

The Landlady Short Story

Judith Gunn

The Landlady (A Roald Dahl Short Story) Roald Dahl, 2012-09-13 The Landlady is a brilliant gem of a short story from Roald Dahl, the master of the sting in the tail. In The Landlady, Roald Dahl, one of the world's favourite authors, tells a sinister story about the darker side of human nature. Here, a young man in need of room meets a most accommodating landlady . . . The Landlady is taken from the short story collection Kiss Kiss, which includes ten other devious and shocking stories, featuring the wife who pawns the mink coat from her lover with unexpected results; the priceless piece of furniture that is the subject of a deceitful bargain; a wronged woman taking revenge on her dead husband, and others. 'Unnerving bedtime stories, subtle, proficient, hair-raising and done to a turn.' (San Francisco Chronicle) This story is also available as a Penguin digital audio download read by Tamsin Greig. Roald Dahl, the brilliant and worldwide acclaimed author of Charlie and the Chocolate Factory, James and the Giant Peach, Matilda, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, Roald Dahl's Twisted Tales by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today.

The Landlady Roald Dahl, 1960 Innocence is coloured with suggestion and innuendo; the cosy comfort of a warm sitting room on a winter's nights laced with the macabre. Young Billy Weaver is looking for a place to stay in the city of Bath and seems to have found the perfect spot, but is the landlady the sweet, friendly and 'slightly dotty' person she appears to be?

Pakistan? Ziauddin Sardar, Robin Yassin-Kassab, 2012 A quarterly magazine of ideas and issues showcasing ground breaking thinking on Islam and what it means to be a Muslim in a rapidly changing, interconnected world.

Teaching Reading in Middle School Laura Robb, 2000 Get the big picture of teaching reading in the middle school, including research, as well as the practical details you need to help every student become a better reader. The First True Hitchcock Henry K. Miller, 2022-01-11 Alfred Hitchcock called The Lodger the first true Hitchcock movie, the one that anticipated all the others. And yet the story of how The Lodger came to be made is shrouded in myth, often repeated and much embellished, including by Hitchcock himself. The First True Hitchcock follows the twelve-month

period encompassing The Lodger's production in 1926 and release in 1927, presenting a new picture of this pivotal year in Hitchcock's life and in the wider film world. Using fresh archival discoveries, Henry K. Miller situates Hitchcock's formation as a director against the backdrop of a continent shattered by war and confronted with the looming presence of a new superpower, the United States, and its most visible export-film. This previously untold story of The Lodger's making in the London fog, and attempted remaking in the Los Angeles sun, is the story of how Hitchcock became Hitchcock.

Boardinghouse Women Elizabeth S. D. Engelhardt, 2023-11-14 In this innovative and insightful book, Elizabeth Engelhardt argues that modern American food, business, caretaking, politics, sex, travel, writing, and restaurants all owe a debt to boardinghouse women in the South. From the eighteenth century well into the twentieth, entrepreneurial women ran boardinghouses throughout the South; some also carried the institution to far-flung places like California, New York, and London. Owned and operated by Black, Jewish, Native American, and white women, rich and poor, immigrant and native-born, these lodgings were often hubs of business innovation and engines of financial independence for their owners. Within their walls, boardinghouse residents and owners developed the region's earliest printed cookbooks, created space for making music and writing literary works, formed ad hoc communities of support, tested boundaries of race and sexuality, and more. Engelhardt draws on a vast archive to recover boardinghouse women's stories, revealing what happened in the kitchens, bedrooms, hallways, back stairs, and front porches as well as behind closed doors—legacies still with us today.

Reading, Learning, Teaching Margaret Atwood Paul Lee Thomas, 2007 Literature that confronts our students' assumptions about the world and about text is the lifeblood of English classes in American high schools and colleges. Margaret Atwood offers works in a wide variety of genres that fulfill that need. This volume introduces readers, students, and teachers to the life and works of Atwood while also suggesting a variety of ways in which her works can become valuable additions to classroom experiences with literature and writing. Furthermore, this volume confronts how and why we teach English through Atwood's writing.

George Gissing and the Woman Question Christine Huguet, 2016-04-22 Approaching its subject both contextually and comparatively, George Gissing and the Woman Question reads Gissing's novels, short stories and personal writings as a crux in European fiction's formulations of gender and sexuality. The collection places Gissing alongside nineteenth- and twentieth-century authors as diverse as Paul Bourget, Ella Hepworth Dixon, May Sinclair and Theodore Dreiser, theorizing the ways in

which late-Victorian sexual difference is challenged, explored and performed in Gissing's work. In addition to analyzing the major novels, essays make a case for Gissing as a significant short story writer and address Gissing's own life and afterlife in ways that avoid biographical mimetics. The contributors also place Gissing's work in relation to discourses of subjectivity and intersubjectivity, identity, public space, class and labour, especially literary production. Increasingly viewed as a key chronicler of the late Victorian period's various redefinitions of sexual difference, Gissing is here recognized as a sincere, uncompromising chronicler of social change.

Fear of Aging João Paulo Guimarães, 2025-02-27 In the genre of horror, elderly people are often used as a trope to evoke both a fear of death and a fear of aging. Old age is therefore equated with bodily, mental, or social decline. The contributors of this book investigate what exactly we are afraid of when we posit old age as a source of horror. The aim is to harness the thrills and pleasures of horror to think about how quality of life can be improved in old age and how elderly people can be better integrated in our ever fearful and suspicious societies.

New Essays on Hemingway's Short Fiction Paul Smith, 1998-05-28 The introduction and four scholarly essays in this volume constitute an overview of Hemingway's career as a short story writer and offer an overview of practical problems involved in reading this work. The early short story *Up in Michigan* is explained in relation to the short story cycle *In Our Time*. Problems of narration are analysed in *Now I Lay Me*, an integral part of the famous Nick Adams stories. A detailed look at ecological and Native American backgrounds is presented in *Fathers and Sons*, in the collection *Winner Take Nothing*; and *Snows of Kilimanjaro* is examined from a postcolonial perspective. Also included is a selected bibliography designed to direct readers to the most valuable resources for the study of Hemingway's short fiction.

The Last of the Shackdwellers Lena Kennedy, 2018-05-31 The evocative, illuminating autobiography of one of Britain's best-loved novelists. Lena Kennedy was sixty-four before her first novel, *MAGGIE*, was accepted, and it was among the shackdwelling community of the woods that she began to realise her growing need to express her feelings through writing. *THE LAST OF THE SHACKDWELLERS* examines the inspirations for each of her novels, such as the bestsellers *EVE'S APPLES* and *LILY, MY LOVELY*. Lena also vividly describes the long search for a publisher, her joy at finding success and her road to fame. 'Absolutely fascinating' - 5-STAR reader review

Living with Strangers Chiara Briganti, Kathy Mezei, 2020-06-03 *Living with Strangers* examines the history and cultural representation of bed-sitting rooms and boarding houses in England from the early twentieth century to the present. Providing a historical overview, the authors explore how these alternative domestic spaces came to provide shelter for a diverse demographic of working women and men, retired army officers, gay people, students, bohemians, writers, artists, performers, migrants and asylum seekers, as well as shady figures and criminals. Drawing on historical records, case studies,

and examples from literature, art, and film, the book examines how the prevalence and significance of bedsits and boarding houses in novels, plays, detective stories, Ealing comedies, and contemporary fiction and film produced its own genre of narrative. The nine chapters are written by an international range of established and emerging scholars in the fields of literary studies, art and film history, political theory, queer studies and cultural studies. A lively, highly original study, *Living with Strangers* makes a significant contribution to the cross-disciplinary field of home studies and provides insight into a crucial aspect of British cultural history. It is essential reading for students and researchers in anthropology, history, literary studies, sociology, gender and sexuality studies, film studies and cultural studies.

Bridging the Chasm Ray Gosa,2020-07-20 This book contains some of the most powerful and effective gap-bridging units. What makes them gap-bridging is not their physical composition alone; but rather, it is their tandem use and application. There are essentially three components to the units: a vocabulary list, complete with part of speech and denotations; a grammatically incorrect short story that features the same vocabulary words from the first component list; and a set of comprehension / discussion questions that focus back to the short story. When protocols are followed, these exercises are enormously effective! My students have grown tremendously over the years!
