All the while, finding out for myself what spirituality and sexuality really are in all of their aspects. Here is some of my journey, my truth, my blatant experience.

**As You Are** Vix Anderton,2024-09-01 What if the problem isn't you, but the relentless pursuit of self-improvement? As You Are offers a refreshing alternative to the constant pressure to be more, do more, and achieve more. It's time to get off the hamster wheel of constant growth and unlearn the self-help hustle. It's a compassionate yet no-nonsense guide for the recovering perfectionists, over-doers, and personal development junkies who really just want to be more of themselves in the world. It's a resource for authentic living in a world obsessed with self-optimisation. Drawing on personal and industry experience, this book challenges the prevailing narrative of constant self-improvement to offer a fresh perspective on doing 'the work'. Instead of focusing on what you should be doing, this book invites you to remember who you are, find peace with uncertainty, and stop the incessant search for your purpose. - Recognise your inherent worth without tying it to achievements - Embrace clarity as an ongoing process - Find value in your present self, not just your potential - Build resilience through flexibility, not toughness - Prioritize presence and authenticity over constant striving It's time to step off the treadmill of self-improvement and rediscover the joy of simply being. As You Are is an invitation back to your own agency and leadership. Choose presence over perfection. Choose self-acceptance over self-criticism. Choose to be here, now, rather than always reaching for some imagined future self. If you're starting to suspect there might be a more graceful way of engaging with life, you might just be in the right place.

How to Be Miserable and Alone Kaiser Johnson, 2021-03-08 Let's face it — most of us are looking for answers in all the wrong places. It's hard not to be drawn in by headlines, advertisements, and the constant barrage of “expert” advice on everything from sex and relationships to fitness, fashion, and spiritual awakening. In our world today, though, sin is presented a lot more effectively than virtue. We are led to believe that the only way to improve ourselves and satisfy our deepest longings is through the prevailing perspective of our culture. But that perspective is a schizophrenic one, divorced from the source of truth. Kaiser Johnson — actor, athlete, and author — had the same burning questions we all have about life, love, sex, being a man, and doing the right thing. The more he searched, the more he realized the world's answers just weren't working. From his years spent listening to the lies of our culture, he has clearly identified 12 simple tricks to end up miserable and alone. He's tried all of them, and they work! It turns out hookup culture, self-fulfillment, self-love, using and abusing friends and family, maintaining a frantically busy schedule, and always taking the easy way out are the perfect recipe for a wretched life. But Kaiser also discovered something else that he shares in the pages of this funny, honest book: Only God can fill the emptiness of our hearts and help us to discover a life that truly matters. ABOUT THE AUTHOR Kaiser Johnson is a Catholic husband and father. He works as an actor (Unplanned, Stranger Things), voiceover artist (Transformers: War for Cybertron, Call of Duty Cold War, Resident Evil Resistance) and author (Grit and Glory: Cross Training Your Body and Soul, and an upcoming pulp adventure series). To learn more and keep up to date on his work, visit and subscribe for free at [Kaiser-Johnson.com](http://Kaiser-Johnson.com) or find him @kaiserjohnson on social media.
