God-given Foods Eating Plan: for Lifelong Health, Optimization of Hormones, Improved Athletic Performance Gary F. Zeolla, 2007-03-01 This book studies different food groups, with a chapter devoted to each major classification of foods. First the Biblical evidence is considered, then modern-day scientific research. Foods are classified as God-given foods and non-God-given foods. A healthy eating plan is composed of a variety of God-given foods and avoids non-God-given foods. Unlike other books on this subject, this book does not promote a vegetarian diet since God gave us meat for food, and meat-eating is

assumed throughout Scripture, with no negative connotations. Moreover, meat, poultry, and fish can and should be included in a healthy eating plan. The proposed eating plan is also designed to optimize hormones, such as testosterone, growth hormone, and insulin. This can produce dramatic differences in a person's health and well-being and can lead to a gain in muscle mass and a loss of body fat. It can also lead to improved athletic performance. This book also looks at other aspects of athletic nutrition.

Jesus Healed You! Gerard Assey, 2020-07-08 *Jesus Healed You!* ...is more than just the name of this book. It is a reality that is available for every person to experience. No matter the severity of your condition (even as it looks now!) remember that Jesus Christ has already healed you. Notice what His word says in 1 Peter 2:24: "By whose stripes ye were healed" It's a past tense...it's a done deal! Many say: HIS time for my cure has not yet come..." We are actually insulting Jesus and His finished work for us, as the work was already done over 2000 years ago. It's already there in the spiritual realm. We just got to reach out to it! Sadly, many have waited for years in despair for 'His time' and gone in that condition, not knowing they already had it, but just not claimed it! One of the most important things that every believer needs to know is how to receive divine healing that has already been provided for us from the Lord and how to live in good health. Unfortunately, because of our wrong religious upbringings, many of us have been taught that God doesn't always heal; either He puts sicknesses on us to teach us something, or He gets glory out of our being sick or even that healing has passed away. But according to the scriptures, healing comes from God and sickness and disease comes from the devil. God plainly shows us in His Word that He is the Great Physician and the devil is the afflicter: Exodus 15:26: ...FOR I AM THE LORD THAT HEALETH THEE. So healing is yours now! Jesus Christ paid a great price to provide healing for you. All you have to do is know out how to receive it. This book is therefore to help introduce Jesus the Healer, and enable you to claim the healing HE has already provided for. Healing is the manifestation of God's love for you and me. The Bible shows us that Jesus came as the perfect representation of God's heart towards mankind. Everyone mentioned in the Bible who came to Jesus for healing were made well. Healing is not something you get because you deserve it. It's a free gift from God for all people. God wants you healed and He wants

you to have good health. So just Fasten Your Seat Belt and Expect a Move of God as you read through the pages of this book, claiming your healing that He has already provided!
