Mothers Are Made Danielle Sherman-Lazar, 2025-04-08 A deeply personal motherhood memoir about how the challenges moms face daily sharpen them into stronger, braver, and better parents for their children. Motherhood is hard. It's full of plenty of moments where a mom might think, "I don't know if I can do this." Danielle Sherman-Lazar has had this thought many times as she's raised her four young daughters under 10, from her struggles with breastfeeding to two of her daughters' stays at the NICU. Through personal and honest stories on motherhood and her struggles with eating disorders, *Mothers Are Made* shows how moms aren't instantly born along with their babies—mothers are made through time and experience. It's when mothers go through the fire, Danielle argues, that we are forged into resilient, brave, and courageous parents. Danielle's writing is raw and relatable, and she shows how overcoming challenges with eating disorders, then facing the challenges of perfectionism, self-doubt, anxiety, and loneliness has given her tremendous inner strength, resilience, and confidence. Through real stories full of honesty, love, tenderness, and humor, she reminds her readers that they, too, have the knowledge and tenacity to persevere through any obstacle. *Mothers Are Made* will help moms realize that they can handle crises as they arise—large or small. And they will recognize that they are not alone in their struggles. Danielle's vulnerability will help readers find the courage to keep going through the uncomfortable parts of motherhood, knowing they'll get to the other side—a better, happier, and stronger mom.

Write to TV Martie Cook, 2020-08-11 In *Write to TV* (third edition) industry veteran Martie Cook offers practical advice on writing innovative television scripts that will allow you to finally get that big idea out of your head and onto the screen. With this book you'll learn to craft smart, original stories and scripts for a variety of television formats and genres, including comedy, drama, pilots, web series, and subscription video on demand. This new edition has been updated with expanded coverage on writing for global audiences, content creation for streaming services such as Netflix, Amazon and Hulu, as well as writing the web series, podcasts and utilizing free platforms such as YouTube. It also features new chapters on writing for niche markets; breaking into the writers' room; creating binge-worthy series and how to accompany pilot scripts with a series pitch document. Plus, expanded information on creating complex and compelling characters including writing anti-heroes and strong female protagonists and much, much more. Including information directly from studio and network executives, agents, and managers on what they're looking for in new writers and how to avoid common pitfalls, advice from

successful creators and showrunners on creating original content that sells, and tips from new writers on how to get into a writers room and stay there. This book contains information from more than 20 new interviews, access to sample outlines, script pages, checklists, and countless other invaluable resources, and is the ideal book for anyone who wants to break into the TV writing industry.

Television Series of the 1980s Vincent Terrace, 2017-11-10 Television screens in the 1980s reflected some of the most memorable programs of all time. In that decade, such critically acclaimed shows as Cheers, The Golden Girls, Hill Street Blues, Newhart, and St. Elsewhere debuted. In that same decade, iconic shows like The A-Team, Baywatch, Cagney & Lacey, Knight Rider, MacGyver, Miami Vice, and Roseanne appealed to millions of viewers. Even after these shows departed the airwaves, they live on in syndication and on DVDs, entertaining many generations of viewers. In *Television Series of the 1980s: Essential Facts and Quirky Details*, Vincent Terrace presents readers with a cornucopia of information about more than seventy programs from the decade. For example, did you know that Sam Malone had an ex-wife named Deborah? Or that MacGyver's alias was Dexter Fillmore? Or Dan Fielding's license plate on Night Court read "Hot to Trot"? These are just a handful of hundreds of fun and intriguing specifics found inside this volume. Programs from all four major networks (ABC, CBS, FOX, and NBC)—as well as select syndicated programs—are represented here. This is not a book of opinions or essays about specific television programs but a treasure trove of facts associated with each show. From the name of Roseanne's diner to the title of Jessica Fletcher's first novel, readers will discover a wealth of fascinating information that, for the most part, cannot be found elsewhere. In some cases, the factual data detailed herein is the only such documentation that currently exists on bygone shows of the era. *Television Series of the 1980s* is the ideal reference for fans of this decade and anyone looking to stump even the most knowledgeable trivia expert.

No-Rules Weekend! Brad Strickland, Barbara Strickland, 2001 When Stephanie, Michelle, and DJ get the house all to themselves for a whole weekend, plans for excitement are set in motion. But things get a little too exciting when some uninvited guests show up for Stephanie's party -- guests she knows are sure to cause big trouble! And Michelle finds a diary packed with clues for a secret treasure -- one that's hidden right in the house!

Teleparody Angela Hague, David Lavery, 2002 In a cautionary attempt to dissuade those who might be tempted to write such material, *Teleparody* is a compilation of reviews of fictional - but all too possible - contributions to academic Television Studies.

American Taboo Lauren Rosewarne, 2013-08-13 America's often-unspoken morality codes make many topics taboo in the land of the free. This book analyzes hundreds of popular culture examples to expose how the media both avoids and alludes to how we derive pleasure from our bodies. Flatulence ... male nudity ... abortion ... masturbation: these are just a few of the taboo topics in the United States. What do culturally enforced silences about certain subjects say about our society—and our

latent fears? This work provides a broad yet detailed overview of popular culture's most avoided topics to explain why they remain off-limits and examines how they are presented in contemporary media—or, in many cases, delicately explored using euphemism and innuendo. The author offers fascinating, in-depth analysis of the meaning behind these portrayals of a variety of both mundane and provocative taboos, and identifies how new television programs, films, and advertising campaigns intentionally violate longstanding cultural taboos to gain an edge in the marketplace.

All Things Reconsidered Knox McCoy, 2020-06-02 Are you able to give your first impressions a second look? In this lighthearted and humorous take on life, Knox McCoy explores questioning and examining long-held ideas that no longer represent how we think. What would it mean to really examine what you think you know about yourself and your beliefs? To not just rely on the clichés you've always recited to yourself but to look deeply into why you think what you think? In *All Things Reconsidered*, popular podcaster Knox McCoy uses a unique blend of humor, pop culture references, and personal stories to show how a willingness to reconsider ideas can actually help us grow ourselves, our lives, and our beliefs. In this laugh-out-loud defense of changing your mind, Knox dives into a variety of topics including: Are participation trophies truly the worst? Is it really worth it to be a ride-or-die sports fan? Do we believe in God because of the promise of heaven—or the threat of hell? Does prayer work? Is anyone even there? In a world where we're divided by political, social, and religious differences, *All Things Reconsidered* is a hilarious and insightful book of essays that reminds us of the value of reflection and open-mindedness.

You Deserve a Drink Mamrie Hart, 2015-05-26 A New York Times bestselling, riotously funny collection of boozy misadventures from the creator of the YouTube series, "You Deserve a Drink." Mamrie Hart is a drinking star with a Youtube problem. With over a million subscribers to her cult-hit video series "You Deserve a Drink," Hart has been entertaining viewers with a combination of tasty libations and raunchy puns since 2011. Hart also co-wrote/co-starred in *Dirty Thirty* and *Camp Takota* with Grace Helbig and Hannah Hart. Finally, Hart has compiled her best drinking stories—and worst hangovers—into one hilarious volume. From the spring break where she and her girlfriends avoided tan lines by staying at an all-male gay nudist resort, to the bachelorette party where she accidentally hired a sixty-year-old meth head to teach the group pole dancing (not to mention the time she lit herself on fire during a Flaming Lips concert), Hart accompanies each story with an original cocktail recipe, ensuring that *You Deserve a Drink* is as educational as it is entertaining. With cameos from familiar friends from the YouTube scene and a foreword by Grace Helbig, this glimpse into Hart's life brings warmth and humor to the woman fans know and love. And for readers who haven't met Mamrie yet—take a warm-up shot and break out the cocktail shaker: you're going to need a drink. "Hart is a pull-no-punches comedian with a talent for self-deprecation in the guise of self-aggrandizement, a winning formula."—The New York Times

For the Birds Jacqueline Carroll, 2001 Michelle's forced to team up with Rachel Tilly for the class bird watching

assignment. When they spot a rare Cassin's finch, a reporter wants to put their pictures in the newspaper. The Semantic Web - ISWC 2009 Abraham Bernstein,David R. Karger,Tom Heath,Lee Feigenbaum,Diana Maynard,Enrico Motta,Krishnaprasad Thirunarayan,2009-11-06 As the Web continues to grow, increasing amounts of data are being made available for human and machine consumption. This emerging Semantic Web is rapidly entering the mainstream and, as a result, a variety of new solutions for searching, aggregating and the intelligent delivery of information are being produced,both in research and commercial settings. Several new challenges arise from this context, both from a technical and human-computer interaction perspective - e.g., as issues to do with the scalability and usability of Semantic Web solutions become particularly important. The International Semantic Web Conference (ISWC) is the major international forum where the latest research results and technical innovations on all aspects of the Semantic Web are presented. ISWC brings together researchers, practitioners, and users from the areas of artificial intelligence, databases, social networks, distributed computing, Web engineering, information systems, natural language processing, soft computing, and human-computer interaction to discuss the major challenges and proposed solutions, success stories and failures, as well the visions that can advance the field.

To Cheat Or Not to Cheat Debra Newberger Speregen, 1998 When Lara gives Stepahnie a study sheet for social studies class, Stepanie doesn't know that the sheet is actually a stolen copy of the test. Then Lara tries to blackmail Stephanie into stealing other tests.

Episodes Blaze Ginsberg, 2009-09-01 EPISODES is a memoir like no other. Debut writer, Blaze Ginsberg, offers a unique perspective on his life as a highly-functioning autistic 21 year old. Inspired by the format of the Internet Movie Database, Blaze organizes his life events as a collection of episodes. Some episodes are still running, some are in syndication, and some have sadly come to an end. With an innovative style and approach that is all its own, EPISODES reinvents the traditional memoir; and it will inspire young readers to see the world as they've never seen it before.
