Bind, Torture, Kill Roy Wenzl, Tim Potter, Hurst Laviana, L. Kelly, 2008-05-27 For thirty-one years, a monster terrorized the residents of Wichita, Kansas. A bloodthirsty serial killer, self-named BTK—for bind them, torture them, kill them—he slaughtered men, women, and children alike, eluding the police for decades while bragging of his grisly exploits to the media. The nation was shocked when the fiend who was finally apprehended turned out to be Dennis Rader—a friendly neighbor . . . a devoted husband . . . a helpful Boy Scout dad . . . the respected president of his church. Written by four award-winning crime reporters who covered the story for more than twenty years, *Bind, Torture, Kill* is the most intimate and complete account of the BTK nightmare told by the people who were there from the beginning. With newly released documents, evidence, and information—and with the full cooperation, for the very first time, of the Wichita Police Department's BTK Task Force—the authors have put all the pieces of the grisly puzzle into place, thanks to their unparalleled access to the families of the killer and his victims.

**Confession of a Serial Killer** Katherine Ramsland, PhD, 2016-09-06 In 1974, Dennis Lynn Rader stalked and murdered a family of four in Wichita, Kansas. Since adolescence, he had read about serial killers and imagined becoming one. Soon after killing the family, he murdered a young woman and then another, until he had ten victims. He named himself B.T.K. (bind, torture, kill) and wrote notes that terrorized the city. He remained on the loose for thirty years. No one who knew him guessed his dark secret. He nearly got away with his crimes, but in 2004, he began to play risky games with the police. He made a mistake. When he was arrested, Rader's family, friends, and coworkers were shocked to discover that B.T.K. had been among them, going to work, raising his children, and acting normal. This case stands out both for the brutal treatment of victims and for the ordinary public face that Rader, a church council president, had shown to the outside world. Through jailhouse visits, telephone calls, and written correspondence, Katherine Ramsland worked with Rader himself to analyze the layers of his psyche. Using his drawings, letters, interviews, and Rader's unique codes, she presents in meticulous detail the childhood roots and development of one man's motivation to stalk, torture, and kill. She reveals aspects of the dark motivations of this most famous of living serial killers that have never before been revealed. In this book Katherine Ramsland presents an intelligent, original, and rare glimpse into the making of a serial killer and the potential darkness that lives next door.

*The BTK Murders* Carlton Smith,2007-04-01 A detailed account of the serial killer who terrorized Wichita, Kansas, for more than thirty years from the New York Times–bestselling author. From 1974 to 1991, someone in the midwestern city of Wichita was leaving behind slain tortured bodies and anonymously proclaiming himself to police and reporters as “BTK” for “Bind, Torture, Kill.” Then, for the next fourteen years, BTK was silent. But when he began sending letters again, investigators would not miss their chance . . . Stunningly, police arrested Dennis Rader, the president of his church board and the father of two. As a shocked community watched, evidence began to pile up. Then Rader coldly described how he went about “his projects” as the families of his victims relived the horrific scenes this supposed pillar of the community had unleashed on their loved ones. From the tricks he used to enter his victims’ homes to the puzzles he sent the media and the key role his own daughter may have played in his arrest, *The BTK Murders* is the definitive story of the BTK killer. He was, as one victim’s family member called him, “a black hole inside the shell of a human being”—and the worst American serial killer since Ted Bundy.

**Stalked and Strangled: Dennis Rader, the BTK Killer** Charlie Lark,2017-05-26 At the end of the twentieth century, over the span of three decades, the story of the BTK Killer was almost the same as the boogey man. A tale told to frighten women and children about an unknown beast who murdered the innocent. The boogey man, however, remains a figment in the imagination of many, while the BTK Killer is real. Taunting the media and police, the BTK Killer stalked potentially dozens of women and killed 10 people before he was finally caught. Unlike most serial killers, he went through waiting periods between kills, including one period that lasted eight years before he struck again. Bind them. Torture them. Kill them. That was what the BTK Killer did, what he bragged about in his letters and poems to the media, and what he fantasized about. The BTK Killer gained fame and frightened the public through his taunting letters, using grammar so terrible authorities believed it was done on purpose or part of a code. Despite killing his last person in 1991, the BTK Killer wasn't caught until 2005, nearly 15 years later, when his massive ego led to his arrest. One of his taunting letters was sent in on a floppy disk containing metadata that led the authorities to his front door. In truth, the BTK Killer was in actuality a man named Dennis Rader, a church-going family man leading a horrific double life. Rader later claimed he was forced to kill people because he had a demon inside him that made him kill, a demon he called the Minotaur. A portion of the very first letter Rader wrote to the media claimed: I can't stop it so the monster goes on ... the pressure is great and sometimes he run the game to his liking. Maybe you can stop him. I can't ...Good luck hunting.
