Global Writing for Public Relations Arhlene A. Flowers, 2015-12-07 Global Writing for Public Relations: Connecting in English with Stakeholders and Publics Worldwide provides multiple resources to help students and public relations practitioners learn best practices for writing in English to communicate and connect with a global marketplace. Author Arhlene Flowers has created a new approach on writing for public relations by combining intercultural communication, international public relations, and effective public relations writing techniques. Global Writing for Public Relations offers the following features: Insight into the evolution of English-language communication in business and public relations, as well as theoretical and political debates on global English and globalization; An understanding of both a global thematic and customized local approach in creating public relations campaigns and written materials; Strategic questions to help writers develop critical thinking skills and understand how to create meaningful communications materials for specific audiences; Storytelling skills that help writers craft compelling content; Real-world global examples from diverse industries that illustrate creative solutions; Step-by-step guidance on writing public relations materials with easy-to-follow templates to reach traditional and online media, consumers, and businesses; Self-evaluation and creative thinking exercises to improve cultural literacy, grammar, punctuation, and editing skills for enhanced clarity; and Supplemental online resources for educators and students. English is the go-to business language across the world, and this book combines the author's experience training students and seasoned professionals in crafting public relations materials that resonate with global English-language audiences. It will help public relations students and practitioners become proficient and sophisticated writers with the ability to connect with diverse audiences worldwide.

Minorities and Representation in American Politics Rebekah Herrick, 2016-01-29 *Minorities and Representation in American Politics* is the first book of its kind to examine underrepresented minorities with a framework based on four types of representation—descriptive, formalistic, symbolic, and substantive. Through this lens, author Rebekah Herrick looks at race, ethnic, gender, and sexual minorities not in isolation but synthesized within every chapter. This enables readers to better recognize both the similarities and differences of groups' underrepresentation. Herrick also applies her unique and constructive approach to intergroup cooperation and intersectionality, highlighting the impact that groups can have on one another.
