Iporanga! Kevin Apostobranco,2003-03-03 In 1969, Dr. D.M. McArtor, Deputy Director of Technology for the US Dept. of Defense went before the Senate Committee for Appropriations & requested \$10 million to design a virus that is "refractory to the immunological systems . In 1970, Dr. McArtor was granted the \$10 million by the US Government to invent the AIDS virus. In 2000, feeling drawn to Brazil, the author arrived in the town of Iporanga, Sao Paulo where it is common knowledge among the residents that the US Army has been conducting some kind of secret experiments in a nearby cave hidden in the jungle in 1970. Impossible events occur on a regular basis, & previous to arriving in Iporanga he was shown through a series of coincidences that with the letter 'A' in front of his name, his surname is Apostlethwaite, or Apostobranco. On his second night, Kevin used a strange sentence for the first time & told a young doctor whose days are filled with AIDS victims; I'm a white blood cell, I go where needed. In answer to her question regarding why he was there. Shortly after seeing a school music book full of Nazi mind control experiments with sound & melody, Apostobranco is shown a cave nearby called Caverna Laboratorio. The local residents were obviously victims of some kind of mind control. There are people in the valley that can't remember when their parents died, & another who can't remember that her husband died of AIDS. All of these things were more than enough to convince the author that he was no longer just a tourist but had assumed the role of a character in a legend. Iporanga! is an expose of numerous crimes against humanity. It's the true account of the discovery of the origin of AIDS & the bizarre series of events that surround it - an account of impossible coincidences & miracles, the misery of AIDS, & the terror of being chased by an army through the jungle in Brazil.

An Ordinary Woman Donna Hill,2007-04-01 From bestselling author, Donna Hill comes an evocative, unforgettable novel about love, friendship, marriage, adultery. . . You'll find out soon enough. So I may as well say it now. I slept with my best friend's husband. There is no explanation. Not a real one, anyway, not one that people will accept, especially people who know me. . .But I want to tell my side. . .Just hear me out. . . Asha and Lisa have been best friends since grade school and they have always shared everything. A beautiful and accomplished photographer, Asha never seems to lack excitement or a man to share it with. Yet, for a woman who appears to have it all there is always that something she needs to make her feel whole. . .worthy. Lisa, the good girl, has always dreamed of the perfect marriage to the perfect husband. Now she has both with Ross Davis and she has their future planned to the last, perfect detail. Ross didn't want to believe that he and Lisa had married too soon. He didn't want to believe that each day the man he thought himself to be was being stripped away by the woman he loved--leaving him feeling like a kept man instead of the man of the house. And then--betrayal. No one knows how it happened, how they could have done this to each other. But now, they each want to tell their side of the story. As Asha, Lisa and Ross travel down the road to discovery, you will root for them, hurt for them, hate them and love them. But you will never forget them. *An Ordinary Woman* is about the betrayal of the most sacred of trusts. It is about the that one moment when a single choice will change lives forever. It is a cautionary tale that dares to look deep inside the hearts and minds of the characters involved. Most importantly, *An Ordinary Woman* attempts to answer the question: How?

Secrets from My Vietnamese Kitchen Kim Thúy,2019-04-02 A warm and welcoming introduction to a vibrant cuisine, with more than 50 easy to make recipes from internationally bestselling novelist Kim Thúy. Between careers as a lawyer and an acclaimed novelist, Kim Thúy ran a celebrated restaurant called Ru de Nam in Montreal. Now, in her first cookbook, Kim combines her beautiful storytelling style with simple and wonderful recipes that are full of flavour: surprising yet comforting, and easy enough for every day. Welcoming us into her close-knit circle, she introduces us to her mother and five aunts, each with her story, each with her secrets, told through the food of the country they had to leave, Vietnam. Starting with easily-

prepared base ingredients of sauces, quick pickled vegetables and toasted rice flour, we move on to soups, sautés, vegetables, grilled foods, desserts and more. Sample recipes include: Stuffed Squash Soup; Vermicelli Bowls; Caramel Pork; Calamari, Pork and Pineapple Stir-fry; Fried Lemongrass Fish; and Vietnamese Tapioca and Banana. Also, in collaboration with sommelier Michelle Bouffard, Kim suggests wine pairings for these Vietnamese dishes. Kim says that Vietnamese often display their affection more easily with food than with words. This exquisite book deliciously demonstrates that every meal is an opportunity to show love, and to be grateful for those who sit down to eat with us.

But when a prophetess tells her that what she's longing for is closer than she thinks, Dove reconsiders her reaction to the young man. She soon learns that his name is Destiny and she has fallen in love with him and he with her. A special meal that Mom made for me. What was on the menu. Why I'll never forget it. How I learned to cook. It was all because of Mom. Or, it was all because Mom wasn't there. The first meal I made. What I learned never to do again. If I could go back to one time in the kitchen with Mom while I was growing up ... What happened. Why that time still stands out to me. Good chance you'll laugh and cry. Guaranteed that you'll revisit your own growing-up kitchen and think about life with your kids in the kitchen. Lessons from My Mother's Kitchen Ranjini Rao, 2020-10-20 When I lost my mother to a long and painful battle with cancer, four years ago, I was thousands of miles away, alone and thick with grief. At first, everything seemed distant and pale, and I went through my days like a robot, lead-footed and sandy-eyed, trying to make sense of each moment. It took a while, but I came to understand that the only way out was through. At some point, I submitted to the dagger of sorrow, as it carved out a hollow in my heart, turning me into some sort of an unself-conscious, sculpted form. I re-lived all the memories of my mother, and gleaned new lessons from them. Through the eighteen essays in this book, I recount how her food, music, and stories -- all the things that she birthed in her spacious, sun-dappled kitchen -- helped me cope with long-distance grief, and taught me to look at life with renewed hope. I also present some special recipes, straight from Amma's kitchen, and a bunch of kitchen poems in her honour, finding her in such things as the sizzling of spices, the bubbling of flavourful broths, or a melodious Raga swirled into my cup of coffee. My wish is that this book will come to stand for all this and more: a

celebration of life and a quiet acceptance of death. I hope that it will inspire and touch many, those who are going through rough times, or those who are simply living the ordinary life, for often we forget that there's so much magic in it.

From My Kitchen to Yours Maria Goretti, 2016 From My Kitchen To Yours: Food, Love And Other Ingredients celebrates how Maria Goretti lives her life, with memorable recipes from her mother's East-Indian spreads, aromas from her grandmother's kitchen, and the food that she has seen, touched and tasted over her many travels across India, and the world, as a VJ with MTV. Add to that, all those delicious dishes she has eaten at her friends' homes, especially those sinful desserts that she loved, which she tried and tried till she got them right. Divided into monthly menus with soups, salads, starters, non-vegetarian and vegetarian main course dishes, and desserts, the recipes are simple and delicious. With a foreword by actress and politician Jaya Bachchan, the book presents a six-course meal layout for each month, and easy-to-make recipes with ingredients readily available in any home kitchen. It contains an array of both vegetarian and non-vegetarian recipes.

The World in My Kitchen Colette Rossant, 2006-09-26 We are on our way to Le Havre. The train is going so fast that the landscape is all but a blur. From time to time, I can see a farm in the mist surrounded by a sea of green fields. I am excited but also scared. It is 1955, and we are on our way to New York. So begins the marvelous journey of Colette Rossant, just married to an American architect and about to leave France for a new life in the heart of New York City. At first, Colette finds Americans' manners to be as mystifying as their cuisine, but before long, she discovers the myriad charms of her adopted country. Between taking on an astoundingly diverse series of jobs, raising four children, and renovating a Soho town house, Colette develops her own flair for food -- and for superb food writing. In this spirited and deliciously entertaining memoir, Colette shares the unforgettable stories of her forty tumultuous years at the heart of American and international cuisine. The children's cooking school she starts for her daughter's friends turns into a starring role on a PBS television series. As New York magazine's Underground Gourmet, she hails the city's staggering array of outstanding ethnic cuisine. Either with her

husband and children, or on her own, she travels to Africa, China, Japan, and South America, exploring cuisine and culture around the globe. She rides camels through the Australian outback, barter lipstick for fresh vegetables in Tanzania, and is almost arrested as a spy by the Chinese secret police -- just because she is trying to eat like a local. Charming, indomitable, endlessly curious and adventurous, Colette Rossant inspires us to savor every meal -- and every day. With a wonderful array of mouth-watering recipes, *The World in My Kitchen* is an irresistible celebration of family, food, and life.
