Thomas F. Shubnell

Hollywood's Hellfire Club Gregory W. Mank, Charles Heard, Bill Nelson, 2007 They were the Bundy Drive Boys: hard-drinking, brilliantly talented, world-famous men of golden-age Hollywood - John Barrymore, Errol Flynn and W.C. Fields. Heroes with Hangovers tells the uncensored and ultimately moving story of these lost-soul geniuses. The partying and antics of the Rat Pack seem tame in comparison, but beneath the boozy bravado was a devoted mutual affection. Illustrated with dozens of never-before-seen photos and illustrations, this is the sozzled side of Hollywood's great era.

Just Kidding Louis R. Franzini, 2012-07-30 For professional comedians, their primary goal is to make people laugh. For everyone else humor can be the envelope in which another message is sent and therefore will be received with pleasure. This book is designed precisely to help you make your own efforts at humor more effective in achieving the primary goals of your interaction: to solidify friendships, preserve a marriage, obtain employment, close sales, conduct therapy, defuse conflict, or simply enjoy life more. Humor is a quality nearly all of us claim in ourselves and one which we seek and highly value in others. We love a sense of humor in our dates and mates, our children, and everyone with whom we have social contacts. When humor making is successful, we are drawn closer to other people and share a bonding emotional experience. We enjoy life more and our troubles seem to lessen instantly. There are many proven ways to enhance our senses of humor in ourselves and even our children. Humor making can be taught and developed to a very high level, thus increasing our chances for social and even economic success. Just Kidding: Using Humor Effectively is for adults who enjoy humor and who would like to be funnier. It includes definitions of funniness and examples of both helpful and harmful humor. It describes the relevant

comedic and psychological rules for making humor effective. The book points out the danger signs for offensive humor and how to make the decision to “say it or stuff it.” Examples of successful and unsuccessful humor from comedians to politicians are used throughout to illustrate the many varieties of humor and how context and audience make a difference. Finally, a variety of fun exercises are offered to build the skills for effective humor making.

On the Board Walton Burns,2017-02-23 On the Board is an easy, fun, no-prep way to start off your class! Get students into the habit of coming into class, looking at the board, and getting to work independently. While you're still setting things up, or even taking attendance, your students are hard at work. This curated, classroom-tested collection of over 200 of proverbs, quotations, brain teasers, riddles, puzzles, and jokes is the easiest warmer activity in the world. They work as perfect do-nows because they are fun and engaging, simple enough that students can do them on their own. There are plenty of suggestions on how to use them in class and extend them into discussion activities or use them to introduce the theme of the lesson. Interpreting a proverb or solving a riddle is a great critical thinking activity and it's also fun! And I've also shared nine other activity-types that you can adapt to start the class off with a review of the past class or a preview of the class topic. These activities also work as great do-nows because students can do them independently. And they can be extended to work as introductory activities as well. This is one of my go-to teaching tools. I hope it'll be one of yours as well.

Here, you'll find more than 1,200 of the most biting quotes, comments, and comebacks ever uttered, including: I would like to take you seriously, but to do so would be an affront to your intelligence. -- George Bernard Shaw Only two things are infinite, the universe and human stupidity, and I'm not sure about the former. -- Albert Einstein If they can make penicillin out of moldy bread, they can sure make something out of you. -- Muhammed Ali You won't just find quotes from typical a**holes like Winston Churchill, Joseph Stalin, and Mark Twain, either. You'll also see what happens when practically perfect folks like Walt Disney, Mahatma Ghandi, and Audrey Hepburn lose their cool. So embrace your dark side and get ready to enjoy every over-confident, over-blown, over-the-top a**hole comment you'll ever need.

Great Hollywood Wit Gene Shalit, 2025-06-25 Great Hollywood Wit rollicks with hilarious movie lines and backstage zingers-smart, tart, and (in Sir John Gielgud's case) wicked: Ingrid Bergman speaks five languages and can't act in any of them. Julia Roberts, fashion buff: I only put clothes on so that I'm not naked when I go out shopping. Retiring Burt Reynolds: You can only hold your stomach in for so many years. Great Hollywood Wit is an unequaled cavalcade of hilarity that you'll laugh through again and again. A wonderful one-of-a-kind gift.
