American Sabor Marisol Berrios-Miranda,Shannon Dudley,Michelle Habell-Pallan,2017-12-15 Evoking the pleasures of music as well as food, the word *sabor* signifies a rich essence that makes our mouths water or makes our bodies want to move. *American Sabor* traces the substantial musical contributions of Latinas and Latinos in American popular music between World War II and the present in five vibrant centers of Latin@ musical production: New York, Los Angeles, San Antonio, San Francisco, and Miami. From Tito Puente's mambo dance rhythms to the Spanglish rap of Mellow Man Ace, *American Sabor* focuses on musical styles that have developed largely in the United States—including jazz, rhythm and blues, rock, punk, hip hop, country, Tejano, and salsa—but also shows the many ways in which Latin@ musicians and styles connect US culture to the culture of the broader Americas. With side-by-side Spanish and English text, authors Marisol Berrios-Miranda, Shannon Dudley, and Michelle Habell-Pallán challenge the white and black racial framework that structures most narratives of popular music in the United States. They present the regional histories of Latin@ communities—including Chicanos, Tejanos, and Puerto Ricans—in distinctive detail, and highlight the shared experiences of immigration/migration, racial boundary crossing, contesting gender roles, youth innovation, and articulating an American experience through music. In celebrating the musical contributions of Latinos and Latinas, *American Sabor* illuminates a cultural legacy that enriches us all.

Puerto Rico - Madre Isla Eugenio María de Hostos,2001 The thematic sense of unity in this work further evidences the great conceptual range of the two volumes entitled *Puerto Rico - Madre Isla*. Hostos's tremendously rich observations are still applicable to many elements that continue to impact on Puerto Rico as a crossroads of history.

Gender, Ethnicity, and the State Juanita Diaz-Cotto, 1996-04-04 *Gender, Ethnicity, and the State* is a study of Latina and Latino prisoners in New York State. Through the use of two case studies, it compares the organizing strategies for reform pursued by Latina and Latino prisoners between 1970 and 1987, the support they received from non-Latina(o) prisoners and third parties, and the response of penal personnel to their calls for support. The work also contains information on Latino prisoner participation and community response to both the 1971 Attica Rebellion and the 1970 New York City jail rebellions. The data for this study was compiled through a combination of primary and secondary sources. Primary sources include in-depth interviews and oral histories conducted with Latina(o) and African-American ex-prisoners, prisoners' rights attorneys, community activists, and penal staff. Other primary sources include prisoner and mainstream English and Spanish language newspapers; prisoners' rights newsletters; court cases; and government and private organizational reports.
