Its oral interpretations have piqued the interest of many, ranging from majestic tales of the Orishas to life-changing teachings of reincarnation. Embárcate en un viaje transformador que profundiza en las ricas tradiciones espirituales y el profundo conocimiento de los antepasados. The Diloggún Ócha'ni Lele, 2003-07-28 The first book on Santería's holiest divination system to thoroughly explore each family of odu and how their actions and reactions affect the spiritual development of the client. • Includes the major considerations for sacrifice, providing the diviner with ways to placate and supplicate the Afro-Cuban deities known as orishas. • Demonstrates how to properly end a reading so that negative vibrations are fully removed from the diviner's home. • Provides a thoroughly detailed description of each of the 12 families of odu that exist in the diloggún—from Okana through Ejila Shebora. The diloggún is more than a tool of divination. It is a powerful transformational process, and the forces that are set in motion when it is cast determine the future evolution of the adherent. The Diloggún is the first book to explore this Afro-Cuban oracle from the perspective of diaspora orisha worship. It is also the first book to explore the lore surrounding this mysterious oracle, which is the living Bible of one of the world's fastest growing faiths. The twelve families of odu that are available to the diviner include 192 omo odu, the children of the odu, and each of these patterns or letters has its own proverbs, meanings, prohibitions, and sacrifices. Ócha'ni Lele provides the secret but essential information that the adept diviner needs to know to ensure that every element affecting a client's spiritual development is taken into consideration during a reading. His book is also the first to detail how to properly end a session so that negative vibrations are absorbed by the orishas and fully removed from the diviner's home. For those seeking the wisdom of ancient Africa, The Diloggún is an indispensable guide to the mysteries of the orishas.

Powers of the Orishas Migene González-Wippler, 1992 During the slave trade, the Yoruba of southwestern Nigeria who were brought to Cuba were forbidden to practice their religion by their Spanish masters. To protect themselves, the slaves opted for the identification and disguise of the Orishas with some of the Catholic Saints worshipped by the Spaniards, allowing them to worship their deities without fear of punishment. This book presents the major Orishas of Santeria in their

syncretic identifications with some of the Catholic Saints.

Cuban Santería Nalyan Chacon Ruiz,2021-01-11 Which Orisha calls to you? Orishas are African spirits respected and served in Cuban Santeria, as well as other Caribbean traditions. Santería is a religion with Afro-Cuban roots, born of the cultural clash between the Yoruba people of West Africa and the Spanish Catholics who brought them to the Americas as slaves. What makes Santeria so unique is the fact that it is a syncretic religion - it combines the beliefs and practices of several religions, primarily the African Yoruba religion with Roman Catholic elements mixed in. Today, many people still turn to the Orishas for help and guidance in not only their little problems, but also the big ones of life. You will learn that each Orisha have specific actions and temperament.
