Embroidering Her Truth Clare Hunter, 2022-03-17 I felt that Mary was there, pulling at my sleeve, willing me to appreciate the artistry, wanting me to understand the dazzle of the material world that shaped her. At her execution Mary, Queen of Scots wore red. Widely known as the colour of strength and passion, it was in fact worn by Mary as the Catholic symbol of martyrdom. In sixteenth-century Europe women's voices were suppressed and silenced. Even for a queen like Mary, her prime duty was to bear sons. In an age when textiles expressed power, Mary exploited them to emphasise her female agency. From her lavishly embroidered gowns as the prospective wife of the French Dauphin to the fashion dolls she used to encourage a Marian style at the Scottish court and the subversive messages she embroidered in captivity for her

supporters, Mary used textiles to advance her political agenda, affirm her royal lineage and tell her own story. In this eloquent cultural biography, Clare Hunter exquisitely blends history, politics and memoir to tell the story of a queen in her own voice. '[A] charmed feat of imagination and learning' HILARY MANTEL

Criminals Margot Livesey, 2012-07-11 A decent, harried young banker, already on the verge of distraction, hurries north to Scotland and his mysteriously troubled sister . . . A "foreign" mother struggles to make a home for her family in a society she only vaguely comprehends . . . A baby girl is abandoned in a bus-station rest room . . . And thus five lives and more are caught up in a binding net of affection and responsibility, of sibling loyalty, romantic longing, and maternal love.
