This argument views emotional risk, vulnerability, suffering, and self-love as obstacles to moral perfection. In *Embracing Vulnerability: Human and Divine*, the author challenges these mistaken assumptions about moral judgment. Through an analysis of Hebrew thought and modern philosophical accounts of love, justice, and emotion, Roberto Sirvent reveals a fundamental incompatibility between divine impassibility and the Imitation of God ethic (*imitatio Dei*). This book shows that a God who is not emotionally vulnerable is a God unworthy of our imitation. But in what sense can we call divine impassibility immoral? To be sure, God's moral nature teaches humans what it means to live virtuously. But can human understandings of morality teach us something about God's moral character? If true, how should we go about judging God's moral character? Isn't it presumptuous to do so? After all, if we are going to challenge divine impassibility on moral grounds, what reason do we have to assume that God is bound by our standards of morality? *Embracing Vulnerability: Human and Divine* addresses these questions and many others. In the process, Sirvent argues for the importance of thinking morally about theology, inviting scholars in the fields of philosophical theology and Christian ethics to place their theological commitments under close moral scrutiny, and to consider how these commitments reflect and shape our understanding of the good life.
