

Deathlands S In Order

James Axler

Prelude to War Don Pendleton, 2002 Footage of grisly scenes of a West Bank settlement slaughtered by Palestinian guerillas shocks the world and puts Israelis and Palestinians at war. But Stony Man intelligence reveals anomalies: a third party instigates the attack, a group with a apocalyptic agenda for the Holy Land. Stony Man's Phoenix Force hits the ground running, racing to stop an all-out conflagration that promises to trap America. (June)

Deep Rampage Don Pendleton, 2002 As America stands firm in its resolve to stamp out global terrorism, Stony Man--the country's most covert defense team--works around the clock to protect the free world from nightmares becoming reality. Part missile, part torpedo, the shkval is a supersonic underwater rocket with stunning destructive capabilities. Now elusive arms dealers have put it on the black market, making it available to any group with a cause--or grudge. Original.

An Index to All the Reported Cases, Statutes, and General Orders, Relating to the Principles, Pleadings and Practice of Equity and Bankruptcy in the Courts of Equity in England and Ireland, the Privy Council, and the House of Lords from the Earliest Period Down to the Year 1831 Edward CHITTY (Barrister-at-Law), 1853

Apocalypse Unborn James Axler, 2008-06-01 BLACK FLAME Reborn primeval in the fires of thermonuclear hell, America's aftermath is one of manifest evil, savage endurance and lingering hope. Traversing the lawless continent on a journey without destination, Ryan Cawdor seeks humanity in an inhuman world. In the Deathlands, life is cheap, death is free and survival demands the highest price of all. CIRCUS OF BLOOD Magus is a steel-eyed cybernetic sociopath whose bloodlust knows no bounds. Now, the savage Pacific isles above a long-submerged Southern California are his new arena. Ryan wants a second chance to chill Magus once and for all. But as the ringmaster of torture orchestrates his magnum opus, a stunning sideshow is under way. PreDark whitecoats believe they have found the key to turn back time and intercept the deed that erased human history.

Deep Trek James Axler, 1994 Deep Trek by James Axler released on Jan 25, 1994 is available now for purchase.

Troubled Waters Warren Murphy, Richard Sapir, 2003 Thomas Captain Kidd is the new scourge of the Caribbean, raiding unsuspecting pleasure crafts. When he kidnaps the daughter of a senator, Remo and Chiun are determined to dispatch the sea raider to an afterlife between the devil and the deep blue sea.

The Annual Practice, 1949 A collection of the statutes, orders, and rules relating to the general practice, procedure and

jurisdiction of the Supreme Court.

Plague Lords James Axler,2008-12-01 After a century of chaos following the nukes, Deathlands is forming pockets of civilization, aided by predark stockpiles of weapons, fuel and pieces of 21st-century knowledge. But these troves are hard to come by, and survival remains a blood quest. For Ryan Cawdor and his warrior survivalists, luck is sparse, chances slimmer, yet hope drives them onward. The sulphur-teeming Gulf of Mexico is the poisoned end of the earth, but loaded cargo ships ruined by skydark lure doomie and cutthroat alike. Here, Ryan and the others glean rumors of whole cities deep in South America that survived the blast intact. But as the companions contemplate a course of action that may divide them, a new horror approaches unseen on the horizon. The Lords of Death are Mexican pirates raiding stockpiles with a grim vengeance. When civilization hits rock bottom, a new stone age will emerge, with its own personal day of blood reckoning. In the Deathlands, the future could always be worse. Now it is....

Chrono Spasm James Axler,2013-03-05 Fear and human depravity permeate the frigid air in a once-dynamic Alaskan city. Ryan Cawdor and his group of survivalists go on red alert the moment they set foot on the forbidding tundra, but regardless, they find themselves rounded up by cannibal coldhearts. The companions quickly discover there's a fate much worse than becoming food. Original.

End Program James Axler,2014 HOPE'S ADVERSARY No one waits long for trouble in Deathlands--it's everywhere in the remains of a nuke-altered civilization. The American dream was annihilated more than a century ago by the country's own unchecked power play. But the worst may be yet to come. SURVIVAL'S CASTOFF Built upon a predark military installation in former California, a ville called Progress could be the utopia Ryan Cawdor and his companions have been seeking. A place where humanity and technology thrive, it's the nucleus of a new hope for Deathlands. The successful replacement of Ryan's missing eye with a cybernetic prosthetic nearly convinces the group that their days of surviving hell are behind them. Then they discover that the high tech in Progress isn't designed to enhance human life, but to destroy it. To block the final assault, the companions must stop Ryan from becoming a willing pawn in the eradication of mankind.

Desert Kings James Axler,2008-03-01 More than a century past the fiery dawn of post-nuclear America, Ryan Cawdor and his companions journey across a land lost yet reborn, where lawless violence and human perseverance clash, and unsolved mysteries hint at redemption. Though hope lingers under the blood and the dust, looking blindly toward the future is the surest way to get killed. Staying hard and cold for today is the only way to survive.... Traversing the terrain of Utah, Ryan Cawdor and his warrior survivalists find new evidence that the past is alive and dangerous—with a score to settle. Once before they'd battled and destroyed the brilliant and cunning cyborg known as Delphi, but he's reborn and ready to continue his drive for domination. His vast understanding of preDark tech, his cadre of well-armed cutthroats and his legions of worshippers make him monstrous in his quest for power. And he's eager for the keys to the kingdom that only the legendary

Deathlands survivors—and their secrets—can help him attain.

Hell Road Warriors James Axler,2012-03-01 The human will to survive has sharpened to a knife edge after a century of postnuclear madness. In a lawless land where firepower and savagery rule, power lies with the barons and coldhearts who wield control through terror. Against all odds, a courageous few still fight for something better to live by—honor, decency and hope. Emerging relatively unscathed from the apocalyptic rebirth of North America, Canada hides a trove of Cold War-era secret government installations known as Diefenbunkers, filled with caches of weapons, wags and food. Ryan Cawdor and his companions agree to ride sec for a convoy headed west across the remnants of the old Trans-Canada Highway to retrieve the ultimate prize: four portable nuclear reactors. It's enough power to light up a ville for years, a bright beacon for a new tomorrow. But they have death on their tail, a baron and his sec men who will stop at nothing to claim the prize as their own.

Dark Resurrection James Axler,2009-03-01 Postnuclear America has changed little since the primal leveling of the twenty-first century. Warrior survivalists Ryan Cawdor and his band live by a code that honors the kind of absolute freedom only a raw frontier can provide. Until rumors of a wider, more prosperous world than the Deathlands thriving deep in Mexico, untouched by the nukocaust, lure them into uncharted waters.... Captured by the pirate foot soldiers of the mysterious Lords of Death, Ryan Cawdor and his companions sail into a surreal world where electric lights blaze but blood terror reigns. In Veracruz, Mexico, Ryan is marked for slaughter, his effigy linked to an ancient deity. Helpless, Krysty, Dix and the others await a horrifying fate at the hands of whitecoats manipulating pre-dark plague warfare. As the Lords of Death unleash their demonic vision, hope—for Ryan, the others and nascent civilization—appears irrevocably lost.

Storm Breakers James Axler,2013-07-01 PLUNGE FROM GRACE In postapocalyptic Deathlands, America the beautiful has been ravaged by a century of nuclear fallout. Here, the American dream boils down to one thing: survival. Ryan Cawdor and his companions seize each day, armed and ready to hold on to the only life they've got. Despite the odds, they believe in something better, someplace they can call home...where peace isn't just a dream. LEGACY OF MADNESS On the coast of what used to be Maine, the group's armorer, J.B. Dix, lies dying from a gunshot wound. Having no other choice, Ryan makes a deal with a local baron and his strangely beautiful wife. J.B. will get the surgery he needs when Ryan and crew rescue the couple's daughter, abducted by slavers. But the cold, deep Atlantic waters harbor predark secrets, including the terrifying specter of a U.S.S.R. nuclear submarine...and its descendants.

Iron Rage James Axler,2015-07-07 DESPERATE MEASURES Since the nukocaust, the American dream has been reduced to a daily fight for survival. In the hellish landscape of Deathlands, few dare to dream of a better tomorrow. But Ryan Cawdor and his companions press on, driven by the need for a future less treacherous than the present. CAUGHT IN THE CROSS FIRE Pulling sec duty aboard a steamboat on the mighty Sippi is a welcome reprieve for Ryan and his friends...until armored

warships reduce their vessel to a burning husk. Abruptly stranded in a nightmarish, poisonous swamp, fighting off crocodiles and muties, the companions and their crew of allies get to work building rafts. Their escape route, however, is swiftly intercepted, and they learn they've sailed into the middle of a fierce conflict between two villes fighting over the iron trade. The companions don't seem to stand a chance against the fleets of ironclad gunboats. But in Deathlands, even the underdog can bite back...
