Embracing the Greatness Within Gwen Thibaux,2009-05-18 Gwen Thibaux, a God-fearing everyday woman, tells her enlightening story about learning to embrace greatness. She knows how it is to sit on the sidelines of life, stuck in your comfort zone. And she knows that with faith and clarity you can stop watching the dreams of others come true and reposition your life to follow yours. In this book, Gwen opens her heart and explores the ups and downs of her ordinary life, revealing some of her most vulnerable experiences. With unflinching honesty, she discusses emerging from believing that greatness was the external, outside her, to knowing that God had created her personal greatness within. Through challenges, obstacles, and struggles, Gwen has kept her faith and stood steadfast and unmovable. Has this been a challenge? Yes. However, by walking, owning, and never forgetting her greatness, she is now living in the greatness she was destined to have. Embracing The Greatness Within ? Walk in IT - it's yours! ? Own IT - it's yours! ? Never Forget IT - it's yours!

Walking with the Full Assurance of Understanding Sterling Merritt Durgy,2019-10-23 Walking with the Full Assurance of Understanding has been written to provide Christians who are serious about their faith what Paul called: the wealth that comes from the full assurance of understanding. In its pages readers will find the central truths, logic, and promise of Christianity necessary for a confident, stable, and fruitful walk with God. No one knew better than John Wesley that it is one thing to know Scripture, quite another to understand it. Even as a missionary to Georgia, well-schooled in the faith by a clergyman father, a devout mother, and his studies at Oxford, Wesley remained unaware of the full meaning of Scripture. It was understanding that unlocked the power of God's work in his life. Given the multitude of negative influences

both from secular culture and within the Christian community, there has never been a greater need to avoid the false teachings of philosophy, popular but mistaken beliefs, and poor assumptions. The information and insights presented here will enable twenty-first-century Christians to avoid being carried about by every wind of doctrine by understanding the treasure they have in God, Jesus Christ, and the Scriptures.

Walking the Tightrope of Faith, 2023-12-28 This book expands upon the dialogue between the atheist philosopher Kai Nielsen and the Christian philosopher Hendrik Hart in the book *Search for Community in A Withering Tradition*. Collected here for the first time are the responses of several prominent Canadian philosophers to Nielsen's outspoken work in the philosophy of religion, including their responses to Hart's criticisms of Nielsen. New replies by Hart and Nielsen to these added voices are also included. This volume is of interest for students in the philosophy of religion who wish to examine the encounter between religious faith and secular humanism at the close of the twentieth century, an increasingly postmodern time in which the appeal to an a historical standard of rationality is no longer sought or even thought possible. This book tackles tough topics like the appropriate role of reason in the intellectual criticism and defense of faith, the limits of the rational justification of human knowledge, the role of pre-reflective commitments in human intellectual life, the nature of truth, and the possibility for peace in a world consisting of a plural and often violent collection of cultural and religious groups.

Walking Away from Faith Ruth Tucker, 2002 Why do some people lose their faith? Why do some choose to abandon religious beliefs that were once meaningful to them? And what happens when they do? In this no-holds-barred book, Ruth Tucker tackles the tough questions about losing faith. Providing historical perspective, she looks at the stories of prominent Christians, like Chuck Templeton and Billy Graham, who have struggled with faith. She grapples with difficult philosophical and theological issues, exploring the intractable questions that bring people to the point of losing faith--suffering, science, answer to prayer, hypocrisy in the church, and more. Throughout the book, she explores the testimonies of some who have made the choice to walk away--and some who have returned. Tucker writes not just as a detached observer but as one who has also struggled with doubt and disappointment. In *Walking Away from Faith*, she shares her from her experience and tells you why she continues to choose faith. Reading her story and her interviews of others, you will find help for working through your own questions and doubts. You will also find insight for ministering to your friends, family, coworkers and neighbors who stumble between belief and unbelief.

These Things You Should Have Done Paul Torason, 2017-11-16 Did Jesus sin? Or was Jesus the only one to ever follow God's Law perfectly and not sin? If you believe Jesus was a perfect keeper of God's Law, then this book will intrigue you and challenge your beliefs about the Bible. That's because most New Testament doctrine teaches how Jesus violated the Sabbath, declared all foods clean, waived away the Law against adultery and violated many other Old Testament commands. How can

that be? Is Jesus a sinner or is man-made doctrine and interpretation wrong? We believe it is the latter. Read this book and discover how Jesus did indeed keep the Law perfectly. Come, let us reason together and search the scriptures daily to see if these things are so.

Love Is... J. R. Gattis, 2022-03-10 Love is... is not your typical one-Scripture and a short-story-type of devotional. Love is... is an in-depth study of the Word of God to analyze the true meaning of love and all of its attributes. By using the Bible as a lens, the author navigates us through an investigation into the biblical qualities of love from the Old Testament, the teachings of Jesus, and Paul's famous love verses in Corinthians. Each daily devotion is saturated with Scripture and strongly aims toward helping others live a victorious life. Providing many wise discernments, biblical references, and relatable application for the reader, Love is... helps solidify each concept in their mind and, ultimately, their spirit. Each devotion is completely designed to draw the reader closer in their relationship with the Lord, while addressing love from every angle, including faith and hope. With daily prayers and Scripture studies and questions for reflections at the end of each devotion, the reader can connect to the study as they dive deeper into the depths of a biblically based love. Love is... is the first devotional book by J. R. Gattis, and a portion of all proceeds will be donated through abidesinlove.com to show love in action, to aid the addicted, homeless, and incarcerated to help them draw closer to Jesus in their time of need.

Romans: Theological Masterpiece (Volume 1) Joseph R. Holder,2014-01-27 Volume 1 of Joe Holder's exposition of Romans covers Romans chapters 1 through 8. The epistle to the Romans is, indeed, a theological masterpiece. A Darkly Radiant Vision Gary Dorrien, 2023-07-25 The third and final volume in the first comprehensive history of Black social Christianity, by the "greatest theological ethicist of the twenty-first century" (Michael Eric Dyson) The Black social gospel is a tradition of unsurpassed and ongoing importance in American life, argues Gary Dorrien in his groundbreaking trilogy on the history of Black social Christianity. This concluding volume, an interpretation of the tradition since the early 1970s, follows Dorrien's award-winning *The New Abolition: W. E. B. Du Bois and the Black Social Gospel* and *Breaking White Supremacy: Martin Luther King Jr. and the Black Social Gospel*. Beginning in the shadow of Martin Luther King Jr., Dorrien examines the past fifty years of this intellectual and activist tradition, interpreting its politics, theology, ethics, social criticism, and social justice organizing. He argues that Black social Christianity is today an intersectional tradition of discourse and activist religion that interrelates liberation theology, womanist theology, antiracist politics, LGBTQ+ theory, cultural criticism, progressive religion, broad-based interfaith organizing, and global solidarity politics. *A Darkly Radiant Vision* features in-depth discussions of Andrew Young, Jesse Jackson, Samuel DeWitt Proctor, Gayraud Wilmore, James Cone, Cornel West, Katie Geneva Cannon, Stacey Floyd-Thomas, Traci Blackmon, William J. Barber II, Raphael G. Warnock, and many others.

Make Disciples John Ankerberg, Robby Gallaty, 2019-08-09 A person's final words are often their most telling. The final words of Jesus, known as the Great Commission, are no different today than when he spoke them, but what does it mean to "make disciples" in our world today?
