Tax Compliance Q&a 2019 A. C. A. ACA Simplified, 2019-01-10 New 2019 edition based on the updated 2019 ICAEW Study Manual and including analysis of mark allocation in all recent past papers through to September 2018 (December 2018 markscheme not available at the time of writing). This edition has been fully updated and revised for the substantial changes to the 2019 TC syllabus in relation to losses and other topics. Organised into 24 separate chapters, this Q&A provides over 600 short form questions to help you learn all aspects of the Tax Compliance syllabus. Designed to complement past paper practice by splitting topics and concepts into smaller and more manageable chunks which you can revise many times before the exam, helping the knowledge to sink in. Helps to build your confidence and avoid becoming overwhelmed by the large number of learning points in full exam standard questions. Instead, our Q&A tests one thing at once and therefore allows you to learn an issue properly before moving on. Analysis of distribution of marks in past papers covering the 2009 to September 2018 period to help you focus your revision on key areas (December 2018 markscheme not available at the time of writing). All questions are designed to split topics into smaller parts, allowing you to study one thing at once and gradually build up knowledge. Detailed coverage of income tax, corporation tax, VAT, IHT, Ethics and all other key topics. See www.acasimplified.com for more information on our Q&A technique.
