

Lengua Y Literatura 1 Edelvives Pdf

Arsenio Sánchez

Del multiculturalismo a los mundos distópicos Maya Retamar, Guadalupe de la, López Pérez, Magdalena, 2020-01-01 La cambiante sociedad actual plantea continuamente nuevos retos y demandas a una escuela que, en muchas ocasiones, se caracteriza por su lentitud en dar respuesta a las necesidades que se van generando. Es necesario, por tanto, un cambio educativo, en los objetivos y metodologías, que permita responder adecuadamente a los retos que la sociedad plantea: una educación personalizada, con el alumnado en el centro del proceso, que fomente la creatividad y la curiosidad, que despierte el gusto por aprender, que contribuya a una formación integral y que conduzca a aprendizajes bien fundamentados, sólidos y duraderos. En esta línea, el presente volumen, que está destinado al profesorado de lenguas y literaturas en activo, así como a los alumnos universitarios que se preparan para ser docentes, recoge investigaciones, reflexiones y propuestas que examinan nuevos enfoques, ejemplifican diferentes estrategias y se cuestionan acerca de la formación inicial en el ámbito de la enseñanza y el aprendizaje de la lengua y la literatura.

Enseñar a leer y escribir en educación inicial María Cristina Solís Zañartu, Emy Suzuki S., Paz Baeza B., 2018 La enseñanza de la lengua en la Educación Inicial es una tarea desafiante para los educadores, no sólo porque aprender a leer y escribir es un reto para cada estudiante, sino porque este conocimiento es trascendental para que ellos puedan aprender de otras disciplinas. Este texto aborda los aspectos teóricos que constituyen el marco referencial de una propuesta para desarrollar las competencias orales, de lectura y de escritura, como también sugerencias de actividades para la enseñanza de la lectura y escritura en el nivel inicial, a partir de un modelo didáctico equilibrado. Las autoras presentan nueve estrategias que favorecen significativamente la comprensión de lectura y la producción de textos escritos: lectura en voz alta, lectura compartida, lectura guiada, lectura independiente, escritura modelada, escritura interactiva, escritura guiada, escritura independiente y centros de aprendizaje. Asimismo, se presentan sugerencias de actividades para el desarrollo de la lectura y escritura y se ofrecen recursos y secuencias didácticas que ilustran y orientan a los educadores en la implementación de la propuesta, lo que convierte a este texto en una herramienta práctica y de gran utilidad para apoyar el desarrollo de la oralidad, la lectura y la escritura de los más pequeños.
