

The Rising Antichrist Is Born

Tim LaHaye, Jerry B. Jenkins

The Rising Tim LaHaye, Jerry B. Jenkins, 2005 The countdown to Rapture begins as Marilena Carpathia unknowingly gives birth to the Antichrist, and half a world away, God's plans begin to take form in young Ray Steele.

The Rising Tim LaHaye, 2014-12

The Rising Tim F. LaHaye, 2005

The Rising Tim LaHaye, Jerry B. Jenkins, 2013-02-08 The Rising begins a new Left Behind series that will give you a glimpse into the lives of your favorite characters before the Rapture. Have you ever wondered what life was like before the Rapture for Rayford, Irene, and Chloe Steele, Bruce Barnes, Buck Williams, and Tsion Ben Judah? Plus, see why Viv Ivins plays such a pivotal role in Nicolae Carpathia's life. What were the events surrounding Nicolae's sudden rise to power? How did he become filled with evil? You will find all these answers and more in this exciting new series! In The Rising, Marilena Carpathia has only one dream: to be a mother. So when a mysterious clairvoyant promises the fulfillment of this dream, Marilena does not hesitate. Through genetic engineering and the power of the prince of darkness himself, Marilena is about to become a chosen vessel, one who will unknowingly give birth to the greatest evil the world has ever known. Halfway around the world, God's plans are subtly being carried out too. Young Ray Steele is determined to avoid one day taking over the family business. Instead, Ray sets his heart on becoming a pilot. Soon Carpathia's and Steele's lives will intersect. And good and evil will clash in an explosion that will shake the world. The eternal battle for souls has come to earth. The world hurtles toward the countdown to the Rapture.

The Regime Tim LaHaye, Jerry B. Jenkins, 2013-02-08 Dynamic Romanian multimillionaire Nicolae Carpathia's sphere of influence steadily grows as he parlays his looks, charm, charisma, and intellectual brilliance into success in business and politics. But is it mere coincidence that those who oppose or offend him suffer to the point of death? Meanwhile, a young Buck Williams begins his journalistic career. Pilot Rayford Steele gains more responsibility at work and at home. Scientist Chaim Rosenzweig begins work on a secret formula that could change the world. All three go about their daily lives, unaware of each other or of the powerful young man from Romania. Around the world, the stage is being set for the cataclysmic event that will change the world forever.

American Evangelicals for Trump André Gagné, 2023-12-01 This book introduces the American Evangelical movement

and the role it played in the support of Donald Trump. Specifically, it focuses on the Neocharismatic-Pentecostal (NCP) leaders, their beliefs, and their political strategies. The author examines why 81% of white evangelicals voted for Trump in 2016, and why he still received between 76% and 81% of their vote in 2020 despite losing the presidency. Additionally, the book discusses how NCP leaders are part of the Christian Right, a religious coalition with a political agenda centered on controversial issues such as anti-abortion activism, opposition to LGBTQ+ rights, and the protection of religious freedom. Structured around the three main ideas inspiring NCP leaders who supported Trump in 2016 and 2020—Dominion, Spiritual Warfare, and Eschatology (the End Times)—the book examines how these ideas have sustained the evangelicals close to U.S. political power in the Trump era. In light of the potential for Trump's return to power in 2024, the book serves as a warning of what a renewed alliance between Trump and his former NCP supporters could bring. It is an essential read for all students and researchers of Evangelicalism, Religion in America, Political Theology, or Religion and Politics.

American Cities in Post-Apocalyptic Science Fiction Robert Yeates, 2021-11-15 Visions of the American city in post-apocalyptic ruin permeate literary and popular fiction, across print, visual, audio and digital media. *American Cities in Post-Apocalyptic Science Fiction* explores the prevalence of these representations in American culture, drawing from a wide range of primary and critical works from the early-twentieth century to today. Beginning with science fiction in literary magazines, before taking in radio dramas, film, video games and expansive transmedia franchises, Robert Yeates argues that post-apocalyptic representations of the American city are uniquely suited for explorations of contemporary urban issues. Examining how the post-apocalyptic American city has been repeatedly adapted and repurposed to new and developing media over the last century, this book reveals that the content and form of such texts work together to create vivid and immersive fictional spaces in ways that would otherwise not be possible. Chapters present media-specific analyses of these texts, situating them within their historical contexts and the broader history of representations of urban ruins in American fiction. Original in its scope and cross-media approach, *American Cities in Post-Apocalyptic Science Fiction* both illuminates little-studied texts and provides provocative new readings of familiar works such as *Blade Runner* and *The Walking Dead*, placing them within the larger historical context of imaginings of the American city in ruins.

The Apocalypse Is Everywhere Anne Rehill, 2009-11-12 This wide-ranging exploration of the apocalypse in Western culture seeks to understand how we have come to be so preoccupied with spectacular visions of our own annihilation—offering abundant examples of the changing nature of our imagined destruction, and predisposing readers to discover many more all around them. *The Apocalypse Is Everywhere: A Popular History of America's Favorite Nightmare* explores why apocalyptic thinking exists, how it has been manifested in Western culture through the ages, and how it has woven itself so thoroughly into our popular culture today. Beginning with contemporary apocalyptic expressions, the book demonstrates how surprisingly widespread they are. It then discusses how we inherited them and where they arose. Author

Annie Rehill surveys the ancient belief systems from which Christianity evolved, including ancient Judaism and other faiths. She explores the vision outlined in the Book of Revelation and traces the apocalyptic thread through the Middle Ages, across the Reformation and Enlightenment, and to the Americas. Finally, to prove that the Apocalypse is indeed everywhere, Rehill returns to the present to consider the idea of apocalypse as it occurs in movies, books, comics and graphic novels, games, music, and art, as well as in televangelism and even presidential speeches. Her fascinating scholarship will surely have readers looking about them with new eyes.

The Left Behind Fantasy William Powell Tuck, 2010-02-18 The popular Left Behind series by Tim LaHaye and Jerry Jenkins has sold more than 62 million copies since the first volume appeared in 1995. Jerry Falwell pronounced it the most important series of books in the history of modern Christianity. Many readers have assumed it gives the true facts about the way the world will end and what will happen to all the people in it. But according to real biblical scholarship, this series is seriously flawed. Based on a misreading of many scriptures, including Daniel and the Book of Revelation, it has fed a kind of hysteria in the Christian populace that has led many people to reorder their existence in expectation of an impending doom and the sudden, unexpected return of Jesus. In this book, William Powell Tuck carefully and authoritatively refutes the premises and faulty theology of the Left Behind books, critiquing them in the light of genuine biblical scholarship and common sense.

The Precinct 11 Collection: The Brotherhood / The Betrayal / The Breakthrough Jerry B. Jenkins, 2016-11-08 This collection bundles all three of bestselling author Jerry B. Jenkins's Precinct 11 crime/suspense novels into one e-book for a great value! #1 The Brotherhood Boone Drake has it made. He's a young cop rising rapidly through the ranks of the Chicago Police Department. He has a beautiful wife and a young son, a nice starter house, a great partner, and a career plan that should land him in the Organized Crime Division within five years. Everything is going right. Until everything goes horribly, terribly wrong. His personal life destroyed and his career and future in jeopardy, Boone buries himself in guilt and bitterness as his life spirals out of control. But when he comes face-to-face with the most vicious gang leader Chicago has seen in decades, he begins to realize that God is a God of second chances and can change the hardest heart . . . and forgive the worst of crimes. A thought-provoking police thriller from New York Times best-selling author Jerry B. Jenkins. #2 The Betrayal Detective Boone Drake has just masterminded the most massive sting in Chicago history, bringing down the heads of not only the biggest street gangs in the city but also the old crime syndicate. The story is the biggest in decades, and the Chicago Police Department must protect the key witness at all costs. Despite top-secret plans to transfer the witness ahead of his testimony before the grand jury, an attempt is made on his life. And the person suspected of leaking this information may be one of the CPD's own. #3 The Breakthrough As the youngest bureau chief and head of the Chicago Police Department's Major Case Squad, Boone Drake seems to have it all under control. Only those closest to him know that just a few short years

ago, he lost everything that mattered to him in a tragic accident. After years of healing, his life is back on track. He recently married a wonderful woman named Haeley, adopted her son, bought a beautiful home, and rediscovered his faith. But Boone can't fight the feeling that something is about to go terribly wrong . . . again. When an all-too-personal case takes Boone to Beijing at a time when Haeley can least afford to let him go, Boone is forced to make a difficult choice. There he becomes enmeshed in a dangerous human-trafficking ring that takes him through the famed Hutong District's narrow streets, alleys, and hovels. Teamed with a former Liberation Army officer, Boone has one chance to pull off an elaborate sting and rescue a young boy before he disappears forever.

Left Behind Answered Verse by Verse David Reed,2008-01-01 Will unbelievers and half-hearted churchgoers have 7 more years to make up their minds about Christ after He raptures the Church? LEFT BEHIND gives them all a 'second chance.' But is that what Jesus taught? His parables of the talents, the wise and foolish virgins, the wheat and the tares, and the faithful and evil servant all show him returning unexpectedly with both rewards and punishments in his hands. Neither the parables nor the plain words of Christ teach a second chance for those surprised by his coming. But LEFT BEHIND does. Few Christians realize LEFT BEHIND tosses aside the teachings of Luther, Calvin, Tyndale, Wesley, Wycliffe and Spurgeon. Read dozens of quotes from these and other respected sources that show LEFT BEHIND strays far from the truths Bible readers have understood for centuries. Author of JEHOVAH'S WITNESSES ANSWERED VERSE BY VERSE and MORMONS ANSWERED VERSE BY VERSE (Baker Book House), David A. Reed is known worldwide as an expert in refuting false prophecy.

Evangelical America Timothy J. Demy,Paul R. Shockley Ph.D.,2017-09-21 An essential new reference work for students and general readers interested in the history, dynamics, and influence of evangelicalism in recent American history, politics, and culture. What makes evangelical or born-again Christians different from those who identify themselves more simply as Christian? What percentage of Americans believe in the Rapture? How are evangelicalism and Baptism similar? What is the influence of evangelical religions on U.S. politics? Readers of Evangelical America: An Encyclopedia of Contemporary American Religious Culture will learn the answers to these questions and many more through this single-volume work's coverage of the many dimensions of and diversity within evangelicalism and through its documentation of the specific contributions evangelicals have made in American society and culture. It also illustrates the Evangelical movement's influence internationally in key issues such as human rights, environmentalism, and gender and sexuality.

The End of All Things Is at Hand Veli-Matti Karkkainen,2022-01-20 This book proposes a bold vision of the “end” of human life and the cosmos based on the hopeful vision of Christian faith. In a dialogue with the best of Christian tradition, the natural sciences’ conjectures of the “end,” as well as Islam’s rich teaching on the doctrine of the Last Things, a fresh constructive eschatology is recommended. While based on wide and deep academic learning, the conversational style of the

book makes it suitable for various kinds of audiences, from pastors, to students, to scholars, and to interested lay folks.

The End of Meaning Matthew Gumpert, 2012-04-25 The specter of the apocalypse has always been a semiotic fantasy: only at the end of all things will their true meaning be revealed. Our long romance with catastrophe is inseparable from the Western hermeneutical tradition: our search for an elusive truth, one that can only be uncovered through the interminable work of interpretation. Catastrophe terrifies and tantalizes to the extent it promises an end to this task. 9/11 is this book's beginning, but not its end. Here, it seemed, was the apocalypse America had long been waiting for; until it became just another event. And, indeed, the real lesson of 9/11 may be that catastrophe is the purest form of the event. From the poetry of classical Greece to the popular culture of contemporary America, *The End of Meaning* seeks to demonstrate that catastrophe, precisely as the notion of the *sui generis*, has always been generic. This is not a book on the great catastrophes of the West; it offers no canon of catastrophe, no history of the catastrophic. *The End of Meaning* asks, instead, what if meaning itself is a catastrophe?

Plotting Apocalypse Jennie Chapman, 2013-09-13 It is the not-too-distant future, and the rapture has occurred. Every born-again Christian on the planet has, without prior warning, been snatched from the earth to meet Christ in the heavens, while all those without the requisite faith have been left behind to suffer the wrath of the Antichrist as the earth enters into its final days. This is the premise that animates the enormously popular cultural phenomenon that is the *Left Behind* series of prophecy novels, co-written by Tim LaHaye and Jerry Jenkins and published between 1995 and 2007. But these books are more than fiction: it is the sincere belief of many evangelicals that these events actually will occur--soon. *Plotting Apocalypse* delves into the world of rapture, prophecy, and tribulation in order to account for the extraordinary cultural salience of these books and the impact of the world they project. Through penetrating readings of the novels, Chapman shows how the series offers a new model of evangelical agency for its readership. The novels teach that although believers are incapable of changing the course of a future that has been preordained by God, they can become empowered by learning to read the prophetic books of the Bible--and the signs of the times--correctly. Reading and interpretation become key indices of agency in the world that *Left Behind* limns. *Plotting Apocalypse* reveals the significant cultural work that *Left Behind* performs in developing a counter-narrative to the passivity and fatalism that can characterize evangelical prophecy belief. Chapman's arguments may bear profound implications for the future of American evangelicalism and its interactions with culture, society, and politics.

The End All Around Us John Walliss, Kenneth G. C. Newport, 2014-12-05 The Apocalypse or end times are a recurrent theme within contemporary popular culture. *'The End All Around Us'* presents a wide-ranging exploration of the influence of the apocalypse within art, literature, music and film. The essays draw on representations of the apocalypse in heavy metal music, science fiction, disaster movies and anime. The book examines key apocalyptic texts, focusing on their relevance to

today. It will be invaluable to all those interested in the religious and cultural impact of apocalyptic thought.

The Authorized Left Behind Handbook Tim LaHaye, Jerry B. Jenkins, Sandi Swanson, 2005 A wonderful companion book for avid Left Behind(readers, this complete guide covers the events, people, technologies, and meanings of names and numbers that have driven speculation and conversation since 1995.

Sin, Sex, and Democracy Cynthia Burack, 2008-04-17 While the Christian Right has spearheaded a variety of antigay projects over the past fifteen years, including interventions in public schools, antigay-rights initiatives, and support for a constitutional amendment banning same-sex marriage, observers of the institutionalized Christian Right have also noted a softening of antigay public rhetoric. *Sin, Sex, and Democracy* analyzes these two ostensibly conflicting phenomena. Examining Christian witnessing tracts, the ex-gay movement, and recent linkages between gays and terrorists, Cynthia Burack argues that as the Christian Right has become a more sophisticated interest group, leaders have become adept at tailoring different messages for mainstream audiences and for the internal pedagogical processes of Christian conservatives. Understanding the rhetoric and the theological convictions that lie behind them, Burack claims, is essential to better understand how American politics work and how to effectively respond to exclusionary forms of political thought and practice.

Encyclopedia of American Popular Fiction Geoff Hamilton, Brian Jones, 2015-04-22 Provides information on American authors and their works who have been ignored by most literary guides.

Once Upon a Time in a Dark and Scary Book K. Shryock Hood, 2018-06-07 Contemporary American horror literature for children and young adults has two bold messages for readers: adults are untrustworthy, unreliable and often dangerous; and the monster always wins (as it must if there is to be a sequel). Examining the young adult horror series and the religious horror series for children (*Left Behind: The Kids*) for the first time, and tracing the unstoppable monster to Seuss's *Cat in the Hat*, this book sheds new light on the problematic message produced by the combination of marketing and books for contemporary American young readers.

The Rising Antichrist Is Born Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Rising Antichrist Is Born has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Rising Antichrist Is Born has opened up a world of possibilities. Downloading The Rising Antichrist Is Born provides

numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Rising Antichrist Is Born has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Rising Antichrist Is Born. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from

various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Rising Antichrist Is Born. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Rising Antichrist Is Born, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software

installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Rising Antichrist Is Born has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Rising Antichrist Is Born Books

1. Where can I buy The Rising Antichrist Is Born books?
Bookstores: Physical bookstores like Barnes & Noble,

Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.

2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Rising Antichrist Is Born book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
