Wrapped With a Beau Lillie Vale,2023-09-28 In its heyday, Piney Peaks and its beloved Christmas house were made famous by *Sleighbells Under Starlight*, a romantic holiday movie. Fifty years later, the small town is ready for a new love story. Elisha Rowe has her heart set on one thing and one thing only: putting her hometown back on the map. So, when she gets the chance to secure the long-hoped-for sequel to *Sleighbells Under Starlight*, she's willing to do whatever it takes to make sure everything goes smoothly. Unfortunately, that includes claiming to have already gotten permission to film at the town's historic Christmas House—permission she was very much denied by the mysterious new owner. City boy Ves Hollins is only back in Piney Peaks long enough to sell the house he inherited from his great-aunt. The holidays have always been tough for Ves, and it's not any easier when he's distracted by memories of a Christmas long, long ago, and the irresistible charm of his new neighbour, Elisha. He has no plans to put down roots or fall in love...even if Elisha is unravelling his hesitations like a bad Christmas sweater. There's no question the two are opposites in every way. Ves is undeniably frosty. Elisha is brimming with warmth. He doesn't do commitment. She never runs from a challenge. But as the two grow closer, they quickly realize that the growing spark between them may be just what the season calls for...

The Blaise Conjunction Richard Leviton, 2013-07-18 The councilors had placed a book upon the table, its cover pale blue edged in silver. The title was The Theosophon. They slid it towards me. Philomena Wilcox, Ph.D., retired professor of music, pianist, passionate devotee of Russian composers like Scriabin and Rachmaninov, thinks she is merely editing a series of prolix journals by the desert recluse Blaise. One day in 2029 she took delivery of 7,000 pages of his arcane diary entries spanning a 20-year period. His story what he thinks and writes about is exceedingly odd, mystical, and perplexing. He is anticipating a planetary event to take place in 2033. Soon enough, Philomena discovers she, impossibly, is part of this story, in fact, will be a keystone in this epochal event. It's as if through the journal pages Blaise talks directly to her and pulls her into his world of wisdom-angels, geomantic patterns, and designer planets. The pages are encoded with activation triggers. Over a three-year period, she starts to remember her true story, her astonishing past. It's a nonstop tutorial in the Mysteries.

Taught by the human Blaise and his angelic mentors, also called Blaise, seemingly right now, in the present moment. Except upwards of 35 years or more separate them in the world of linear time. Her familiar world starts to fall apart. The event is called the Theosophon. Blaise writes about it, but she designed it. That's startling enough, but Philomena is astonished to remember that she designed it eons ago in another galaxy. The Earth was created as a performance stage for it. The Theosophon is a multidimensional musical event involving the collective consciousness of humanity, the Earth, and the spiritual world. The overture of the fulfillment of the purpose of the Earth and humanity. Yes, Philomena is an integral part of this unique event, but it will cost her more than she ever thought possible.

DeMatteis, this influential, timeless "fairy tale for adults" also includes the Farewell Moonshadow illustrated novella. With gorgeous watercolor artwork by Jon J Muth and contributions from Kent Williams, Kevin Nowlan, and others!

Evil in the Christian Fantasy of C.S. Lewis and J.K. Rowling Sarah Fiona Winters, 2024-10-29 Evil in the Christian Fantasy of C.S. Lewis and J.K. Rowling: From the White Witch to the Dark Mark argues that The Chronicles of Narnia and Harry Potter series are essential reading for anyone committed to understanding the cultural constructions of evil in twentieth-century Europe, and the strategies of resistance available to different types of readers in response to those evils. This book also suggests that while the construction of evil in both series can and should be approached through a secular lens, it cannot be fully understood without a complementary understanding of religious transcendence. Sarah Fiona Winters explores the tension between theological evil on the one hand, and naturalist and politico-historical representations of evil on the other; and the tension within both the explicitly religious and the apparently secular between dualism, the belief that good and evil both exist and are locked in combat, and the belief in orthodox Christianity that evil is nothing. She examines the developments in theories about evil that arose from the experience of the Second World War, particularly those of Hannah Arendt and Stanley Milgram in 1963, arguing that Lewis presented obedience as a strategy against evil because he wrote before their work while Rowling presents disobedience as a strategy against evil as she wrote after their work.

Theatre Is My Life! Barbara J Sloan,2024-09-04 Meditation day books are popular spiritual or inspirational guides, but none have been written quite like this one. Drawing from over 50 years of working and creating, teaching and nurturing students in theatre, the author uses quotes from plays as a basis for rumination and the exploration of life, making this particular volume part memoir, part life philosophy, and part mini theatre history vignettes. This volume is written to be read each day, with one writing for each of 366 days of a year. With a spiritual message at the heart of the work, the book will also appeal to theatre and arts lovers. The author has many years experience in teaching the Enneagram, the Arts as a transcendent adventure, and other wisdom subjects. This meditation collection is good for any spiritual seeker who brings a clear heart and an open mind to spiritual exploration. As the author says, "One of the extraordinary things about working in the theatre day in and day out is that the words of the script of the play I am creating soak through my clothing, permeate my skin, penetrate my brain, and saturate my life." From these quotes, Sloan has created short reflections on life, arranged thematically for every day of the year. Plays, written by real people over the centuries, brim with the same sort of emotions and challenges, joys and fears that impact us today. The characters warn, rejoice, fuss, complain, doubt, advise, and cheer their fellows just as we do today. In this work, Sloan suggests that reading and watching plays can assist us as we review the physical, emotional, mental, and spiritual natures of our own lives. From new beginnings in January to tying up loose ends in December, these meditations become a daily traveling partner for those who want to reflect on how art and literature influence and become a part of our lives.
