Erin McCloskey

This One Looks Like a Boy Lorimer Shenher, 2019-03-31 Inspiring and honest, this unique memoir of gender transition and coming-of-age proves it's never too late to find your true identity. Since he was a small child, Lorimer Shenher knew something for certain: he was a boy. The problem was, he was growing up in a girl's body. In this candid and thoughtful memoir, Shenher shares the story of his gender journey, from childhood gender dysphoria to teenage sexual experimentation to early-adult denial of his identity—and finally the acceptance that he is trans, culminating in gender reassignment surgery in his fifties. Along the way, he details his childhood in booming Calgary, his struggles with alcohol, and his eventual move to Vancouver, where he became the first detective assigned to the case of serial killer Robert Pickton (the subject of his critically acclaimed book *That Lonely Section of Hell*). With warmth and openness, *This One Looks Like A Boy* takes us through one of the most important decisions Shenher will ever make, as he comes into his own and finally discovers acceptance and relief.

That's What Love Looks Like Gracely, 2024-09-03 This heartfelt book explores how we give and receive love throughout our lives - with our families, friends, neighbors, and God. The book exposes the good, the bad, and the ugly, highlighting the changes we must make in our life to make progress. DiLeigh Grace focuses on change that: takes brokenness and turns it into wholeness; turns sadness into joy; takes disappointment and brings hope into focus; turns challenges into opportunities for greater things ahead; takes displeasure to a place of contentment. In the pages of this book, the author shares stories involving hardships with divorce, deception, tough decisions, disappointments, disease, depression, and desperation along with navigating the rough seas of family dementia and death. If you are struggling, feel as though you are undeserving of God's love, or are striving to overcome the results of bad choices, you'll be inspired to move in a positive direction with the insights and lessons in *That's What Love Looks Like*.

Looks Like Rain Brian T. Atkinson, 2021-05-12 Mickey Newbury (1940–2002) grew up in Houston and moved to Nashville in the early 1960s, following his muse. He wrote top hits for many well-known artists, including Don Gibson, Andy Williams, Kenny Rogers, Tom Jones, and others. He is probably best known, however, for being name-checked in the song “Luckenbach, Texas (Back to the Basics of Love)” by Waylon Jennings. Newbury has been cited by Jennings, Kris Kristofferson, Townes Van Zandt, and many other eminent singer-songwriters as a primary influence. In his own independent fashion, Newbury helped to loosen the grip maintained for decades by the Nashville studio system, thus paving the way for later innovators like Willie Nelson, David Allan Coe, and others. He is still the only songwriter to produce hits on four different charts in the same year in 1968: “Just Dropped In (to See What Condition My Condition Was In)” on the pop/rock charts, “Sweet Memories” on easy listening, “Time Is a Thief” on the R & B charts, and “Here Comes the Rain, Baby” in country. Following the successful pattern established in his previous works on Townes Van Zandt and Ray Wylie Hubbard, veteran music journalist Brian T. Atkinson has interviewed artists such as Kris Kristofferson, Bobby Bare, Ramblin’ Jack Elliott, Steve Earle, Rodney Crowell, and many others to learn how Newbury’s influence continues to shape the musical and artistic approach of both seasoned and newer performers. Forewords by Larry Gatlin and Don McLean set the stage for a fascinating look back at one of the most revered songwriters and musicians of recent decades.

Falling Is Like This Kate Rockland, 2010-05-11 Plotted with precise timing and set against an incredibly vivid portrait of the ever-changing East Village, *Falling Is Like This* is a comedic and touching account of the whirlwind affair with a rock star every girl dreams about. Tabloid-writer Harper Rostov breaks up with her boyfriend only to fall into the arms of Nick Cavallaro---certified punk-rock God who is considered a genius by fans and critics alike. Harper's newly single heart gets an overdose of chemistry from the Hitchhiker's Revenge guitarist as she falls for his intoxicating charisma. Over the course of a single week, Harper is swept up in their sexual energy and the allure of the band. But soon she can't help wondering if what she thought she wanted---what she left her sweet, caring boyfriend for---is everything she'd hoped it would be.

Insight into Disability Douglas Pargeter, 2011-05-06 More people than you may realize suffer from the effects of schizophrenia, and there is no cure for this mental illness. In *Insight into Disability*, author Doug Pargeter candidly reveals his battle with schizophrenia: how he learned to cope with the symptoms and gain control of his life through treatment, proper medication, and his devotion to the Lord. In this memoir, Pargeter shares his life story: growing up as one of five

children in Seattle, Washington; serving in the air force; attending college; being married and having children; battling cancer; and living with schizophrenia. Insight into Disability provides a firsthand look at how mental illness affects all aspects of a personal life, such as maintaining relationships and being employed. Meant to inspire, Insight into Disability shares Pargeters successes, breakthroughs, and triumphs over adversity. It communicates how his gift for writing song lyrics, which are interspersed throughout the book, contributes to his healing within. He describes how his relationship with God saved his life and how he became a changed man through his treatment.

at the age of 37 Neil Raffan,2012-11-16 Catamite heaven, Blue sky cancer, and Process controller memory leak are amongst the intriguing titles within this collection, though one can't help but wonder whether this eclectic assortment of shorts was written to be published? At times the level of whispered confessional seems all too raw, as if but for a close friend's eyes - though the emotion expressed is loud and clear and universal. 'So you are the other spastic, said the voice behind the door.' Self-mockery pulls the author back from the edge-of-life in the homosexual closet as well as from the trauma and embarrassment of unrequited love. Readers may sense that certain of these tales are an autobiographical version of Twelve O'clock Feet. Talking socks and feisty answer-machines add humour whilst far-flung locations ... the Okavango, Frankfurt, Aberdeenshire and Hong Kong ... mix travelogue with acerbic wit and family crisis. On occasion autobiography (Poisonous toe) and fiction (Shut up) do criss-cross (Bread) for greater effect.

He also wrote a number of the classics of musical theater's Golden Age, climaxing with Annie Get Your Gun .
