The Covenstead Beth Gillespie,2013-02-21 Im on the road again in my car. I think Ive been here before it looks familiar to me. The ocean looks different when the moon hits it at night. Even the road looks longer from the shine. The same mountains and curves, nothing has changed since I last came out this way. Somehow I feel this trip is different though like it has a reason for my coming. Im in the driveway now. Lots of cars are here. The house is the same as always. Im looking up at the window no one is there as usual. I put my key in the door and open it as I walk inside. It seems like I should know Im home but this isnt my house. Its always the same feeling and I tell myself maybe tonight will be different. I reach the stairs and there he is waiting for me. His hand is outstretched but I wont take it I cant breathe. I have to leave. Im in my car now and driving away fast. Hes in the window now looking at me as I drive away. I can see you standing there in the distance, I know youre there. I can hear your voice, I know youre near me. You are just the way I imagined you too be. ***I have had this dream since I was 13 years old ***

Unhinged Helen Hardt,2018-10-30 Editorial Reviews An electric, often tantalizing installment enhances this vampire series. -Kirkus Reviews An intense and sexy series. -Two Darlin' Dolls and a Book Review This installment was packed full of everything mystery, twists, turns, passion and more questions that I need answering. -Reading is our Satisfaction Synopsis... Vampires are real. That fact has Erin Hamilton thinking she's headed for crazy town. Still, she can't deny the intense emotion she experiences when Dante Gabriel sinks his teeth into her neck to take her blood. She's in love, and her body responds to his bite in a way she never could have imagined. Once Dante tastes Erin's blood, he's addicted forever and cannot live without it. He's heartbroken when she demands that he leave and never return. But neither can live without the other now, which puts them both at risk. As they struggle to understand the mysterious bond between them and decipher the secrets of the ancient Vampyre Texts, more patients disappear from the hospital. To complicate matters, a gang of vampire thugs chasing Erin, flashbacks increasing in number and clarity, and an ominous dark energy leave Dante on the brink of becoming unhinged.

Blood Prophecy Diana Matthew, 2025-02-23 In the shadows of fate, blood is the ink that writes the prophecy. No matter how hard you fight it, destiny flows through your veins. Her blood was like liquid fire; it attracts and destroys, but what if it attracts the wrong and destroys the good? Gwen had always thought there was nothing particular about her. She was just a normal she-wolf living with her grandma who restricted her from most things for unknown reasons and a best friend whom she wasn't so sure considered her as one. Then she met her mate, a blue-eyed male whom she was supposed to live the rest

of her life with was already mated to another and lied to her face without remorse. Then her grandma died, leaving her with tons of questions. Now Gwen could only find the answers on her own. Was she just a normal white wolf with a moon mark on her head or was she the magnet that attracts nothing but trouble and destruction?

My Own Blood Ashley Bristowe, 2023-06-13 Mothering under normal circumstances takes all you have to give. But what happens when your child is disabled, and sacrificing all you've got and more is the only hope for a decent future? Full of rage and resilience, duty and love, Ashley Bristowe delivers a mother's voice like no other we've heard. When their second child, Alexander, is diagnosed with a rare genetic disorder, doctors tell Ashley Bristowe and her husband that the boy won't walk, or even talk—that he is profoundly disabled. Stunned and reeling, Ashley researches a disorder so new it's just been named—Kleefstra Syndrome—and she finds little hope and a maze of obstacles. Then she comes across the US-based Institutes, which have been working to improve the lives of brain-injured children for decades. Recruiting volunteers, organizing therapy, juggling a million tests and appointments, even fundraising as the family falls deep into debt, Ashley devotes years of 24/7 effort to running an impossibly rigorous diet and therapy programme for their son with the hope of saving his life, and her own. The ending is happy: he will never be a normal boy, but Alexander talks, he walks, he swims, he plays the piano (badly) and he goes to school. This victory isn't clean and it's far from pretty; the personal toll on Ashley is devastating. It takes a village, people say, but too much of their village is uncomfortable with her son's difference, the therapy regimen's demands and the family's bottomless need. The health and provincial services bureaucracy gives them a maddening set of hoops to jump through, displaying criminally low expectations about what they can do to help. *My Own Blood* is an uplifting story, but it never shies away from the devastating impact of a baby that science couldn't predict and medicine couldn't help. It's the story of a woman who lost everything she'd once been—a professional, an optimist, a joker, a capable adult—in sacrifice to her son. An honest account of a woman's life turned upside down.

Pro Patria Mori Elizabeth Cowley Tyler, 2010-02-12 *PRO PATRIA MORI* is a story of friendship, rupture and healing. It deals with the fate of three friends: Trevor Howe, from London and Cornwall; Ernst Steiner, from Lubeck, Germany; and Etienne Bonnard, from Fontainebleau, France, all fellow students at Morton College, Oxford, in 1914, just before the outbreak of the Great War. Each enlists to fight for his country and suffers the physical and spiritual consequences of a war which ushers in a new kind of mechanized slaughter. The novel explores the consequences of various types of death for one's country and ends as the world is about to come apart with the outbreak of World War II. The book opens in November, 1938, with Trevor Howe in the midst of a recurring dream about the war wound to his left hand. He has received a letter from Kristina Steiner, the sister of his best friend from Oxford. She tells him that there is to be a memorial service for her brother at Morton College, Oxford, and that she hopes he will attend. Trevor is grieved and relieved to finally learn the fate of his childhood friend -- that he was killed in 1914 at the first battle of Ypres. The novel continues with the parallel stories of

Trevor Howe and Kristina Steiner as they try to reconnect. Due to her Jewish grandparents, Kristina is unable to get out of Germany after Krystalnacht to attend the ceremony for Ernst at Oxford. Her fate becomes progressively more entwined with that of Herr Commandant Karl Hauptmann, a Nazi officer who has been assigned by the party to watch over her. The central problem of the protagonist, Trevor Howe is to come to terms with the wounds of his past, both psychological and physical, and to reconnect with his ability to love and create. He does this by trying to reconnect with Kristina Steiner, by reencountering another old friend, Etienne Bonnard, who had dealt with his wound by using his art, and by reinvolving himself with Bonnard's sister, Genevieve. The novel explores the various types of death for one's country -- the physical death of Ernst Steiner, the death of the soul and creative spirit of Trevor Howe and Etienne Bonnard's loss of a youthful and vibrant personality. Bonnard helps Trevor reconnect with his creativity and to write the memoir that liberates the artist in him, and Trevor helps Bonnard recapture some of his youthful joie de vivre, while Kristina Steiner suffers a more sinister fate. The book ends as the world is about to come apart again with the outbreak of World War II.

Love, Grit, Blood and Spit Sandra Reid George, 2015-08-05 A book with true life stories and poems that have been fictionalised. Some themes have a disturbing aura of sex, violence and abuse of women and children. Other stories have themes of gang culture or the occult and the devil, which may be disturbing to some readers. All of these creations are purely and completely from the author.
