The Prince & The Apocalypse Kara McDowell, 2023-07-11 Eighteen-year-old American, Wren, is stranded in England when news of an impending world-ending comet causes global chaos, but when she meets a runaway prince with an agenda of his own, she realizes he might be her only chance of getting home in time to say goodbye.

The Black Prince David Green, 2011-10-24 One of the most charismatic and enigmatic personalities of the High Middle Ages, Edward the 'Black Prince' commanded an English division at the battle of Crecy when just sixteen years old. But despite his battlefield exploits, romantic reputation and popularity among the people, Edward has become notorious as a proponent of 'scorched earth' campaigns, or chevauchee. These expeditions amounted to little more than the licensed

plunder of undefended towns and the murder of non-combatants. The premature death of Edward saw his infant son ascend to the throne and led, eventually, to the fratricidal chaos of the Wars of the Roses and the emergence of the Tudor dynasty. In this startling reappraisal of the prince's life, David Green assesses his actions in their historical context and examines what might have been had Edward the Black Prince become King Edward IV.

The Fallen Frederick Guttman, The ancient time is behind us; the memory of old ages has disappeared. Man lives in the present not knowing how he came to be and how great things set the guidelines for the future of the current era. Already four ages of men have been left behind, one culminates; We wait for a different time, full of big dreams, but not before experiencing a hard passageway of desolation and death. Destroyed by fire, by cold and by water, our ancestors perished, leaving a record of what happened in stories that today we underestimate and experiences that we need as precedents; in the future that and the end of this last catastrophic age that will culminate in physical, psychic and spiritual earthquakes will be told. The Nephilim arrived and subdued man until today, they were an almost forgotten episode, but one that substantially marked history... history that must be remembered and reviewed. Malevolent spirits were placed to mislead humanity, but we also receive great divine virtues that counteract evil. Following the battle for sovereignty between the gods, the destruction reduced the population and changed the globe. When the fight against the imposters allowed the development of the next part of a master plan, our father Abraham began a mission whose magnitude would take time to glimpse until he was patriarch of the nations of those born in the True Law.
