The Encyclopedia of Hollywood Film Actors Barry Monush,2003-04-01 For decades, Screen World has been the film professional's, as well as the film buff's, favorite and indispensable annual screen resource, full of all the necessary statistics and facts. Now Screen World editor Barry Monush has compiled another comprehensive work for every film lover's library. In the first of two volumes, this book chronicles the careers of every significant film actor, from the earliest silent screen stars - Chaplin, Pickford, Fairbanks - to the mid-1960s, when the old studio and star systems came crashing down. Each listing includes: a brief biography, photos from the famed Screen World archives, with many rare shots; vital statistics; a comprehensive filmography; and an informed, entertaining assessment of each actor's contributions - good or bad! In addition to every major player, Monush includes the legions of unjustly neglected troupers of yesteryear. The result is a rarity: an invaluable reference tool that's as much fun to read as a scandal sheet. It pulsates with all the scandal, glamour, oddity and glory that was the lifeblood of its subjects. Contains over 1 000 photos!

The New Scottish Cinema Jonathan Murray,2015-03-31 From a near standing start in the 1970s, the emergence and expansion of an aesthetically and culturally distinctive Scottish cinema proved to be one of the most significant developments within late-twentieth and early twenty-first-century British film culture. Individual Scottish films and filmmakers have attracted notable amounts of critical attention as a result. The New Scottish Cinema, however, is the first book to trace Scottish film culture's industrial, creative and critical evolution in comprehensive detail across a forty-year period. On the one hand, it invites readers to reconsider the known - films such as *Shallow Grave*, *Ratcatcher*, *The Magdalene Sisters*, *Young Adam*, *Red Road* and *The Last King of Scotland*. On the other, it uncovers the overlooked, from the 1980s comedic film makers who followed in the footsteps of Bill Forsyth to the variety of present-day Scottish film making - a body of work that encompasses explorations of multiculturalism, exploitation of the macabre and much else in between. In addition to analysing an eclectic range of films and filmmakers, *The New Scottish Cinema* also examines the diverse industrial, institutional and cultural contexts which have allowed Scottish film to evolve and grow since the 1970s, and relates these to the images of Scotland which artists have put on screen. In so doing, the book narrates a story of interest to any student of contemporary British film.

A Comprehensive Encyclopedia of Film Noir John Grant,2023-09-21 Featuring rumples PIs, shyster lawyers, corrupt

politicians, double-crossers, femmes fatales, and, of course, losers who find themselves down on their luck yet again, film noir is a perennially popular cinematic genre. This extensive encyclopedia describes movies from noir's earliest days - and even before, looking at some of noir's ancestors in US and European cinema - as well as noir's more recent offshoots, from neonoirs to erotic thrillers. Entries are arranged alphabetically, covering movies from all over the world - from every continent save Antarctica - with briefer details provided for several hundred additional movies within those entries. A copious appendix contains filmographies of prominent directors, actors, and writers. With coverage of blockbusters and program fillers from *Going Straight* (US 1916) to *Broken City* (US 2013) via *Nora Inu* (Japan 1949), *O Anthropos tou Trainou* (Greece 1958), *El Less Wal Kilab* (Egypt 1962), *Reportaje a la Muerte* (Peru 1993), *Zift* (Bulgaria 2008), and thousands more, *A Comprehensive Encyclopedia of Film Noir* is an engrossing and essential reference work that should be on the shelves of every cineophile.

Gangster Films Michael L. Stephens, 2024-12-10 The conventions of gangster movies have become well known: the gum-chewing moll, the kiss of death, incorruptible G-men and well-dressed gangsters toting machine guns. The genre was first popularized in the silent era and has continued with such contemporary releases as *Billy Bathgate* and *Bugsy*. Films, actors, directors, producers, cinematographers, plot devices, themes and more are included in this encyclopedic reference work to

gangster films. For people, there are biographical sketches that focus on their work in gangster films. The film entries include year of release, distributor, cast and production credits, and a brief synopsis. Terms are placed in context of the genre, with relevant examples from gangster films given.

The Conspiracies of Dreams Sandra Biber Didner, 2012 Jews, Christians, Moslems, and Canaanites all share an ancient dream of possessing the land that lies between the Jordan River and the Mediterranean Sea which they hold sacred. In 1956 an Egyptian spy, Ishmael al Mohammed, is determined to gain information which will reclaim the infant state of Israel for the displaced Palestinian Arabs, one of whom is his mother. While on a secret espionage mission posing as an Israeli, he falls passionately in love with an Israeli woman, Rebecca Silverman. He must decide if he will betray the only person he will ever care for or be true to Islam, Egypt, and his family. A Christian, Danny O'Halloran, has always dreamed of walking the Stations of the Cross in Jerusalem, while a pagan donkey goddess named Palés dreams of being worshipped again by the original inhabitants of Canaan, which was renamed Palestine in her honor. Israeli politicians dream of making Israel a nuclear power while Britain and France conspire to regain the Suez Canal, which the President of Egypt nationalized. Against the backdrop of circumstances leading to the 1956 Suez War between Israel and Egypt a love story which encompasses the forbidden romance of Romeo and Juliet, Delilah's betrayal of Samson, and the treachery of Britain's MI6 double agents unfolds as Ishmael and Rebecca's story spans three millennia of history.

The Costumes of Hollywood Coleen Scott, Larry McQueen, 2025-07-04 The Costumes of Hollywood details the design, creation, and influence of over 100 ensembles from some of the most iconic designers, films, and roles in Hollywood history, spanning the 1920s through the early 21st century. All costumes featured are from The Collection of Motion Picture Costume Design, one of the world's largest private collections, curated over thirty-five years by leading Hollywood costume historian and archivist, Larry McQueen. The book presents full costumes on display in addition to close-ups, and rarely seen interior details of some garments. Iconic costumes, including many with Academy Award nominations, from *Some Like It Hot*, *Hello Dolly*, *Cabaret*, *Rear Window*, *Ben Hur*, *Mildred Pierce*, *Angel*, *Masters of the Universe*, *The Piano*, *The Hunger Games*, and so many others are featured. This book gives the audience a rare and heretofore unpublished insight into what collecting, restoring, and reproducing entails, and highlights differences between private collecting and museum-backed collections. The Costumes of Hollywood details the significance of the designer, costume, and wearer via thorough research, interviews, and Larry McQueen's behind-the-scenes knowledge of collecting and working as an archivist in Hollywood. Within the entertainment field, this book will be of interest to professional costume designers and technicians in film, theatre, and

performance, as well as students of film production, history, and costume design and construction. The Costumes of Hollywood will also enrich and entertain anyone with an interest in costume design in film and collecting.

The book is divided into two parts; the sound era, which has most of the entries, and the silent era, with about 700 names. Actors listed in this second section made no appearances after 1928. Actors whose careers spanned both talking films (which began in Britain in 1929) and silents are listed in the larger first section. Scottish, Irish, Welsh, Australian, Canadian, South African, and other British Commonwealth performers are included; British-born actors whose films were made outside the United Kingdom (as in Hollywood) and those born in foreign countries who filmed in Britain are also included. Birth and death dates are given when they could be traced. A brief character description is followed by the list of films, in chronological order. Original film titles and the year they were completed are also included.

Military Comedy Films Hal Erickson,2012-08-02 Beginning with Charlie Chaplin's Shoulder Arms, released in America near the end of World War I, the military comedy film has been one of Hollywood's most durable genres. This generously illustrated history examines over 225 Army, Navy and Marine-related comedies produced between 1918 and 2009, including the abundance of laughspinners released during World War II in the wake of Abbott and Costello's phenomenally successful Buck Privates (1941), and the many lighthearted service films of the immediate postwar era, among them Mister Roberts (1955) and No Time for Sergeants (1958). Also included are discussions of such subgenres as silent films (The General), military-academy farces (Brother Rat), women in uniform (Private Benjamin), misfits making good (Stripes), anti-war comedies (MASH), and fact-based films (The Men Who Stare at Goats). A closing filmography is included in this richly

detailed volume.
