

Panic In Needle Park Cast

Vincent LoBrutto, Harriet R. LoBrutto

My Casting Couch Was Too Short Marion Dougherty, Robert Roussel, 2015-01-14 A personal memoir based on the life of a Hollywood casting icon. Marion Dougherty lent a helping hand with discovering the careers of legendary actors such as James Dean, Warren Beatty, Robert De Niro, Dustin Hoffman, Al Pacino, Robert Redford, Mel Gibson, Danny Glover, Jon Voight, Robert Duvall, Gene Hackman, Bette Midler, Glenn Close, Diane Lane, Brooke Shields, and countless others. Dougherty began her casting profession in New York during the Golden Age of Television, casting well over six hundred episodes of Kraft Television Theatre, Naked City, and Route 66, which led to her very successful career in the motion picture industry. She became the first female casting executive at Paramount Pictures in 1975 before securing the position of vice president of talent at Warner Brothers in 1979, a position she held up until her retirement in the year 2000. Dougherty's casting career spanned over fifty years, and the many personal anecdotes that she shares in *My Casting Couch Was Too Short* are a must-read.

The Coppolas Vincent LoBrutto, Harriet R. LoBrutto, 2012-08-22 This fascinating, behind-the-scenes look at a Hollywood dynasty offers an in-depth study of the films and artistry of iconic director Francis Ford Coppola and his daughter, Sofia, exploring their work and their impact on each other, both personally and professionally. *The Coppolas: A Family Business* examines the lives, films, and relationship of two exemplary filmmakers, Francis Ford Coppola and his daughter Sofia. It looks at their commonalities and differences, as artists and people, and at the way those qualities are reflected in their work. Much of the book is devoted to Francis and his outstanding achievements—and equally notable failures—as a screenwriter, director, producer, and presenter of landmark works of cinema. The narrative goes beyond the heyday of his involvement with Hollywood to analyze his more recent projects and the choices that led him to create small, independent films. In Sofia's case, the story is one of women's growing independence in the arts, revealing how Sofia developed her craft to become a cinematic force in her own right. In addition to its insightful commentary on their contributions to cinema past and present, the volume provides intriguing hints at what fans might anticipate in the future as both Coppolas continue to expand their artistry.

Heroes of the New Hollywood Dan Lalande, 2024-11-19 In instant classics spanning the 1970s, audiences watched Dustin Hoffman, Gene Hackman, Jack Nicholson, Al Pacino, Robert Duvall, and Robert De Niro come of artistic age.

Together, this dynamic group advanced the craft of screen acting and redefined what it meant to be a man in the age of post-'60s disillusionment, burgeoning feminism, and the narcissistic machoism of disco culture. The book, featuring 35 photographs, is a critical and historical look at the films, performances, and career arcs of six of the biggest male stars of the 1970s. Studying them in the context of the times, it also touches on several of their contemporaries including Marlon Brando, Laurence Olivier, George C. Scott, Charlton Heston, Paul Newman, Steve McQueen, Robert Redford, Warren Beatty, James Caan, Donald Sutherland, Charles Bronson, Clint Eastwood, Burt Reynolds, Richard Dreyfuss, and Bruce Lee.

Drugs and Alcohol in the 21st Century Dwight Vick, 2010-10-22 *Drugs & Alcohol in the 21st Century: Theory, Behavior, & Policy* examines the collective response to addictive behaviors in America, and its influence on the creation and implementation of national policy in the 20th and 21st century. A close look is given to America's response to five drugs with ambiguous political histories – alcohol, cocaine, hallucinogens, marijuana, and opiates. The physical and psychological conditions that contribute to addictive behaviors are explored, as well as how those conditions impact individuals, families and communities. Responses from politicians, the alcohol and drug industry, citizens groups, and bureaucracies including law enforcement, public health, schools and colleges are discussed.

The Rough Guide to Cult Movies Rough Guides, 2010-08-02 *The Rough Guide to Cult Movies* offers a blend of essential trivia and informed opinion as it takes you on a tour of the most compellingly weird - and weirdly compelling - films in the world. Whether you're a paid-up member of The Big Lebowski fan club or just looking for a night in with an interesting DVD, *The Rough Guide to Cult Movies* is the ultimate guide to the world's most memorable films. *The Rough Guide to Cult Movies* selects cinema's most compelling triumphs: films that are brilliant, intriguing or just plain bizarre; from action flicks to zombie films, by way of nuns, yakuza, musicals and mutations. You'll find expert, pithy reviews of over 1500 movies, with forgotten legends like Charlie Chan and the Opera or contemporary classics like *There Will Be Blood*, plus filmmakers' picks of their favourite cult movies, in their own words. There are good movies and there are bad movies and then there are cult movies.

Directory of World Cinema: American Independent John Berra, 2010-05-01 With high-profile Academy Award nominations and an increasing number of big-name actors eager to sign on to promising projects, independent films have been at the forefront in recent years like never before. But the roots of such critical and commercial successes as *The Hurt Locker* and *Precious* can be traced to the first boom of independent cinema in the 1960s, when a raft of talented filmmakers emerged to capture the attention of a rapidly growing audience of young viewers. A thorough overview of a thriving area of cultural life, *Directory of World Cinema: American Independent* chronicles the rise of the independent sector as an outlet for directors who challenge the status quo, yet still produce accessible feature films that not only find wide audiences but enjoy considerable box office appeal—without sacrificing critical legitimacy. Key directors are interviewed and profiled, and a

sizeable selection of films are referenced and reviewed. More than a dozen sub-genres—including African American cinema, queer cinema, documentary, familial dysfunction, and exploitation—are individually considered, with an emphasis on their ability to engage with tensions inherent in American society. Copious illustrations and a range of research resources round out the volume, making this a truly comprehensive guide. At a time when independent films are enjoying considerable cultural cachet, this easy-to-use yet authoritative guide will find an eager audience in media historians, film studies scholars, and movie buffs alike.

A Comprehensive Encyclopedia of Film Noir John Grant, 2023-09-21 Featuring rumpled PIs, shyster lawyers, corrupt politicians, double-crossers, femmes fatales, and, of course, losers who find themselves down on their luck yet again, film noir is a perennially popular cinematic genre. This extensive encyclopedia describes movies from noir's earliest days – and even before, looking at some of noir's ancestors in US and European cinema – as well as noir's more recent offshoots, from neonoirs to erotic thrillers. Entries are arranged alphabetically, covering movies from all over the world – from every continent save Antarctica – with briefer details provided for several hundred additional movies within those entries. A copious appendix contains filmographies of prominent directors, actors, and writers. With coverage of blockbusters and program fillers from *Going Straight* (US 1916) to *Broken City* (US 2013) via *Nora Inu* (Japan 1949), *O Anthropos tou Trainou* (Greece 1958), *El Less Wal Kilab* (Egypt 1962), *Reportaje a la Muerte* (Peru 1993), *Zift* (Bulgaria 2008), and thousands more, *A Comprehensive Encyclopedia of Film Noir* is an engrossing and essential reference work that should be on the shelves of every cinephile.

Not to be Missed Kenneth Turan, 2014-06-03 The images and memories that matter most are those that are unshakeable, unforgettable. Kenneth Turan's fifty-four favorite films embrace a century of the world's most satisfying romances and funniest comedies, the most heart-stopping dramas and chilling thrillers. Turan discovered film as a child left undisturbed to watch *Million Dollar Movie* on WOR-TV Channel 9 in New York, a daily showcase for older Hollywood features. It was then that he developed a love of cinema that never left him and honed his eye for the most acute details and the grandest of scenes. *Not to be Missed* blends cultural criticism, historical anecdote, and inside-Hollywood controversy. Turan's selection of favorites ranges across all genres. From *All About Eve* to *Seven Samurai* to *Sherlock Jr.*, these are all timeless films -- classic and contemporary, familiar and obscure, with big budgets and small -- each underscoring the truth of director Ingmar Bergman's observation that no form of art goes beyond ordinary consciousness as film does, straight to our emotions, deep into the twilight room of the soul.

Al Pacino, 2008 A portrait based on twenty-five years of interviews explores some of the Hollywood giant's most crucial life periods, from his childhood and adult relationships to his work in the *Godfather* trilogy and his eight Academy Award nominations.

Cruising Eugenio Ercolani, Marcus Stiglegger, 2020-10-30 In the fading atmosphere of the New Hollywood era, William Friedkin – the wunderkind director with an Academy Award for his cop drama, *The French Connection* (1971) who then scored an even bigger success with *The Exorcist* (1973) – began work on what would prove to be the most controversial film of his career: *Cruising* (1980). In the process he established a template for a sub-genre, the serial killer thriller, that would thrive long after his film had left theatres, having caused widespread offence among the very audience he'd hoped to appeal to, via a campaign mobilised by the counter-culture press. As such, *Cruising* can be read as a bitter farewell to the seventies and its cinema and industry. This *Devil's Advocate* dives deep into the phenomenon that is *Cruising*, examining its creative context and its protagonists, as well as examining its ongoing popularity as it turns 40 in 2020.

We Tell Ourselves Stories Alissa Wilkinson, 2025-03-11 Most Anticipated Books of 2025 • Washington Post, Los Angeles Times, W Magazine, The Millions Best Books of Spring 2025 • Oprah Daily, Town & Country “Sharp, elegant and eye-opening . . . a crucial toolbox for understanding both Joan Didion and Hollywood.” —Emily Nussbaum Joan Didion opened *The White Album* (1979) with what would become one of the most iconic lines in American literature: “We tell ourselves stories in order to live.” Today, this phrase is deployed inspirationally, printed on T-shirts and posters, used as a battle cry for artists and writers. In truth, Didion was describing something much less rosy: our human tendency to manufacture delusions that might ward away our anxieties when society seems to spin off its axis. Nowhere was this collective hallucination more effectively crafted than in Hollywood. In this riveting cultural biography, New York Times film critic Alissa Wilkinson examines Joan Didion’s influence through the lens of American mythmaking. As a young girl, Didion was infatuated with John Wayne and his on-screen bravado, and was fascinated by her California pioneer ancestry and the infamous Donner Party. The mythos that preoccupied her early years continued to influence her work as a magazine writer and film critic in New York, offering glimmers of the many stories Didion told herself that would come to unravel over the course of her career. But out west, show business beckoned. *We Tell Ourselves Stories* eloquently traces Didion’s journey from New York to her arrival in Hollywood as a screenwriter at the twilight of the old studio system. She spent much of her adult life deeply embroiled in the glitz and glamor of the Los Angeles elite, where she acutely observed—and denounced—how the nation’s fears and dreams were sensationalized on screen. Meanwhile, she paid the bills writing movie scripts like *A Star Is Born*, while her books propelled her to celestial heights of fame. Peering through a scrim of celluloid, Wilkinson incisively dissects the cinematic motifs and machinations that informed Didion’s writing—and how her writing, ultimately, demonstrated Hollywood’s addictive grasp on the American imagination. More than a portrait of a writer, *We Tell Ourselves Stories* shines a new light on a legacy whose impact will be felt for generations.

The Oliver Stone Encyclopedia James M. Welsh, Donald M. Whaley, 2012-11-15 Oliver Stone has written and directed many memorable films while also developing a reputation for tackling controversial subjects, such as the Turkish prison

system (Midnight Express), the Vietnam war (Platoon and Born on the Fourth of July), insider trading (Wall Street), presidential assassination (JFK), and a voyeuristic media (Natural Born Killers). Along the way, Stone has been nominated for more than 10 Academy Awards and three times received Oscars for his work. In *The Oliver Stone Encyclopedia*, James M. Welsh and Donald M. Whaley provide an overarching evaluation of Stone's work as screenwriter, producer, and director. While the entries in this volume address all of the usual aspects of Stone's career, they also explore new avenues of critical evaluation, especially influences such as Friedrich Nietzsche and Buddhism, which Stone converted to in the 1990s. In addition, this volume traces Stone's obsession with Latin American politics, evident in his film *Salvador* (1986), his screenplay for Alan Parker's *Evita* (1996), and the documentaries *Commandante* (2003), *Looking for Fidel* (2004), and *South of the Border* (2010). Each entry is followed by a bibliography of published sources, both in print and online. A comprehensive and engaging examination of the director, *The Oliver Stone Encyclopedia* will appeal to scholars and fans alike as the most comprehensive reference on this director's body of work.

Hollywood Frame by Frame: Behind the Scenes: Cinema's Unseen Contact Sheets Karina Longworth, 2014-06-30
This is your illustrated invitation to the moments when movie history was made. Photographers' contact sheets are the permanent record of every shot that they took - and through Hollywood's golden age, there was often a photographer on set, capturing the scene as actors and directors collaborated to produce classic movies. This book collects the contact sheets from classic movies like *The African Queen* (1951), *Some Like it Hot* (1959), *Taxi Driver* (1976), *Grosse Pointe Blank* (1997) and many more. Capturing legends such as Woody Allen, Audrey Hepburn, Alfred Hitchcock, Marilyn Monroe, and Frank Sinatra at work and at repose, these images offer rare glimpses into the art of moviemaking, the science of movie marketing, and the nature of stardom.

Engulfed Bernard F. Dick, 2021-09-22 From *Double Indemnity* (1944) to *The Godfather* (1972), the stories behind some of the greatest films ever made pale beside the story of the studio that made them. In the golden age of Hollywood, Paramount was one of the Big Five studios. Gulf + Western's 1966 takeover of the studio signaled the end of one era and heralded the arrival of a new way of doing business in Hollywood. Bernard F. Dick reconstructs the battle that reduced the studio to a mere corporate commodity and traces Paramount's devolution from freestanding studio to subsidiary—first of Gulf + Western, then of Paramount Communications, and currently, of Viacom-CBS. Dick portrays the new Paramount as a paradigm of today's Hollywood, where the only real art is the art of the deal. In modern Hollywood, former merchandising executives find themselves in charge of production on the assumption that anyone who can sell a movie can make one. CEOs exit in disgrace from one studio, only to emerge in triumph at another. Corporate raiders vie for power and control, purchasing and selling film libraries, studio property, television stations, book publishers, and more. The history of Paramount is filled with larger-than-life people, including Billy Wilder, Adolph Zukor, Sumner Redstone, Shari Redstone,

Sherry Lansing, Barry Diller, Michael Eisner, Jeffrey Katzenberg, and more.

The Films of the Seventies Marc Sigoloff,2000-09-01 This is a comprehensive filmography of American, British and Canadian feature films released during the decade of the 1970s. Nearly 1,000 films are listed alphabetically, each with cast (including the characters they played) and credits; release date; a five star rating system; production company; length; the Motion Picture Association of America rating of G, PG, R or X; various award winners are indicated with symbols; and a brief summary of major plot details and characters and an evaluation of its virtues or flaws. The box-office rentals of each film achieving \$4 million or more are also indicated.

What America Watched Marsha Ann Tate,Earl Houser,2022-01-28 Although television critics have often differed with the public with respect to the artistic and cultural merits of television programming, over the last half-century television has indubitably influenced popular culture and vice versa. No matter what reasons are cited--the characters, the actors, the plots, the music--television shows that were beloved by audiences in their time remain fondly remembered. This study covers the classic period of popular television shows from the 1960s through the 1990s, focusing on how regular viewers interacted with television shows on a personal level. Bridging popular and scholarly approaches, this book discovers what America actually watched and why through documents, footage, visits to filming locations, newspapers, and magazine articles from the shows' eras. The book features extensive notes and bibliography.

Al Pacino Andrew Yule,1992 The bestselling author of *Fast Fade* reveals Pacino's turbulent and controversial personal life in this compelling portrait of a complex and fascinating actor--one of Hollywood's most glamorous anti-heroes. A must for film buffs.--Newsday. Ties in with release of new Pacino movie *Glengarry Glen Ross*. Fine.

Teaching Social Issues with Film William B. Russell,2009-09-01 Since the beginning of the 20th century, the film industry has confronted, challenged, and explored various social issues through its films. Social issue films are an excellent resource for teaching social issues. Teachers will find this book to be a valuable resource for teaching social issues. This book includes a discussion on teaching social issues, teaching with film, and how social issue films can be utilized to enhance the curriculum. This volume offers teachers an effective means for teaching social issues to today's digital and media savvy students. Furthermore, this volume details how film can be used to teach social issues, discusses relevant legal issues surrounding the use of film in the classroom, and details two separate models for teaching social issues with film. The heart of the book includes a detailed filmography of 180 films that pertain to 30 social issues. Each social issue includes a definition/explanation of the social issue and details six films. Each film detailed includes complete bibliographic information and a synopsis. This volume is clearly organized and expertly written for educators and is beneficial to librarians and teachers at the secondary and college level, particularly in social studies, sociology, history, political science, literature, film studies, and other social sciences.

Brando Bob Thomas,1973

Hollywood Heroines Laura L. S. Bauer,2018-12-07 This is a topical resource that provides a comprehensive look at the most influential women in Hollywood cinema across a wide-range of occupations rarely found together in a single volume. Unlike other anthologies, *Hollywood Heroines: The Most Influential Women in Film History* is a hybrid of film history and industry information with an exclusive focus on prominent women. This reference work includes more commonly discussed categories of important women in Hollywood film history, such as directors and actresses, and reaches beyond them to encompass women working as cinematographers, casting directors, studio heads, musical composers, and visual and special effects supervisors. Dive into interviews with industry legends such as Sherry Lansing, the first woman to run major Hollywood studios like 20th Century Fox and Paramount Studios; Jodie Foster, acclaimed actress and director; Zoë Bell, renowned stuntwoman; Donna Gigliotti, Academy Award-winning producer; Vicky Jenson, animation director of *Shrek*; Ve Neill, makeup artist behind *The Hunger Games* and *Pirates of the Caribbean*; and a host of other influential women in visual effects, editing, casting, costume, cinematography, and sound, each of whom has left their mark in film history. The wide range of filmmaking crafts covered in the book provides an acute view of the industry and increases the visibility of and quality of representation for women working in Hollywood. By bringing the experience of these influential women to light, *Hollywood Heroines* joins a growing movement that endeavors to dismantle harmful, long-standing industry myths that perpetuate the systemic underrepresentation of women and the devaluation of women's stories in the Hollywood film industry.

This is likewise one of the factors by obtaining the soft documents of this **Panic In Needle Park Cast** by online. Panic In Needle Park Cast Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way

we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Panic In Needle Park Cast PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within

seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Panic In Needle Park Cast PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Panic In Needle Park Cast free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as

a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Panic In Needle Park Cast Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
