

Neal Shusterman Scythe Series

Neal Shusterman

The Arc of a Scythe Paperback Trilogy (Boxed Set) Neal Shusterman, 2020-12-01 Two teens must master the “art of killing” in this New York Times bestselling, Printz Honor-winning series from Neal Shusterman. Thou shalt not kill: A world with no hunger, no disease, no war, no misery. Humanity has conquered all those things, and has even conquered death. Now scythes are the only ones who can end life—and they are commanded to do so, in order to keep the size of the population under control. Citra and Rowan are chosen to apprentice with a scythe—a role that neither wants. These teens must master the “art” of taking life, knowing that the consequence of failure could mean losing their own. When they try to break free of their roles, the two apprentices discover those in power will not peacefully relinquish their control. Can Citra and Rowan change things for the better without being silenced themselves? This collectible boxed set includes paperback editions of: *Scythe* *Thunderhead* *The Toll*

Scythe Neal Shusterman, 2017-11-28 Two teens must learn the art of killing in this Printz Honorwinning book, the first in a chilling new series from the author of the New York Times-bestselling *Unwind* dystology. 5 1/2 x 8 5/16.

Arc of a Scythe Pack Neal Shusterman, 2019-11 All three titles in the internationally bestselling *Arc of a Scythe* series: *Scythe*, *Thunderhead* and *The Toll*. Collect each title in the explosive *Arc of a Scythe* series by New York Times bestseller Neal Shusterman.

Scythe Neal Shusterman, 2018 In a perfect world, what is there left to fear? A chilling and thought-provoking sci-fi novel from New York Times bestselling author Neal Shusterman. A dark, gripping and witty thriller in which the only thing humanity has control over is death. In a world where disease, war and crime have been eliminated, the only way to die is to be randomly killed (gleaned) by professional scythes. Citra and Rowan are teenagers who have been selected to be scythes' apprentices, and despite wanting nothing to do with the vocation, they must learn the art of killing and understand the necessity of what they do. Only one of them will be chosen as a scythe's apprentice and as Citra and Rowan come up against a terrifyingly corrupt Scythedom, it becomes clear that the winning apprentice's first task will be to glean the loser.

Thunderhead Neal Shusterman, 2019-06-04 “Intelligent and entertaining.” —Kirkus Reviews (starred review) “Even better than the first book.” —School Library Journal (starred review) Rowan and Citra take opposite stances on the morality of the Scythedom, putting them at odds, in the chilling sequel to the Printz Honor Book *Scythe* from New York Times

bestseller Neal Shusterman, author of the Unwind dystology. Humans learn from their mistakes. I cannot. I make no mistakes. The Thunderhead is the perfect ruler of a perfect world, but it has no control over the scythedom. A year has passed since Rowan had gone off grid. Since then, he has become an urban legend, a vigilante snuffing out corrupt scythes in a trial by fire. His story is told in whispers across the continent. As Scythe Anastasia, Citra gleans with compassion and openly challenges the ideals of the “new order.” But when her life is threatened and her methods questioned, it becomes clear that not everyone is open to the change. Old foes and new enemies converge, and as corruption within the Scythedom spreads, Rowan and Citra begin to lose hope. Will the Thunderhead intervene? Or will it simply watch as this perfect world begins to unravel?

The Arc of a Scythe Trilogy (Boxed Set) Neal Shusterman, 2019-11-19 Two teens must learn the “art of killing” in this Printz Honor-winning series from Neal Shusterman, author of the New York Times bestselling Unwind dystology. This collectible boxed set includes hardcover editions of: Scythe Thunderhead The Toll

The Arc of a Scythe Collection (Boxed Set) Neal Shusterman, 2023-01-24 Two teens must master the “art of killing” in this New York Times bestselling, Printz Honor-winning series from Neal Shusterman—all four books are now together in a collectible hardcover boxed set! Thou shalt not kill: A world with no hunger, no disease, no war, no misery. Humanity has conquered all those things and has even conquered death. Now scythes are the only ones who can end life—and they are commanded to do so to keep the size of the population under control. Gleanings: Stories from the Arc of a Scythe Neal Shusterman, 2022-11-30

The Toll Neal Shusterman,2019

Gleanings Neal Shusterman,2023-11-07 A collection of stories that span the time when humans live in a world without hunger, disease, or death and Scythes act as the living instruments of population control.

The Cambridge Companion to American Utopian Literature and Culture since 1945 Sherryl Vint,2024-05-16 Provides an overview of ways that utopian thinking has shaped American culture, focusing on the need to remake imperial USA.

Ashes of Gold J. Elle,2023-02-07 Half god and half human, Rue has made a vow to restore the magic that the Chancellor and the Grays have stolen from the Ghizoni and take back their land; she has more fully embraced her identity among the people of Yiyo Peak, but she is also from East Row in Houston, and girls from East Row do not give in to oppressors.

A Return to Common Sense Leigh McGowan,2024-09-17 A political book for non-political people from viral TikTok sensation PoliticsGirl. Something's gone wrong in the Land of the Free and the Home of the Brave. We can all feel it, but if we're being honest, most of us don't understand it. At the end of the day, we don't have all the facts, and if you don't know how something works, how do you fix it? A Return to Common Sense is a concise, no-nonsense, dare we say fun, guide to how America works and a roadmap to reclaiming a government of, by, and for the people. If we truly want to be a land of freedom and opportunity where everyone has a shot at a good life, we must acknowledge the ideals of America are in danger, but worth saving. We fought a revolutionary war for the idea of self-governance and pursuit of happiness—we can't just give up on it now. To address the crisis, Leigh McGowan offers Six American Principles. Six ideals, rooted in history, that we can all agree make America, America. 1. America is a land of freedom. 2. Everyone should have the opportunity to rise. 3. Every citizen should have a vote, and that vote should count. 4. Representatives should represent the people who elected them. 5. The law applies to all of us. 6. Government should be a force for good. Using the Six Principles as guideposts, this book will lay out suggestions for America, to not only find its way out of the mess it's currently in, but to set a course for a future of which we can all be truly proud. It's time to find the courage to step out of our comfort zones and off our team benches to reboot America. If we start here, we start strong. We can fix this, but the way forward starts with understanding.

The Death and Life of Zebulon Finch, Volume Two Daniel Kraus,2017-10-24 The conclusion to Daniel Kraus's saga about a murdered teen who is resurrected to walk the earth for decades to come--

Cursed Thomas Wheeler,2019-10-01 Now an original series starring Katherine Langford on Netflix! The Lady of the Lake is the true hero in this cinematic twist on the tale of King Arthur created by Thomas Wheeler and legendary artist, producer, and director Frank Miller (300, Batman: The Dark Knight Returns, Sin City). Featuring 8 full-color and 30 black-and-white pieces of original artwork by Frank Miller. Whosoever wields the Sword of Power shall be the one true King. But what if the Sword has chosen a Queen? Nimue grew up an outcast. Her connection to dark magic made her something to be feared in her Druid village, and that made her desperate to leave... That is, until her entire village is slaughtered by Red Paladins, and

Nimue's fate is forever altered. Charged by her dying mother to reunite an ancient sword with a legendary sorcerer, Nimue is now her people's only hope. Her mission leaves little room for revenge, but the growing power within her can think of little else. Nimue teams up with a charming mercenary named Arthur and refugee Fey Folk from across England. She wields a sword meant for the one true king, battling paladins and the armies of a corrupt king. She struggles to unite her people, avenge her family, and discover the truth about her destiny. But perhaps the one thing that can change Destiny itself is found at the edge of a blade.

All Better Now Neal Shusterman, 2025-02-04 An Instant New York Times Bestseller From New York Times bestselling author Neal Shusterman comes a "thought-provoking and grimly enjoyable" (Kirkus Reviews) "epic biological thriller" (Publishers Weekly, starred review) about a world where happiness is contagious but the risks of catching it may be just as dangerous as the cure. A deadly and unprecedented virus is spreading. But those who survive it experience long-term effects no one has ever seen before: utter contentment. Soon after infection, people find the stress, depression, greed, and other negative feelings that used to weigh them down are gone. More and more people begin to revel in the mass unburdening. But not everyone. People in power—who depend on malcontents and prey on the insecure to sell their products, and convince others they need more, new, faster, better everything—know this new state of being is bad for business. Surely, without anger or jealousy as motivators, productivity will grind to a halt and the world will be thrown into chaos. Campaigns start up to convince people that being eternally happy is dangerous. The race to find a vaccine begins. Meanwhile, a growing movement of Recoverees plans ways to spread the virus as fast as they can, in the name of saving the world. It's nearly impossible to determine the truth when everyone with a platform is pushing their agenda. Three teens from very different backgrounds who've had their lives upended in very different ways find themselves at the center of a power play that could change humanity forever.

The Toll Neal Shusterman, 2019-11-05 In the highly anticipated finale to the New York Times bestselling trilogy, dictators, prophets, and tensions rise. In a world that's conquered death, will humanity finally be torn asunder by the immortal beings it created? Citra and Rowan have disappeared. Endura is gone. It seems like nothing stands between Scythe Goddard and absolute dominion over the world scythedom. With the silence of the Thunderhead and the reverberations of the Great Resonance still shaking the earth to its core, the question remains: Is there anyone left who can stop him? The answer lies in the Tone, the Toll, and the Thunder.

Quoted Ella Catherine, 2022-01-15 Quoted is a book to encourage teens that they are worth it, loved, and God has a plan for them. The book has a mixture of short stories, questions, advice, Bible stories, and entries, especially for the reader. Throughout one year, the reader will learn many things through a teen's point of view. p.

Play in Utopian and Dystopian Fiction Matthew Leggatt, 2025-07-28 Play in Utopian and Dystopian Fiction is a wide-

ranging and interdisciplinary study of the different forms of play to be found in depictions of radically better and radically worse societies across literary, filmic, and televisual texts. The book sets out to dismantle common myths about the role of play in such fiction by arguing that, far from being dull and static, utopias are primarily playful and dynamic. In contrast, in the twentieth and twenty-first centuries, dystopian fiction has been popularized by reader and audience expectations of spectacular and exciting action, but in this book such readings of dystopia are also challenged. Accompanying this is a discussion about labor and its role in relation to a future society that might privilege play over work. The book covers texts as diverse as Thomas More's originary 1516 travel narrative, *Utopia*, and South Korean Netflix dystopian hit *Squid Game* (2021-25). It consists of chapters detailing the nature of play in utopian fiction; the connection between utopia and stasis; dystopian forms of violent and deadly play; boring dystopias; the absurd in utopian and dystopian fiction; and, finally, the future of play promised by new digital utopias and made possible by videogame technologies.

Unveiling the Magic of Words: A Review of "**Neal Shusterman Scythe Series**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring. Enter the realm of "**Neal Shusterman Scythe Series**," a mesmerizing literary masterpiece penned by a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve to the book's central themes, examine its distinctive writing style, and assess its profound impact on the souls of its readers.
