Hearing Jesus Kourtney Govro,2023-01-10 "You can never go wrong studying, Jesus," Dr. Darrel Bock told me. This has become one of my favorite phrases. The Bible is one of the most accessible, understandable, and yet completely complex books ever written. It is filled with stories, advice, love letters, prophecy, poems, and prose. It is history in all its rawness combined with a promise that started when time began and was fulfilled with Jesus. With him as our focus, we cannot go wrong. If you have ever wondered, "Who is this Jesus?", "What does He stand for?", "What does it mean to be a follower of Christ?", or "What makes Him different than religion?", then I encourage you to take a journey through the Sermon on the Mount. Nothing speaks to the heart of the Messiah's mission more than it does.

The Story So Far Ann Cattanach,2002-06-15 Play therapy can be a very appropriate way of facilitating this kind of expression. This book describes the work of nine play therapists through the narratives of children - and some adults - whose stories emerge during their play therapy sessions.

The Long Win - 2nd edition Cath Bishop,2024-05-20 'This is a deep and rewarding exploration of human motivation' The Financial Times 'Powerful and profound' - Matthew Syed 'This book will change your outlook on everything.' - Clare Balding Reimagining success in sport, business, education, politics and life. In this compelling examination of our obsession with winning, Cath Bishop draws on her extraordinary mix of experience to trace how increasingly narrow concepts of winning constrain our personal and professional lives. How do we redefine success in order to explore our potential more effectively over the long- term? In this second edition, Cath adds fresh insight from working with leaders who are putting The Long Win into practice and offers additional tips and strategies to leaders looking to unlock sustainable high performance. Cath is a triple Olympian, World Champion and Olympic silver medalist in rowing. In her career as a diplomat, she specialized in stabilization policy for conflict-affected parts of the world. She now works as a coach and consultant, advising on leadership, performance and culture across business, sport and education, and teaches on Executive Education programmes at the Judge Business School, Cambridge University. She is a globally sought-after speaker. 'It's not often you can say a book will change

your life, but this certainly could.' Daily Mail 'Anyone interested in motivation should read this book and think deeply.'
