Maya's Aura - The Crystal Witch Skye Smith,2019-04-15 Cover Flap This is the sixth novel in the "Maya's Aura" series. This naughty novel of magic and mayhem begins with Maya hanging with some witchlets in an ancient pub near Cambridge, England. Through them she meets a formidable Wicca and together they set up what can only be described as a Wicca Ashram. Maya is on a quest for the source of the heirloom ring given to her by her great-grandmother, which leads her to archaeological digs, in which some very ancient crystal pendants have been found. When she sleeps with one these pendants around her neck, she has vivid dreams of the life of its original owner, a healer who lived a thousand years ago. So vivid, and so clear are the dreams that her companions begin to log them, and thru Maya have conversations with the memories of a peasant woman long since dead. What they find out threatens to turn an entire field of history upside down. About the Author

Skye Smith is my pen name. My family convinced me not to use my real name because my stories are so critical of predator males. You'll understand and forgive me this as you fall in love with sweet Maya, my main character. For those of you who like stories about vampires, witches, and magic, you won't be disappointed by my very different, more realistic take on it all. My vampires are parasites wearing business suits. My witches are healers ignored by the modern world. My magic is based on aura's, and everyone has felt or seen an aura at least once in their lives. Other Novels By The Same Author: The Hoodsmen - 12 historical adventures set in the Norman conquest. Knut - many historical adventures set in the Viking Era. The Pistoleer - 9 historical adventures set in the English Civil War. Maya's Aura - 8 new age adventures while tripping around the world. 1. "The Awakening" - She discovers her strange aura. 2.
