## Cory Doctorow

*Walkaway* Cory Doctorow, 2017-04-25 Kirkus' Best Fiction of 2017 From New York Times bestselling author Cory Doctorow, an epic tale of revolution, love, post-scarcity, and the end of death. *Walkaway* is now the best contemporary example I know of, its utopia glimpsed after fascinatingly-extrapolated revolutionary struggle. —William Gibson Hubert Vernon Rudolph Clayton Irving Wilson Alva Anton Jeff Harley Timothy Curtis Cleveland Cecil Ollie Edmund Eli Wiley Marvin Ellis Espinoza—known to his friends as Hubert, Etc—was too old to be at that Communist party. But after watching the breakdown of modern society, he really has no where left to be—except amongst the dregs of disaffected youth who party all night and heap scorn on the sheep they see on the morning commute. After falling in with Natalie, an ultra-rich heiress trying to escape the clutches of her repressive father, the two decide to give up fully on formal society—and walk away. After all, now that anyone can design and print the basic necessities of life—food, clothing, shelter—from a computer, there seems to be little reason to toil within the system. It's still a dangerous world out there, the empty lands wrecked by climate change, dead cities hollowed out by industrial flight, shadows hiding predators animal and human alike. Still, when the initial pioneer walkaways flourish, more people join them. Then the walkaways discover the one thing the ultra-rich have never been able to buy: how to beat death. Now it's war - a war that will turn the world upside down. Fascinating, moving, and darkly humorous, *Walkaway* is a multi-generation SF thriller about the wrenching changes of the next hundred years...and the very human people who will live their consequences. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*13 Things Rich People Won't Tell You* Jennifer Merritt, Roe D'Angelo, 2013-09-12 Did you read about the janitor who donated \$1 million dollars to his local library? Do you ever watch in amazement as your well-off boss haggles over the price of a tuna fish sandwich? Is it possible to find an advisor to help you invest your money—without losing it all to a Bernie Madoff-like con man? In the same spirit of Reader's Digest magazine's popular 13 Things They Won't Tell You series, the

editors at America's Most Trusted Magazine have developed the ultimate roadmap for making the most of your money and avoiding the wallet-sucking scams that are keeping you off Easy Street. We talked to everyday and not-so-everyday rich folks, and to the experts who helped make them rich, to learn their secrets on what to save for, how much to save—and where to stash cash so that it grows (hint: not that bank savings account). We also got their tips for developing “rich guy vision”: The uncanny ability to make financial goals and reach them in five, ten even 20 years—while smartly navigating economic pitfalls and surprises. You'll learn what services you should be getting for free, how to ask the right questions to get behind-the-scenes deals, and how to “live rich” even on an everyday budget. You'll stop wasting money, blowing your budget (or flying blind without one), and getting scammed. This book will enlighten you, horrify you, and give you a whole new perspective on when to spend and when to stash it deep in your pockets. Inside you'll discover countless eye-opening strategies for: Saving and investing. The savvy tricks you need to know to grow your money wisely—from branching out beyond your 401K to getting tax breaks you didn't know you deserved. Plus: what the IRS, stockbrokers, and bankers won't tell you. House and home. All the tips your rich neighbors might not want you to know, including: smart versus stupid renovations; smart ways to increase your home's value; advice on first and second mortgages; buying and selling your home. Plus, what your mortgage lender and real estate agent won't tell you. The Household Budget: How to build a budget that lets you “live rich” while saving. Topics include smart vs. stupid splurges; online budget tools and calculators; tips for saving on utilities, gasoline, groceries and car repairs. College planning. Some of the most famous rich people in the country (Mark Zuckerberg, anyone?) are also famous for dropping out of college. You'll get out-of-the-box thinking about the value of private versus public universities; 529 plans; loans, scholarships, and financial aid; advice from college admissions officers. Of course, millionaires also tell us how they made money by following their hearts and doing what they love—and you can approach your kids' education with that in mind. Plus: what your scholarship and test-prep services, financial planner, and student-loan company won't tell you. Retirement. How the rich really want to spend their golden years, and the clever ways they seed the ground now to ensure their retirement dreams bloom and flourish later. Plus what your 401(k) manager, pension plan, and financial planner won't tell you. Along the way, you'll discover top savings strategies for clipping coupons and hunting down bargains, how to pass Go and collect the big salaries, and the biggest mistakes that cost the rich their fortunes. With this handy companion, you'll have all the savvy, patience, and smarts you'll ever need to get ahead—and stay there.

**I Left It on the Mountain** Kevin Sessums, 2015-02-24 On his 53rd birthday, Kevin Sessums woke up in his L.A. hotel room wondering how he would get through his scheduled interview with Hugh Jackman. For years he had interviewed the bright lights: Madonna, Courtney Love, Jessica Lange, and all the other usual suspects; but, Kevin knew that his rapidly unraveling life was as shallow as the hotel's hip furniture and he was hanging on by his fingertips. In *I Left It on the Mountain*, Sessums chronicles his early days in NY as an actor, his years working for Andy Warhol at Interview and Tina Brown at Vanity Fair, countless nights of anonymous sex, his HIV Positive diagnosis and his descent into addiction. It's also the chronicle of one man's spiritual redemption found while climbing to the top of Mt. Kilimanjaro, walking the Camino de Santiago de Compostelo and trudging across the cold, lonely winter beaches of Provincetown. Peopled with the famous like Daniel Radcliffe and Diane Sawyer as well as anonymous companions corporeal and otherwise whom he met while mountain climbing and hiking, *I Left It on the Mountain* is the story of one man's fall and rebirth, the next moving chapter in Kevin Sessums' extraordinary life that takes him from the high to the low and back again. For readers who loved Mississippi Sissy and want to know what happened to that tenacious little boy with the baseball mitt, *I Left It On the Mountain* is the sometimes very dark, but ultimately hopeful answer.

**Transgender Children and Young People** Heather Brunsell-Evans, Michele Moore, 2018-04-18 This book is a collection of essays about the current theory and practice of transgendering children. Essays are written against the grain of the popularised medical definition of 'the transgender child' as a young person whose 'true' gender lies in the brain, or pre-social 'identity'. Contributors contest this diagnosis from a range of perspectives, including as social theorists, psychotherapists, persons living as transgender, individuals who have de-transitioned, and parents of adolescents identifying as transgender. They argue that medicine, social policy and the law build ideas about 'the transgender child', and contend

that it is politics, not science, which accounts for the exponential rise in the number of children diagnosed as transgender by gender identity clinics. They conclude that today's medical and social trend for transgendering children is not liberal and progressive, but politically reactionary, physically and psychologically dangerous and abusive.

**Full Frontal Stupidity** Barry Parham, 2012-04-26 Praise for Full Frontal Stupidity Parham is at the very top echelon of American humorists, equal to Dave Barry or David Sedaris on their best day. Linton Robinson (Editor, My Funny Valentine) Humor columnist Barry Parham is back, launching his latest salvo of hilarious, thought-provoking, take-no-prisoners observations. on being single... Single guys buy milk in small, manageable doses, as if they were bringing home work, or morals. It would never cross a single guy's mind to buy an entire gallon of anything, much less some expiring liquid that can mutate into something that smells like Detroit looks. on auto racing... I'm the first to admit that racing takes talent ... not to mention bravery. But, there's bravery involved in putting your hand on a hot stove, too. Sadly, though, after you're done with the stove, there's nothing much left but discipline, and learning to write with your other hand. on politics... Contestant #3 was unable to make it, but he did swing by and vote 'Present' so we would validate his parking, and he would like to remind our studio audience that was for showing up before he was against it. **The Influential Mentor** Maina Mwaura, 2023-06-06 Lessons from the legacy of beloved Prof Howard Hendricks Over the span of four years, journalist Maina Mwaura noticed an intriguing pattern while interviewing hundreds of prominent leaders: many of them were deeply shaped by longtime Dallas Theological Seminary professor Howard Hendricks. The Influential Mentor tells the story of Hendricks' life while capturing his visionary character and leadership legacy. Hendricks, like all of us, struggled. He overcame a difficult childhood and battled depression. Parenting was a challenge. Yet he got up every week for sixty years to teach and mentor with incredible zeal and humility. This book combines the reality of struggle with the audacity of faith to empower others to lead in a manner worthy of Jesus Christ and His gospel. But at its heart, this is a book about more than Howard Hendricks. It's about well-tested methods that have shaped a movement—methods that will help today's leaders weather cultural storms and be more effective. In a time where division seems the norm, renowned “Prof” Hendricks imparts a unifying influence. Mwaura shares interviews with Tony Evans, Robert Jeffress, Dennis and Barbara Rainey, Gene Getz, Andy Stanley, Jennie Allen, and more—each testifying to a life of spiritual, emotional, and physical perseverance. As Christians apply the lessons of Prof Hendricks' life, they too will be encouraged and strengthened to be a person of great influence for the cause of Christ! The Influential Mentor highlights the leadership success of a contemporary giant of the faith, while inspiring Christians toward the same faithful endeavor.
