

# Eat You Alive Eden O'Neill

## M Mark

**Eat You Alive** Eden O'Neill, 2022-05-31 Vicious. Vengeful. Prick. Ares Wolf Mallick has it out for me. He's one of four self-imposed gods at Pembroke University, and unfortunately for me, I was on his radar well before that. He single-handedly blames me for ruining his junior year of high school, and three years later, he's come to collect. He says I owe him. He says he owns me, and he's determined to destroy everything I'm working toward unless I bend to his will. Dirty. Rotten. Faker. It seems Ares is in need of a fake girlfriend. He says he needs a shield to keep his fangirls off his jock, and apparently, I fit the bill. He wants someone he can control and gives very few details beyond the initial ask. Let alone where he was for most of last year. It appears the big bad wolf has secrets, and he intends to use me to execute his schemes. If he wants someone he can control, though, he's howling in the wrong place. I don't break easy, and this phony relationship may prove to be just as much of a nightmare for him as it is for me. Ares Wolf Mallick and I can't stand each other. So why, regardless of whoever's watching our fake relationship... Are we both having such a hard time keeping our hands off each other?

**Eat Your Heart Out** Eden O'Neill, 2022-06-02 Cold. Cruel. Coward. Ares Wolf Mallick ripped my heart out. He ground it into mush and didn't even grant me the courtesy of a goodbye. He just left me. He left and said our relationship, fake or otherwise, meant nothing to him. I made a mistake last semester, and it had nothing to do with our phony arrangement. I let him hurt me, and I refuse to make that mistake again. Wolf and I make it back into each other's lives, and when we do, I make one thing clear. I don't need him anymore. Showing up for the holidays with his brother only drives the point home. Cry. Red. Wolfy. I've moved on from my ex-fake boyfriend, but unfortunately, the physical draw to him is still there. It's carnal and just as messed up as him and that period we played pretend. Wolf has made it very clear he feels nothing for me, and I loathe the guy who savagely broke my heart. The pair of us don't need or even like each other, but we don't have to in order for a relationship with benefits to work. The Big Bad Wolf and I aren't friends, and I have no desire to be... I'm more than fine being his enemy. Warning: *Eat Your Heart Out* is an enemies-to-lovers, college romance. Please see the author's website upon release for content warnings. The book is recommended for readers 18+ and is book five in Eden O'Neill's Court Legacy series. *Eat Your Heart Out* is not a standalone and is part two of a duet. Part one, *Eat You Alive*, needs to be read before reading this book. Author's Note: Court Legacy is a spin-off series about the children of characters featured in Eden O'Neill's Court High and Court University series. It's not necessary to read the previously released series to enjoy Court Legacy. This

is a new series that can be read completely on its own.

*New York Magazine* ,1972-03-13 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.
