Oliver Optic

The End of Your Life Book Club Will Schwalbe, 2012-10-02 A profoundly moving memoir of caregiving, mourning, and love between a mother and her son—and about the joy of reading, and the ways that joy is multiplied when we share it with others. “A graceful, affecting testament to a mother and a life well lived.” —Entertainment Weekly, Grade A During her treatment for cancer, Mary Anne Schwalbe and her son Will spent many hours sitting in waiting rooms together. To pass the time, they would talk about the books they were reading. Once, by chance, they read the same book at the same time—and an informal book club of two was born. Through their wide-ranging reading, Will and Mary Anne—and we, their fellow readers—are reminded how books can be comforting, astonishing, and illuminating, changing the way that we feel about and interact with the world around us.

The 120 Club - Living the Good Life for 120 Years Philip Rose, 2004-07-29 *The 120 Club Living the Good Life for 120*

Years By Philip Rose In his book, *The 120 Club - Living the Good Life for 120 Years* Phil Rose wants us to imagine that living to 120 years is possible. He imagined this long before consulting the longevity experts, many of whom had reached the same conclusion: living to 120 is the natural life span for humans. In *The 120 Club - Living the Good Life for 120 Years* Phil Rose presents his Ten Wisdoms for living a balanced and rational life. His ideas stand in contrast to much of what is out of balance in our world. In addition to the more widely accepted and discussed areas of nutritional supplements, diet, and exercise, Phil Rose's program of ten wisdoms includes an in-depth analysis of: Learning effective and practical ways to reduce stress and heal emotional hurts. Managing money and finding meaningful work. Living outside the box through personal creativity and play. Enjoying the rewards and inner peace of an authentic spiritual life. Participating in the essential healing powers of Mother Earth. Gaining and keeping long time friendships alive. Using alternative healers and Western doctors to repair and heal the body. Experiencing personal power to transform the world. *The 120 Club Living the Good Life for 120 Years* is not a quick-fix book but one that is meant to accompany you over a lifetime. There is no pre-requisite to join *The 120 Club* other than the total and joyful decision to transform your now long and healthy life. *The 120 Club* is THE survival manual for this century. Bob Bodgan Professor of Sociology and Education Syracuse University There are books aplenty that urge us to fix the world and as many that guide us in healing the body and soul. In these pages Phil Rose wisely shows that to be fully alive is to be fully engaged spiritually, politically, and personally. Read on, live well, live long. Jack Manno Executive Director of the Great Lakes Research Consortium and author of *Privileged Goods*.

This book kept me up at night, turning the pages to find out, and the ending did not disappoint."—Reese Witherspoon "One Day meets Me Before You meets your weekend bag."—The Skimm "Extraordinary."—Emily Giffin He was the first person to inspire her, to move her, to truly understand her. Was he meant to be the last? Lucy is faced with a life-altering choice. But before she can make her decision, she must start her story—their story—at the very beginning. Lucy and Gabe meet as seniors at Columbia University on a day that changes both of their lives forever. Together, they decide they want their lives to mean something, to matter. When they meet again a year later, it seems fated—perhaps they'll find life's meaning in each other. But then Gabe becomes a photojournalist assigned to the Middle East and Lucy pursues a career in New York. What follows is a thirteen-year journey of dreams, desires, jealousies, betrayals, and, ultimately, of love. Was it fate that brought them together? Is it choice that has kept them away? Their journey takes Lucy and Gabe continents apart, but never out of each other's hearts. This devastatingly romantic debut novel about the enduring power of first love, with a shocking, unforgettable ending, is *Love Story* for a new generation. "It's the

Telescoping Time R. Crafton Gibbs,2013-08-09 Logos 8, and Logos 9 of three volumes, continue the author's Story of Writing God's Book of Life and help explain the ten previous volumes of this author's Logos 1-7 work, each volume of which is able to stand alone as God's Book of Life. This volume focuses on God's Will for humankind, individually and corporately. Altogether, these volumes say who Jesus is, who God is, what his will is for humankind, who the Holy Spirit is, and what the Bible is. It is crucial to life that we believe in God as Father, Jesus as his Son, the Holy Spirit as the Christ Savior from God; and believe in the truth of the Word of God in his Christian Bible. For the Word of God explains what "belief" is, what "to be saved" is, just how Salvation is effected, what the "take-away" benefits of belief are, and how to find meaning and purpose in life.

The Kids' Book Club Book Judy Gelman,Vicki Levy Krupp,2007-05-10 The first complete guide-for use by adults and children-to creating fun and educational book clubs for kids. As authors of *The Book Club Cookbook*, the classic guide to integrating great food and food-related discussion into book club gatherings, Judy Gelman and Vicki Levy Krupp hear a common refrain from parents, librarians, teachers, community leaders and kids themselves: How about writing a book for kids' book clubs? Indeed, in recent years youth organizations, parents, libraries, schools, and our local, state, and federal governments have launched thousands of book clubs for children as a way to counter falling literacy rates and foster a love of reading. Based on surveys representing five hundred youth book clubs across the country and interviews with parents, kids, educators, and librarians, *The Kids' Book Club Book* features: _ - the top fifty favorite book club reads for children ages eight to eighteen; _ - ideas and advice on forming great kids' book clubs-and tips for kids who want to start their own book clubs; _ - recipes, activities, and insights from such bestselling children's book authors as Christopher Paolini, Lois Lowry, Jerry Spinelli, Nancy Farmer, Christopher Paul Curtis, Andrew Clements, Laurie Halse Anderson, Norton Juster, and many others. From recipes for the Dump Punch and egg salad sandwiches included in Kate DiCamillo's *Because of Winn-Dixie* to instructions on how to make soap carvings like the ones left in the knot-hole of a tree in Harper Lee's *To Kill a Mockingbird*, this book provides a bounty of ideas for making every kids' book club a success.

Letters from the Grief Club Beth French,Kate Moreton,2022-06-21 Beautiful and heartfelt. I know each one of these letters will help someone in the Grief Club. - Cariad Lloyd Welcome to the club you never wanted to join. When someone you love dies, it may seem impossible to know what will happen next and how you will cope. Losing someone in early adulthood, you may feel even more alone, when no-one around you seems to have had the same experience. Our letters don't have all the answers, but they do have some - because we've been through it ourselves. Some of us have written to ourselves back on that first day of grief, with the reassurance that we will get through those awful first months. Others share snippets from our grief

journeys - from the experience of therapy, to the power of getting creative. Encompassing all types of loss, these stories show that there is no one way to grieve. They talk honestly about grief - the sad, the bad, and the surprisingly beautiful. Welcome to the Grief Club, we're so glad you've found us.

The Losers Club Jeff Kinley, 2009-08-30 We usually think of Bible characters as dressed with their Sunday best—lookin' good, smelling of accomplishment, and holding the posture of unshakeable faith. We marvel at these “flawless saints” while thinking, “Wow! I’m not worthy!” Hey, not so fast. Believe it or not, the most celebrated people in the Bible were plagued by doubt, bad decisions, and less than perfect reputations. In a word, most were losers! And yet, God had plans that would take them beyond their humble, imperfect lives and dub them proud members of the “losers” club. Losers Club is a real-life look at famous Bible figures such as Moses, Solomon, David, Thomas, Rahab, and others. Each vignette reveals people who struggle with weak faith, confusion, and frustration—people very much like you and me! These stories will help you connect with these flawed heroes, find encouragement in their stories, and get inspired by God’s love and care for “losers.”

National 4-H Club News, 1945

The Story of Your Life James Lambie, 2010 The intriguing story and turbulent history of a paper Charles Dickens praised for its ‘range of information and profundity of knowledge’, and which Queen Elizabeth, the Queen Mother, simply endorsed with the remark: ‘Of course I read The Sporting Life’. It was the Queen Mother’s love of horseracing that made her such an avid reader of the Life and coverage of that sport forms the core of this book, but there is so much more to fascinate the reader including eyewitness accounts of the first fight for the heavyweight championship of the world and Captain Webb’s heroic Channel swim of 1875. Highlights in the history of cricket, football and rugby are also featured, while chapters on coursing and greyhound racing rank alongside surreal reports on ratting contests and songbird singing competitions. And for 30 years Tommy Wisdom made his motoring reports unique by competing against the best at Brooklands, Le Mans and in many Monte Carlo rallies, while Henry Longhurst’s golfing column was simply the best. The paper’s strident campaigns for racing reforms are also chronicled along with its coverage of major news stories, from Fred Archer’s shocking suicide to its own untimely demise. Its travails in the law courts are documented from its first year, when it was forced to change its title, to its last, when it had to pay libel damages to the training team of Lynda and Jack Ramsden and their jockey, Kieren Fallon. A higher price was paid by its French correspondent who was killed in a duel over an article he had written, while the terrible toll the First World War took on the nation’s sporting heroes is catalogued by the Life’s embedded army correspondent, against a background of political bungling that is being repeated today.

The Saturday Night Ghost Club Craig Davidson, 2019-07-09 SOME TOWNS ARE MORE HAUNTED THAN OTHERS... An irresistible and bittersweet coming-of-age story in the vein of Stranger Things and Stand by Me about a group of misfit kids who spend an unforgettable summer investigating local ghost stories and urban legends A celebration of the secret lives of children, both their wonders and their horrors . . . Immensely enjoyable, piercingly clever, and satisfyingly soulful. -Jason Heller, NPR Growing up in 1980s Niagara Falls - a seedy but magical, slightly haunted place - Jake Baker spends most of his time with his uncle Calvin, a kind but eccentric enthusiast of occult artifacts and conspiracy theories. The summer Jake turns twelve, he befriends a pair of siblings new to town, and so Calvin decides to initiate them all into the Saturday Night Ghost Club. But as the summer goes on, what begins as a seemingly light-hearted project may ultimately uncover more than any of its members had imagined. With the alternating warmth and sadness of the best coming-of-age stories, The Saturday Night Ghost Club is a note-perfect novel that poignantly examines the haunting mutability of memory and storytelling, as well as the experiences that form the people we become, and establishes Craig Davidson as a remarkable literary talent.
