The Moving Finger Writes Bud Simpson, 2013-10-09 THE MOVING FINGER WRITES By Bud Simpson REX

STEPHENSON is on top of the writing world. He has a well earned reputation as the foremost writer of horror fiction in the United States and, possibly, in the entire world. He has loyal fans, money, fame, a loving wife; CHERYL, and a beautiful summer home in an equally beautiful setting on Millboro Lake in Western Maine. Then, in an instant, he is wrenched away from everything he has worked so hard for. Torn away not by illness or accident or even by a catastrophe of nature, but by one of the people who made him the famed author he is; his self proclaimed greatest fan, CHARLES MORRISON QUEEG. Queeg collects first editions of his favorite authors, but this crazed fan also collects some of the authors themselves. Rex Stephenson is destined to be his latest acquisition the latest guest in Queegs New Hampshire home! Many twists and turns later, Rex discovers one of the reason for his abduction. He has not had book signings for several years, so Queeg has abducted him in order to force him to sign all the books in his Stephenson collection! Further events prove to Rex that Queeg is a truer madman than he thought and a possible psychotic killer. Rex is now sure that he is not the only guest Queeg has ever had. Rex fights a psychological war of the minds with Queeg and struggles through horrifying events that test his sanity and perseverance. As he signs an old manuscript for Queeg that he had written as a teenager, he finds that these same events he is living through had happened to the protagonist in that old, forgotten story! Rex determines that he must find a way to escape from the impregnable cell in the basement of Queegs residence as soon as possible or he is certain he will die there. Armed with only his mind and brilliant imagination, Rex perseveres and with outside help from his agent, DAVE HARTMANN, and his policeman friend, JOHNNY REAGAN, he finally manages an escape from his flaming prison; set ablaze by Queeg to cover his tracks before he disappears. However, this is not the end of Rexs tribulations at the hands of Queeg. Time passes, and when Queeg is nothing but a horrible, distant memory, Queeg bursts back into Rex's life in full fury. During a blinding winter blizzard as Rex is closing up his summer home for the winter, to his horror, he is confronted by Queeg once more; shotgun in hand, determined to extract his final vengeance from Rex Stephenson. Can Rex Stephenson escape from Queeg's wrath once more, or, is this the final chapter in this writer's life story?

The moving finger Natalie Sumner Lincoln,2025-02-02 THE swish of starched skirts caused the man in the bed to roll slowly over, and for the first time patient and nurse regarded each other. The silence grew protracted. Well? The man's tone was husky and the short interrogation was almost lost among the pillows. He made a second attempt, and this time his voice carried across the room. What—what do you want? The nurse's eyes, pupils dilated, shifted from his white face to the glass in her outstretched hand, and the familiar sight of the medicine and her starched uniform drove away her temporary loss of composure. Here is your medicine, she announced, and at the sound of her low, trainante voice the patient clutched the bedclothes spasmodically. He made no effort to take the glass. Put it on the table, he directed and, reading correctly the look that crept into her eyes, his voice rose again harshly. Put it down, I say— A rap at the closed hall door partly drowned his words, and without replying Nurse Deane placed the glass on the table by the bed, and a second later was looking out into the hall. She drew back at sight of a tall man standing somewhat away from the entrance to the room, then thinking better of her hesitancy she stepped into the hall and drew the door shut behind her.

The Moving Finger E. F. Hughes,2002 Mark Tuesday, insurance broker and owner of the Tuesday Agency, is brooding in his office, after hours, about his failing marriage with his wife, Marie, when he receives a phone call from the owner of a large trucking company and new client of the agency, informing him that one of his trucks has crashed, and the driver has been killed. The owner, Ben Wozniak, asks him to go to the scene of the crash and investigate the scene. At the scene, he discovers there had been two witnesses, one of whom -- a man named William Closer -- had already left, and a young woman

named Elise Young who, he realizes, is his daughter's school teacher. He feels an immediate and disturbing attraction for her and -- after examining the scene, and recognizing that the crash occurred under questionable circumstances -- persuades her to let him drive her home. But, before leaving with her, he also speaks with two sheriff deputies present at the scene, both of whom appear strange in their behaviour toward him. On the way back to Glen Park, where he and Elise Young both live, he convinces her to stop for a drink with him at an elegant restaurant called The Sanctuary, where he also knows the owner, Jim Sloan. After introducing her to Jim, and asking him to keep her company, he calls Ben to advise him of what he had observed at the crash site, and is surprised when Ben now suggests that the driver may have been drugged. Dismissing the suggestion as outlandish, he returns to Elise and now suggests they have dinner. She agrees and, during dinner, and afterward on the drive home, he again feels, and resists, a compulsion to tell her about himself -- something which he has always managed to avoid in the past, with everyone he has ever known -- even his parents and his wife. He proceeds with the investigation of the fatal accident, which becomes complicated by the disappearance of his wife, and his involvement with Elise. As he uncovers the facts surrounding the driver's death it soon becomes evident that it was not an accident but, rather, the result of the latest in a string of hijackings staged to cover up a drug smuggling operation. The drugs are being smuggled into the country in cases of exotic gourmet foods and distributed by a company whose traffic manager is William Closter, the other witness to the accident. Closter subsequently commits suicide, but it soon becomes evident that his death, too, was murder. Based on information furnished by Mrs. Closter, and a young woman named Wanda, he is able to establish the complicity of those involved in the smuggling/hijacking operation. However, his success in the investigation leads to the death of his wife and the near fatal shooting of himself. Throughout, he struggles to reconcile the present with the past. Having led a solitary, introspective, and almost totally selfish existence before being drawn into the investigation, he is at first confused and dismayed by the feelings aroused in him by Elise. But, overcoming his initial reluctance, he finds he is able to express to her all the emotion he has kept bottled up within himself since childhood. It also leads to reconciliation with his mother, and a better understanding of the causes of the failure of his marriage to Marie. But, it is not until a final confrontation with the leader of the smuggling/hijacking operation that he fully understands the real meaning of the quotation from the Rubiyat of Omar Khayyam: The moving finger writes; and, having writ, moves on; nor, all your Piety nor Wit shall lure it back to cancel half a line, nor all your tears wash out a word of it.

The Moving Finger Elizabeth James, 2011-04-13 Having found what she thought was to be her home for the remainder of her life, the author finds herself once again made homeless and penniless but still retains the motivation to carry on.
